SECTION I: INTRODUCTION AND DEFINITIONS

A. Introduction

1. On September 11, 2001, the City of Bastrop, Texas (the "**City**") passed and approved Resolution No. R-2001-19 (the "**Original Creation Authorization**") authorizing the establishment of the Bastrop Hunters Crossing Public Improvement District (the "**District**") in accordance with Chapter 372, Texas Local Government Code, as amended (the "**Act**"), which authorization was effective upon publication as required by the Act. On November 11, 2003, the City Council of the City (the "**City Council**") approved Resolution No. R-2003-34 amending the Original Creation Authorization by reducing the estimated costs of the Authorized Improvements from \$14,500,000 to \$12,476,000 and modifying the method of assessment (as amended, the "**Creation Authorization**").

2. On December 9, 2003 the City passed and approved Ordinance No. 2003-35 (the "**Original Assessment Ordinance**"), the initial levy of assessments on the approximately 283.001 acre parcel comprising the District, at \$11,961,260 for Capital Assessments and \$5,400,000 for the operation and maintenance of the District (Assessment levied is a grand total of \$17,361,260 in the aggregate). The purpose of the District is to finance certain public improvement projects that confer a special benefit on approximately 283.001 acres within the corporate limits of the City, located south of State Highway No. 71, west of State Highway No. 304, and east of Bear Hunter Drive. A metes and bounds description of the property within the District is attached as **Exhibit A** and a depiction of the District is attached as **Exhibit B**. Copies of the final plats as recorded in the real property records of Bastrop County, Texas (the "**County**") are listed on **Exhibit C**. The actions of the City Council relating to the creation of the District, the approval of the original service and assessment plan, and the levy of assessments within the District are outlined in **Exhibit G**.

3. Incorporated in the Original Assessment Ordinance was the initially adopted Service and Assessment Plan (the "**2003 SAP**") and Assessment Roll for the District and levied in lump sum the assessments shown on the assessment roll attached as Exhibit E-1 and Exhibit E-2 to the Original Assessment Ordinance (the "**2003 Assessment Roll**") on assessable property within the District in accordance with the Act. On December 14, 2004, the City Council passed and approved Ordinance No. 2004-42 (the Original Assessment Ordinance as amended by Ordinance No. 2004-42, and as the same may be amended from time to time, is referred to collectively as the "**Assessment Ordinance**"), to correct omissions or mistakes discovered in the Assessment Roll consisting of scrivener's and mathematical errors as well as a failure to denote the effects of rounding in the conversion of square feet.

4. Under the 2003 SAP, assessments were levied in lump sum on a 283.001-acre parcel of

property comprising the District. Under this Amended and Restated Service and Assessment Plan, the assessments have been allocated on a parcel-by-parcel basis to 27.434 acres of commercial property, 24.523 acres of multi-family property, 510 single family lots, and 37.937 acres of undeveloped land. Parcel 90301 is excluded from the Capital Assessment portion of this Amended and Restated Service and Assessment Plan because that property's Capital Assessment was reduced to zero by a developer contribution payment. Parcel 98555 is also excluded from this Amended and Restated Service and Assessment Plan because its use is limited to drainage, so its Assessment was reduced to zero as it is non-benefitted property. The 37.937 acres of undeveloped property is anticipated to be developed with multi-family uses.

5. The 2003 SAP Assessment Roll was modified, before any PID assessments were paid, by Ordinance No. 2004-42 to correct omissions or mistakes discovered in the Assessment Roll that was attached to Ordinance No. 2003-35 as Exhibit C consisting of scrivener's and mathematical errors as well as a failure to denote the effects of rounding in the conversion of square feet. Section 4 of Ordinance No. 2004-42 states: All ordinances, parts of ordinances or resolutions in conflict herewith are expressly repealed.

6. Texas Local Government Code Chapter 372 provides that the Service Plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements. Tex. Loc. Gov't Code §372.013. An assessment plan must be included in an annual service plan. The preparation of the SAP may be delegated to an advisory body, but the City Council as the governing body of the municipality is responsible to annually consider the proposed plan, apportion the cost of the improvements assessed against the property in the District and prepare a proposed assessment roll. The municipality must conduct a public hearing on the proposed assessment roll, and upon concluding the public hearing, pass on any objections to the proposed assessments and must, by ordinance or order, levy the assessments. Tex. Loc. Gov't Code 372.016-.017.

7. In the Fall of 2017, property owner inquiries regarding the operation of the District resulted in the Hunters Crossing Local Government Corporation and the new City Council to engage professionals to examine the state of the District and engage with the Original Developer and subsequently the current Developer to reconcile the District operation.

8. Contemporaneously, approximately 15 residents of the District initiated legal action against a host of civil defendants alleging liability for flood damage to their homes in the District. The legal action placed the City, Hunters Crossing Local Government Corporation, the Original Developer, among several others in litigation as Defendants.

9. Municipal records prior to the Fall of 2017 do not demonstrate statutory compliance in the operation of the District. Legal counsel for the City, the Hunters Crossing Local Government Corporation and the Developer have found several provisions of the existing 2003 SAP

unworkable, necessitating this amendment and restatement.

10. The Original Developer issued written notice of assignment of the District Development and Reimbursement Agreement to TF Hunters Crossing, LP., the current Developer in February 2018, placing additional complexities into the examination.

11. After months of examination, evaluation, and development of materials to reconcile the District operation, the preparation of amended and restated documentation including this Amended and Restated Service and Assessment Plan, are necessary to support the continued operation of the District to its conclusion.

12. On September 10, 2019, the City Council approved Ordinance No. 2019-40, and on September 24, 2019, City Council adopted Ordinance No. 2019-40, which approved and accepted this Amended and Restated Service and Assessment Plan, including the updated Assessment Roll attached as **Exhibit F** (as amended and updated from time to time, the "**SAP**"), which replaces the 2003 SAP in its entirety.

13. Capitalized terms used in this SAP shall have the meanings given to them in **Section I.B** unless otherwise defined in this SAP or unless the context in which a term is used clearly requires a different meaning. Unless otherwise defined, a reference to a "Section" or an "Exhibit" shall be a reference to a Section of this SAP or an Exhibit attached to and made a part of this SAP for all purposes.

14. The Act governs the creation of public improvement districts within the corporate limits and extraterritorial jurisdiction of Texas municipalities and counties. The Act, among other things, governs the process by which Costs of Authorized Improvements are apportioned to and assessed against the Property based on the special benefit conferred on the Property by the Authorized Improvements.

15. The Act requires a service plan covering a period of at least five (5) years and defining the annual indebtedness and projected cost of the Authorized Improvements (as updated, from time to time, a "**Service Plan**"). The Updated Service Plan is contained in **Section IV**.

16. The Act requires that the Service Plan include an assessment plan that assesses the Costs of the Authorized Improvements against the Property based on the special benefits conferred on the Property by the Authorized Improvements (as updated, from time to time, an "**Assessment Plan**"). The Assessment Plan is contained in **Section V**.

17. The Act requires an assessment roll, which may be in one or more parts, that states the assessment against each Parcel of Assessed Property determined by the method chosen by the City Council (as updated, from time to time, the "**Assessment Roll**"). The assessment against each Assessed Parcel must be sufficient to pay the share of the Costs apportioned to the Parcel and cannot exceed the special benefit conferred on the Parcel by the Authorized Improvements. The

Assessment Roll is attached as **Exhibit F**.

The final plats as recorded in the real property records of Bastrop County, Texas (the "**County**") and listed on **Exhibit C**.

B. Since the inception of the District, the Parcels within the District have undergone changes that the 2003 SAP did not anticipate or properly account for. This Amended and Restated Service and Assessment Plan addresses and resolves any discrepancies.

1. Changes to the Residential Property

The 2003 SAP anticipated 464 lots and the principal Capital Assessment amount per lot was \$9,907, but a \$6,192 lump-sum payment option was allowed. The option to pay this \$6,192 amount expired when the first Annual Installment payment was made. In the 2003 SAP Assessment Roll, the Annual Installment payments for 25 years totals \$8,799. As the option to pay \$6,192 has expired, the amount levied for Capital Assessments per Single-Family Residential Lot is \$8,799. Even though 464 lots were anticipated, actual development resulted in 510 Single-Family Residential Lots. Due to change in use of certain Parcels, under this Amended and Restated Service and Assessment Plan, there are 510 Single-Family Residential Lots.

2. Changes to the Commercial Property

The 2003 SAP anticipated assessments on 83.82 acres of commercial property. Due to change in use of certain Parcels, under this Amended and Restated Service and Assessment Plan, the Commercial Lots total 27.434 acres.

3. Changes to the Multi-Family Property

The 2003 SAP anticipated assessments on 34.32 acres of multi-family property. Due to change in use of certain Parcels, under this Amended and Restated Service and Assessment Plan, the Multi-Family Lots total 24.523 acres.

4. Changes to the Undeveloped Lot

The 2003 SAP, anticipated that the Undeveloped Lot be developed as 14.84 acres multi-family use and 27.58 acres commercial use. Due to change in use of certain Parcels, under this Amended and Restated Service and Assessment Plan, the Undeveloped Lot totals 37.937 acres and is anticipated to be developed with multi-family uses.

SECTION III: AUTHORIZED IMPROVEMENTS; COSTS

A. As described in this **Section III**, the Authorized Improvements consist of: (1) Capital Improvements and (2) Supplemental Services. The City Council has previously reviewed and approved the Costs of the Authorized Improvements set forth in **Exhibit D**. The Costs of the Capital Improvement and related Capital Improvement Supplemental Services approved for reimbursement to the Developer equals \$11,961,260, subject to any continuing Supplemental Services expenses incurred by the City or the District. The City also approved \$5,400,000 in total Costs for the Operational and Maintenance Supplemental Services.

B. Capital Improvements.

The Authorized Improvements consisting of Capital Improvements are listed below and have been completed and accepted by the City, except for the completion of Bear Hunter Drive to be constructed in accordance with the Development Agreement, as amended. The City Council, based on information provided by the Original Developer, its engineer and reviewed by the City staff, determined that the Capital Improvements described below, and itemized in the opinion of probable costs attached as **Exhibit D-1**, are public improvements authorized by the Act that confer a special benefit on the Assessed Property. The City Council further determined that the Costs of the Capital Improvements shown on **Exhibit D-1** were determined based on engineering reports prepared on behalf of the Original Developer. The completed Capital Improvements consisted of the following:

C. **Supplemental Services**. The Authorized Improvements consisting of Supplemental Services are listed below and the Costs of such Supplemental Services have been approved by the City. The Supplemental Services consist of two parts:

1. Costs related to the Capital Improvements consisting of planning, legal, administrative, and civil engineering, which include the creation of the District and District activities in connection with the Developer during ongoing operations (collectively, the "**Capital Improvement Supplemental Services**"). Assessments related to Capital Improvement Supplemental Services will be pledged to the PID Bonds; and
2. Costs related to operation and maintenance of the District by the City, consisting of: (a) the on-going administration and operation of Hunters Crossing PID until dissolution, which may include (but are not limited to), general administration, financial, legal and assessment collection services, including those related to: (i) annual collection costs, costs of the Administrator related to Annual Service Plan Updates, the calculation, billing and collection of Assessments or the Annual Installments thereof; (ii) legal counsel, engineers, accountants, financial advisors, and other consultants engaged by the City or the Administrator; (iii) maintaining records with respect to the ongoing operations of the District, including Annual Service Plan Updates and Updated Assessment Rolls; (iv) depositing and investing Assessments, including Annual Installments thereof, in accordance with City policies and applicable laws; complying with this SAP and the Act; and (v) costs related to the issuance of PID Bonds, if issued, including costs of the paying agent/registrar, Trustee, and other legal and financial consultants in connection with the issuance and sale of such PID Bonds, costs related to continuing disclosure requirements related to such PID Bonds, and costs relate to the refunding of such PID Bonds, if applicable; and (b) operation, maintenance, and repair of all Capital

Improvements, including but not limited to the park and landscaping improvements, public rights-of-way, easements, and Hunters Crossing Park (collectively, the "**Operational and Maintenance Supplemental Services**"). The Costs of the Operational and Maintenance Supplemental Services vary each year and will be collected as a distinct annual amount of the Annual Installment of the Assessments, which are updated each year as part of the Annual Service Plan Update. Assessments related to Operational and Maintenance Supplemental Services will not be pledged to the PID Bonds.

D. Developer Reimbursement Payments for Authorized Improvements.

Consistent with the terms of the Development Agreement, the Original Developer has received reimbursements in the aggregate totaling \$2,205,097.71 for approved expenditures for Authorized Improvements. Prior to the issuance of PID Bonds or if PID Bonds are never issued, the portions of the Assessments, including the Annual Installments thereof, related to the Capital Improvements (including the Capital Improvement Supplemental Services) will be collected each year and paid on an annual basis by the Administrator to the Developer, until the expiration of the time period for the collection of the Assessments as shown in **Section VI.A**. If PID Bonds are issued, the portion of Assessments, including the Annual Installments thereof, related to the Capital Improvements (including the Costs of the Capital Improvement Supplemental Services) will be pledged to the PID Bonds and the Developer will be reimbursed for the total remaining Costs of the Capital Improvements (including the Costs of the Capital Improvement Supplemental Services) from the net proceeds of the PID Bonds.

E. Supplemental Services Reimbursement Payments.

Consistent with the terms of the Service and Assessment Plan, as of February 2019, the District collected \$1,258,900 in the aggregate for the payment of Operational and Maintenance Supplemental Services. Of the original \$5,400,000 of the estimated Costs of the Operational and Maintenance Supplemental Services, 76.69% remains levied, but uncollected and available for collection, on an as needed basis, annually for the operation and maintenance of the District as defined in Section III.C.2. Contracted third parties and the City are paid from these funds for the above described expenditures in the course of operating the District. All budgets and expenditures are approved annually at City Council meetings open to the public, and all owners are provided notice of the public hearing date, times and location, as well as the anticipated amount of the Operational and Maintenance Supplemental Services levy for the respective fiscal year. The City shall collect the portion of the Assessments, including the Annual Installments thereof, related to the Operational and Maintenance Supplemental Services on an annual basis

for payment of the Costs of such Operational and Maintenance Supplemental Services until the expiration of the time period for the collection of assessments as shown in **Section VI.A.**

SECTION IV: SERVICE PLAN

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Updated Service Plan attached as **Exhibit E** covers a period of at least five years, including the expended costs of the Authorized Improvements and the projected annual indebtedness for the Authorized Improvements. The Service Plan must be reviewed and updated by the City Council at least annually.

SECTION V: ASSESSMENT PLAN

The Act allows the City Council to apportion the District costs on the basis of special benefit conferred upon the property because of the Authorized Improvements. The Act provides that such costs may be apportioned: (i) equally per front foot or square foot; (ii) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (iii) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The Act further provides that the City Council may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the current property owner and all future property owners and developers of the Assessed Property.

The Assessment for each property owner may be adjusted following each Annual Service Plan Update. The Costs of the Authorized Improvements have been allocated as follows:

A. Allocation of Costs of Capital Improvements and Capital Improvement Supplemental Services: The City Council has allocated the Costs of the Capital Improvements (including Costs of Capital Improvement Supplemental Services) to the Assessed Property by Land Use Category

based on engineering reports and cost allocation analysis provided by the Original Developer¹.

1. **Commercial Lots:** The Costs of the Capital Improvements (including Costs of Capital Improvement Supplemental Services) are allocated to the Commercial Lots based on square footage of each Parcel at an Annual Installment rate of \$0.071 per square foot.
2. **Multi-Family Lots:** The Costs of the Capital Improvements (including Costs of Capital Improvement Supplemental Services) are allocated to the Multi-Family Lots based on square footage of each Parcel at an Annual Installment rate of \$0.068 per square foot.
3. **Single-Family Residential Lot:** The Costs of the Capital Improvements (including Costs of Capital Improvement Supplemental Services) are allocated to the Residential Lots on a per lot basis in Annual Installments. The published 25-year payment schedule totaled a maximum payment of \$8,799 for each of the Residential Lots.
4. **Undeveloped Lot:** The Costs of the Capital Improvements (including Costs of Capital Improvement Supplemental Services) allocated to the Undeveloped Lot required re-allocation due to the change in use of the Undeveloped Lot. Under the 2003 SAP, the Undeveloped Lot was anticipated to be developed as 14.84 acres multi-family use and 27.58 acres commercial use. The Undeveloped Lot totals 37.937 acres and is anticipated to be developed with multi-family uses and, as a result, will pay a Capital Assessment of \$2,564,916.92 based on the square footage of the Parcel at an Annual Installment rate of \$0.068 per square foot.

B. Allocation of Costs of Operational and Maintenance Supplemental Services: The City Council has allocated the Costs of the Operational and Maintenance Supplemental Services related to operation and maintenance estimated to be approximately \$5,400,000 over 25 years based on value per square foot for Commercial Lots and Multi-Family Lots and per Lot for Single-Family Residential Lots based on schedules from the Original Developer.² Such Costs of the Operational and Maintenance Supplemental Services may increase or decrease each year based on the actual operation and maintenance costs of the Capital Improvements and costs of administering and operating the District, including the costs of collecting the Assessments.

C. Findings of Special Benefit. Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The City Council, acting in its legislative capacity based on information

¹ See Original Assessment Ordinance, SAP Exhibit F, Table A.

² See Original Assessment Ordinance, SAP, Section III.

provided by the Original Developer and its engineer and reviewed by the City staff and by third-party consultants retained by the City, find and determine that the Costs of the Capital Improvements are greater than the \$11,961,260 Capital Assessment amount. Pursuant to the July 12, 2011 independent accounting report, the City verified that the Developer incurred a total of \$12,498,265 through June 30, 2007, which increased to \$13,349,435 as of June 30, 2010, which additionally increased to \$13,894,993 as of June 2019 by constructing a portion of Bear Hunter Drive. The Developer has also agreed to pay an estimated \$256,443 to construct the remaining portion of Bear Hunter Drive to be completed in 2020. Therefore, the Developer has incurred and paid at least \$13,894,993 in Costs currently and will incur a total of at least \$14,151,436 to pay the remaining estimated Costs to construct Bear Hunter Drive.

1. The Costs of the Capital Improvements (including Costs of Capital Improvement Supplemental Services) that were levied as Assessments equals \$11,961,260.
 - a. For Commercial Lots, the Capital Improvement portion of the Commercial Assessments were calculated on a per square foot basis and the annual per square foot calculation for Commercial Lots was \$0.071 per square foot.
 - b. For Multi-Family Lots, the Capital Improvement portion of the Multi-Family Assessments were calculated on a per square foot basis and the annual per square foot calculation was \$0.068 per square foot, which now includes the Undeveloped Lot.
 - c. For Single-Family Lots, the Capital Improvement portion of the Single-Family Assessments were calculated on a per lot basis and the total Annual Installments were \$8,799.

Further, the City Council, acting in its legislative capacity based on information provided by the Original Developer and its engineer and reviewed by the City staff found and determined that the projected Costs of the Operational and Maintenance Supplemental Services for 25 years totaled \$5,400,000³; however, such Costs of the Operational and Maintenance Supplemental Services may increase or decrease each year based on the actual operating and maintenance costs including all administration costs and the costs of collecting the Assessments.

1. The Operational and Maintenance Supplemental Services portion of the Commercial Assessments has been levied on an annual basis against the Commercial Lots on a square footage basis at \$0.045 per square foot. Since 2015, the City Council reduced that the Costs of the Operational and Maintenance Supplemental Services to \$0.0317 per square foot. It is anticipated to be levied in the same amount each year unless the City Council

³ See Original Assessment Ordinance, SAP Exhibit E-2 - Summary of All PID Costs.

determines that the Costs of the Operational and Maintenance Supplemental Services should be adjusted in an Annual Service Plan Update; and

2. The Operational and Maintenance Supplemental Services portion of the Multi-Family Assessments and the Undeveloped Lot Assessments has been levied each year against the Multi-Family Lots on a square footage basis at \$0.056 per square foot. Since 2015, the City Council reduced that the Costs of the Operational and Maintenance Supplemental Services to \$0.0317 per square foot. It is anticipated to be levied in the same amount each year unless the City Council determines that the Costs of the Operational and Maintenance Supplemental Services should be adjusted in an Annual Service Plan Update; and
3. The Operational and Maintenance Supplemental Services portion of the Single-Family Assessments has been levied against the Single-Family Residential Lots each year on a per lot basis at \$26.00 per Single-Family Residential Lot per year. Since 2015, the City Council reduced that the Costs of the Operational and Maintenance Supplemental Services to \$23.16 per lot. It is anticipated to be levied in the same amount each year unless the City Council determines that the Costs of the Operational and Maintenance Supplemental Services should be adjusted in an Annual Service Plan Update.

The Costs of the Authorized Improvements, including the Capital Improvements, the Capital Improvement Supplemental Services and the Operational and Maintenance Supplemental Services total \$23,528,899. The Costs of the Capital Improvements and Capital Improvement Supplemental Services have been levied as Assessments of \$11,961,260 against the Assessed Property. The Costs of the Operational and Maintenance Supplemental Services have been levied and collected prior to this Amended and Restated Service and Assessment Plan in the aggregate amount of \$1,258,900 to pay actual costs of the operation and maintenance of the District. The special benefit received by the Commercial Lots, Multi-Family Lots, Single-Family Residential Lots and Undeveloped Lot is greater than the aggregate principal amount of Assessments levied. The special benefit received by the Commercial Lots, Multi-Family Lots, Single-Family Residential Lots and Undeveloped Lot is greater than the Costs of the Authorized Improvements levied as Assessments against the Assessed Property.

D. Annual Costs of Operational and Maintenance Supplemental Services. Annual Costs of Operational and Maintenance Supplemental Services shall be shared pro-rata among all Parcels. Amounts collected each year for Costs of Operational and Maintenance Supplemental Services that are not expended shall be carried forward and applied to projected Costs of Operational and Maintenance Supplemental Services for the upcoming year to reduce the amount collected for such Costs in the upcoming year so as to avoid over-collection.

SECTION VI: ASSESSMENTS AND ANNUAL INSTALLMENTS

A. **Assessments and Annual Installments.** Assessments, including the Annual Installments thereof, shall be calculated and collected each year in an amount sufficient to pay the indebtedness for the Authorized Improvements, including amounts owed to the Developer under the Development Agreement for the Costs of the Capital Improvements and all Supplemental Services, whether paid from PID Bonds or paid from the annual collection of Assessments. The City reserves the right to refund PID Bonds in accordance with the Act. To the extent Assessments are not paid in full, they shall be collected as follows:

1. If not paid in full, Commercial Assessments shall be collected in Annual Installments with each Annual Installment becoming delinquent if not paid on or before January 31st and shall continue until the amount of such Commercial Assessment is paid in full or through January 31, 2034. The City Council in its legislative capacity has found and determined that properties purchased in earlier years benefitted more from the Capital Improvements than properties purchased in later years and, therefore, any unpaid portion of an Assessment remaining after January 31, 2034, which is not delinquent, shall be reduced to zero and all liens related to any remaining unpaid Assessments shall be released.
2. If not paid in full, Multi-Family Assessments and Undeveloped Lot Assessment shall be collected in Annual Installments with each Annual Installment becoming delinquent if not paid on or before January 31st and shall continue until the amount of such Multi-Family Assessments and Undeveloped Lot Assessment are paid in full or through January 31, 2041. The City Council in its legislative capacity has found and determined that properties purchased in earlier years benefitted more from the Capital Improvements than properties purchased in later years and, therefore, any unpaid portion of an Assessment remaining after January 31, 2041, which is not delinquent, shall be reduced to zero and all liens related to any remaining unpaid Assessments shall be released.

3. If not paid in full, Single-Family Assessments shall be collected in Annual Installments with each Annual Installment becoming delinquent if not paid on or before January 31st and shall continue until January 31, 2030. The City Council in its legislative capacity has found and determined that properties purchased in earlier years benefitted more from the Capital Improvements than properties purchased in later years and, therefore, any unpaid portion of an Assessment remaining after January 31, 2030, which is not delinquent, shall be reduced to zero and all liens related to any remaining unpaid Assessments shall be released.

4. The following table summarizes the Capital Assessment Rate by Lot Type.

Lot Type	Collected Through FY ⁴	Paid January 31	Capital Assessment Rate ⁵
Single-Family Residential	2029	2030	\$380 / lot
Commercial	2033	2034	.071 / sq. ft.
Multi-Family	2040	2041	.068 / sq. ft.
Undeveloped Lot	2040	2042	.068 / sq. ft.

B. Reallocation of Assessments.

1. *Upon Division of Commercial, Undeveloped or Multi-Family Lots.*

Upon the division of any Assessed Property consisting of a Commercial, Undeveloped or Multi-Family Lot, the Administrator shall reallocate the Assessment for such Commercial, Undeveloped or Multi-Family Lot prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the estimated square footage of the newly divided Assessed Property

D = the sum of the estimated square footage for all of the newly divided Assessed Properties

⁴ Assessments due by January 31st, the following fiscal year.

⁵ Same assessment rates collected for Fiscal Year 2019 for Commercial, Multi-Family, and Undeveloped.

The calculation of the buildout value of an Assessed Property shall be performed by the Administrator based on information from the Developer, homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

2. *Upon Consolidation of Commercial, Undeveloped or Multi-Family Lots.*

If two or more Parcels of Assessed Property consisting of Commercial, Undeveloped, or Multi-Family Lots are consolidated, the Administrator shall allocate the Assessments against the Parcels before the consolidation to the consolidated Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

3. *Reallocation for Residential Single-Family Lots.*

Reallocation of an Assessment levied against Assessed Property consisting of a Single-Family Residential Lot upon division or consolidation of such Single-Family Residential Lot shall be pro-rata based on square footage.

C. Mandatory Prepayment of Assessments.

1. If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the owner transferring the Assessed Property shall pay the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs to the City, prior to the transfer unless the transfer is made in lieu of condemnation in which case the Assessment will be re-allocated to the portion of the Assessed Property not transferred under threat of condemnation, if any. If the owner of Assessed Property causes the Assessed Property to become Non-Benefited Property as the result of a change in use, the owner causing the change in status shall pay the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

D. Adjustment of Assessments.

1. If the Costs of Operational and Maintenance Supplemental Services each year are less than the Costs used to calculate the portion of the Annual Installment of the Assessments for such Operational and Maintenance Supplemental Services, then City Council shall adjust the portion of the Annual Installment of the Assessment for the following year on a pro-rata basis such that the sum of the resulting adjusted Assessments for all Assessed Property equals the adjusted Costs. Excess PID Bond proceeds shall be applied to redeem outstanding PID Bonds. Assessments shall never be reduced to an amount less than the outstanding PID Bonds, if issued, or the remaining unpaid Costs of the Capital Improvements and Supplemental Services if no bonds are issued.

2. The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the adjusted Assessments.

E. Payment of Assessments.

1. The owner of Assessed Property may pay, at any time and without penalty, all or any part of a Capital Assessment in accordance with the Act. If an Annual Installment has been billed prior to payment, the Annual Installment shall be due and payable and shall be applied against the payment of any amount due then to the remaining balance.

2. In the event an owner of an Assessed Property desires to pay the Capital Assessment portion of the Assessment:

a. In full: (1) the Administrator shall cause the Capital Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; (3) the obligation to pay the Capital Assessment and corresponding Annual Installments shall terminate; (4) the City shall provide the owner with a recordable "Notice of PID Capital Assessment Termination"; and (5) the Administrator shall work with the City to file in the real property records of the County a Release of Lien in the form attached hereto as **Exhibit H**.

b. In part: (1) the Administrator shall cause the Capital Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall cause the revised Assessment Roll to be approved by the City Council as part of the next Annual Service Plan Update; and (3) the outstanding obligation of the Capital Assessment shall be reduced.

F. Annual Installments.

1. Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit F-1** show the Fiscal Year 2020 Annual Installments for (a) the Commercial Lots, (b) Multi-Family Lots, (c) the Undeveloped Lot, and (d) the Single-Family Residential Lots, respectively. Annual Installments are subject to adjustment in each Annual Service Plan Update.

2. The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll

and updated calculations of unpaid Assessments. Annual Costs of Operational and Maintenance Supplemental Services shall be allocated pro rata among Parcels for which the Assessments remain unpaid. Annual Installments shall be reduced by any credits applied under the Indenture, such as interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the Act.

3. Sales of Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the non-delinquent Annual Installments as they become due and payable.

4. Each Annual Installment of an Assessment shall be updated annually. Each Annual Installment shall be delinquent if not paid prior to February 1 of the following year.

SECTION VII: ASSESSMENT ROLL

The Assessments for the Commercial, Multi-Family, Undeveloped Lot, and Single-Family Residential Lots are shown on the Assessment Roll attached as **Exhibit F**. The Administrator shall prepare and submit to the City Council for review and approval proposed revisions to the Assessment Roll and Annual Installments as part of each Annual Service Plan Update.

SECTION VIII: ADDITIONAL PROVISIONS

A. **Calculation Errors.** An owner of Assessed Property claiming that an error has been made in calculating the Assessment Roll or Annual Installments must send written notice of the alleged error to the Administrator within 30 days after the date the Assessment Roll or Annual Installments were made available for public inspection with the City Secretary. If the owner fails to give such notice, the owner shall be deemed to have accepted the calculations and to have waived any objections. The Administrator shall meet with the owner alleging the error, consider evidence regarding the alleged error, and decide whether an error has been made.

1. If the Administrator determines that no error has occurred, the owner may appeal

the determination to the City Council within 30 days after notice of the determination is given to the owner. If the owner fails to appeal within such 30-day period, the owner shall be deemed to have accepted the determination of Administrator and to have waived any objections. If an appeal is timely taken, the City Council shall determine whether or not an error has occurred. If the City Council determines that an error has occurred, the Assessment Roll and Annual Installments shall be revised to correct the error.

2. If the Administrator determines that an error has occurred, notice of the error shall be given to the City Council, and the Administrator shall revise the Assessment Roll and Annual Installments accordingly.

3. Overpayments of Annual Installments shall reduce Annual Installments for following years as determined by the Administrator. Cash refunds shall not be allowed except in the final year that Annual Installments are collected. Except as provided in this Section, determinations by the Administrator shall be final and binding on the owner of the Assessed Property and on the successors and assigns of the owner. Determinations by the City Council shall be final and binding on the owner of the Assessed Property and on the successors and assigns of the owner.

B. Confirmation and Ratification of Proceedings. The City Council has approved, confirmed and ratified in all respects the prior actions taken by the City Council relating to the creation of the District, the approval of the original service and assessment plan, and the levy of assessments within the District as outlined in **Exhibit G**.

C. Amendments. Amendments to this Annual Service Plan Update must be made by the City Council in accordance with the Act. To the extent permitted by the Act, this Annual Service Plan Update may be amended without notice to owners of Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this Annual Service Plan Update.

D. Administration and Interpretation. The Administrator shall: (1) perform the obligations of the Administrator as set forth in this Annual Service Plan Update; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this Annual Service Plan Update. Interpretations of this Annual Service Plan Update by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

E. Severability. If any provision of this Annual Service Plan Update is determined by a court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.
