

**ORDINANCE NO. 2022-18**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS UPDATING AND AMENDING THE BASTROP CODE OF ORDINANCES, CHAPTER 13, ARTICLE 13.12, ENTITLED "IMPACT FEES", UPDATING THE LAND USE ASSUMPTIONS, CAPITAL IMPROVEMENT PLAN AND AMENDING IMPACT FEES FOR WATER AND WASTEWATER UTILITIES, AS ATTACHED IN EXHIBITS A-E, AND PROVIDING FOR FINDINGS OF FACT, ENACTMENT, ENFORCEMENT, A REPEALER, AND SEVERABILITY; ESTABLISHING AN EFFECTIVE DATE; AND PROPER NOTICE AND MEETING.**

**WHEREAS**, new residential and nonresidential development causes and imposes increased demands upon Bastrop public facilities and services, including water and wastewater facilities, that would not otherwise occur; and

**WHEREAS**, planning projections indicate that such development will continue and will place ever-increasing demands on the City to provide necessary public facilities; and

**WHEREAS**, the development potential and value of properties is strongly influenced and encouraged by City policy as expressed in the City's 2036 Comprehensive Plan and as implemented via the City zoning ordinance and map; and

**WHEREAS**, to the extent that such new development places demand upon the public facility infrastructure, those demands should be satisfied by more equitably assigning responsibility for financing the provision of such facilities from the public at large to the developments actually creating the demands for them; and

**WHEREAS**, the amount of the impact fee to be imposed shall be determined by the cost of the additional public facilities needed to support such development, which public facilities shall be identified in a capital improvements program; and

**WHEREAS**, the City Council, after careful consideration of the matter, hereby finds and declares that impact fees imposed upon residential and nonresidential development to finance specified major public facilities, the demand for which is created by such development, is in the best interests of the general welfare of the City and its residents, is equitable, and does not impose an unfair burden on such development;

**WHEREAS**, in 1987 the Texas Legislature adopted Senate Bill 336, now Chapter 395 of the Texas Local Government Code, and subsequently amended said Chapter from time to time; and

**WHEREAS**, the City Council finds that in all things the City has complied with said statute in the notice, adoption, promulgation and methodology necessary to adopt Impact Fees;
