

The City of Bastrop (Texas) Police Department and BadgeHire LLC have partnered to provide off-duty police services to the city and the public. These services allow the ease of requesting police officer coverage and management of those services for all involved. These services will be provided for any event of any size. Requests can be made in several ways as outlined below.

- Email bastropod@badg hires.com
- Call Toll Free - (888) 33-BADGE (332-2343)
 - Go to www.badg hires.com
- Complete the request for officer form (Bastrop TX)

BadgeHire management will communicate with you throughout your process. All officers are covered with full liability insurance and workers' compensation for your event. A BadgeHire representative is available to you anytime day or night. Invoices are completed and sent from BadgeHire and can be paid from the invoice platform or other means if requested. All officers are paid and scheduled through BadgeHire.

Note: Some events may require the assignment of supervisors and minimum numbers of personnel. These requirements are in association with the City of Bastrop permitting process or under the direction of the Bastrop Police Department.
