Update and discuss naming the new trail located in Pecan Park in memory of Mrs. Dorothy Skarnulis

STAFF REPRESENTATIVE:

Curtis Hancock, Public Works Director

BACKGROUND/HISTORY:

Dorothy Skarnulis was an amazing person that cared very much for the community of Bastrop. She co-founded Keep Bastrop County Beautiful, worked on the Bastrop County Child Welfare Board, served on the Bastrop Parks and Public Tree Advisory Board, was the driving force to Bastrop being designated Bird City Texas (one of only four in the state), named Woman of the Year by the Bastrop Chamber of Commerce in 2013, and was a certified Master Gardener. These are only a few of the many things that Mrs. Skarnulis did for the community. Her dedication, enthusiasm, and passion for all of these has made Bastrop a better place.

On July 26, 2020, Mrs. Skarnulis passed away after she lost her battle with cancer. She will be greatly missed by this community. Because of Dorothy's many contributions, The Bastrop Parks and Public Tree Advisory Board wanted to honor her in a way that her countless hours of community service will be remembered. At the September 3, 2020 meeting, the board unanimously voted to recommend to the Bastrop City Council that the new trail to be located in the new Pecan Park subdivision be named in memory of Mrs. Skarnulis.

At the October 13, 2020 City Council meeting, Council approved Resolution No. R-2020-106, naming the new trail located in Pecan Park after Mrs. Dorothy Sharnulis.

The business would be in a bus, and he would like to be in Fisherman's Park across from the new Skate Park. Mr. Walker will be selling skateboards and all related equipment.

We do have one vendor in Fisherman's Park currently and do allow mobile vendors in the park for special events. I believe this could be the start for developing area in the park for mobile vendors if approved.

What is the board opinion on allowing mobile vendors in the park?

Update and discuss Rodeo Arena

STAFF REPRESENTATIVE:

Curtis Hancock, Public Works Director

BACKGROUND/HISTORY:

During the August 17th budget workshop, Council Member Jackson mentioned safety concerns at the rodeo arena. The arena was inspected by the Public Works Department prior to the recent Homecoming festivities, and no safety concerns were noted. City Manager Paul Hofmann and I inspected the arena personally and see no safety issues. The box seats are old and weathered, and we should consider removing them completely and using portable folding chairs in that area of the arena for the annual Homecoming events,

In preparation for Homecoming 2021 the Public Works Department cleaned and prepped the concession stand, announcer's booth, and restrooms at Mayfest park for the event. Public Works staff also re-painted arena railing near the concession stand and around all box seating areas.
