- (a) Are not presently debarred, suspended, proposed for debarment, in the process of being debarred, declared ineligible, or voluntarily excluded from conducting business with the federal department or agency of the federal government;
- (b) Have not, within a three-year period preceding this certification, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) contract or subcontract; violation of federal or state antitrust statutes relating to the submission of offers, or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; and
- (c) Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with the commission of any of the offenses enumerated in subdivision (a)(1)(i)(b) of this certification.

(ii) The prospective contractor has not, within a three-year period preceding this certification, had one or more contracts terminated for default or cause by any local, state or federal agency.

(2) "Principals," for the purposes of this certification, means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (i.e. general manager; plant manager; head of subsidiary, division, or business segment; and similar positions).

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the contract subject to prosecution under section 1001, title 18, United States Code.

- (b) The prospective contractor must provide immediate written notice to the City of Bastrop Engineering and Capital Project Management Department if, at any time, the prospective contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

If it is later determined that the prospective contractor knowingly rendered an erroneous certification, in addition to other remedies available to the City of Bastrop, the City of Bastrop may terminate the contract for cause.
- (d) Where the prospective contractor is unable to certify to any of the statements in this certification, the prospective contractor must attach an explanation to the proposal. The certification or explanation will be considered in connection with the determination whether the City of Bastrop will enter into a contract with the prospective contractor. However, failure of the prospective contractor to furnish a certification or an explanation will disqualify

the prospective contractor from participation in the transaction.

- (e) The prospective contractor agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion Transactions," without modification, in all transactions and solicitations for transactions covered under this proposal or contract. The knowledge and information of the prospective contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (g) Except for transactions authorized under paragraph (e) of this certification, if the prospective contractor knowingly enters into a transaction with a person or business entity who is suspended, debarred, ineligible, or voluntarily excluded from participation in business transaction with the City of Bastrop, the City of Bastrop may terminate the contract for cause.
