Lynda Humble, City Manager
MEETING DATE: April 11, 2017

AGENDA ITEM: 5A

TITLE: Discussion of Public Decorum Protocol

STAFF REPRESENTATIVE:
Lynda Humble, City Manager
Steve Adcock, Director of Public Safety

BACKGROUND/HISTORY:
The City Manager and Public Safety Director / Chief of Police are committed to ensuring that the Bastrop Police Department continues to accomplish its mission in a fair, professional, and consistent manner without becoming involved in the political process. Therefore, we would like to propose the following procedures in order to accomplish this goal:

City Council and Board Member Disruptions
When members of the City Council or other Board Members become engaged in heated discussions that could be construed as not following parliamentary procedures; it will be the responsibility of the Presiding Officer (Mayor or Board Chair) to restore order to the meeting. In the event that order cannot be immediately restored, the Presiding Officer should call for a recess. When the recess is called, a sufficient number of the City Council or Board Members should depart the room so that a quorum is no longer present. Information Technology personnel will ensure that the microphones and audio for the television channel are turned off. The Presiding Officer will determine what action to take and will resume the meeting, when appropriate. Law enforcement personnel will not become involved unless a crime (i.e. assault, terroristic threat, etc.) is committed.

Audience Disruptions
If a member of the audience (gallery) becomes disruptive, the Presiding Officer will inform that person that their conduct is not permissible and to cease. If that person receives a second warning, the Chief of Police or his/her designee will position themselves in proximity to that person. On the third warning (when appropriate), the Presiding Officer will inform the person that their actions are disrupting this lawful meeting and they must depart immediately. The Chief of Police or his/her designee will escort the person out of the chambers and off of City property. In the event the person does not leave the chambers, the person will be subjected to arrest under Section 42.05 of the Texas Penal Code (TPC). The person will be subject to arrest under Section 30.05 TPC if the person does not leave the property. In the event the same person comes to a subsequent meeting and disrupts that meeting to the point they are requested to leave again, a criminal trespass warning can be issued.
It should be noted that case law has determined that only using profane language in a public place does not rise to the level of Disorderly Conduct as defined in Section 42.01 TPC. The utterance of this language should rise to the level that a fight is imminent.

**POLICY EXPLANATION:**
Staff is seeking feedback and consensus on this Public Decorum Protocol.

**FUNDING SOURCE:**

**RECOMMENDATION:**
Staff is seeking feedback regarding the suggested Public Decorum Protocol. Once consensus is reached, staff will place a resolution on the next agenda to formally adopt this Public Decorum Protocol. Upon approval, it will be shared with all City Boards, Committees, and Commissions.

- Board, Committee, and Commission attendance sheets.
Article 1.04 - Boards, Committees and Commissions, Sec. 1.04.001 (d) of the City of Bastrop Code states "(d) The City Manager shall provide an attendance report of all boards at the first Council meeting held in April of each year. The City Council having determined that there exist six hundred (600) inhabitants or more within the city, and having adopted this section by a two-thirds (2/3) vote of the Council, the City Secretary is hereby directed to file notice of said adoption with the county clerk as the law provides. (b) Uniform advisory bodies’ attendance requirements. City Manager Lynda Humble stated that Judge Dugan was unable to attend the Council meeting, but sends his apologies. Judge Dugan asked the City Manager to ask Council to consider a discussion in a future workshop regarding potential changes to the Ethics Ordinance.

City Manager Lynda Humble, the liaison for the Ethics Commission, read into record two letters submitted by Judge Dugan, Chair for the Ethics Commission of the City of Bastrop.

Council Member Jones read her statement as follows. “Bastrop is a community in transition and change in this region is inevitable. I was elected to be an agent of change, someone who can guide growth and modernization, while preserving what is great about Bastrop. As expected, a few in this town favor the status quo at City Hall. They oppose my positions on policy and personnel matters, so they stoop to using our Ethics Code as a weapon. The complaint against me was a political ploy. I didn’t violate any rule. The complaint was severely defective and incomplete. The true victors throughout this process are the citizens of Bastrop.”

Council Member Schiff read his statement. (Exhibit A)

Mayor Kesselus recessed the meeting at 7:30 p.m.

Mayor Kesselus called the meeting back to order at 7:31 p.m.

EXHIBIT C

March 28, 2017

Statement of Council Member Gary Schiff regarding the recent Ethics Commission activities:

I learned at a young age that if you did not have something good to say about someone, you should not say it. So when I was asked by the Mayor if I wished to make a statement about the false charges made against me by Council Member McAnally, I declined the offer.

However, since then I have meditated on the situation and on a passage from the bible: Matthew 18:15. Paraphrased, it states that if a brother sins against you, you are to bring it to their individual attention and if they hear you, you have gained a brother. If he does not hear you, take it to him in the presence of two or three others. If he still does not hear, take it to the church.

I think this passage is very applicable here.

On October 11, 2016 when Council Member McAnally first brought her charge against me, I was devastated that she would do such a thing when surely she knew that I was authorized to do what I did. It wasn’t until months later after great anguish to me that I realized Ms. McAnally was absent at the Council executive session when I was encouraged by City Manager Marvin Townsend, with all other Council Members present, to discuss with the party to a City lawsuit, an architectural solution that I devised for settling that case.

When I realized that Ms. McAnally was not present at that executive session, I requested and received from the City Manager a sworn and notarized affidavit stating that I was encouraged during that executive session to help settle the case by talking to the parties involved in the lawsuit. On January 26, 2017 I sent the affidavit to Ms. McAnally, then a day later asked her if she would drop her complaint and she said “No.” I asked her why she would not drop her complaint and she said she was “still digging.” I wanted to but did not ask “digging for what?” when my evidence was so clear and irrefutable.

On March 7, after almost six weeks of more anguish and legal fees expended by me, Ms. McAnally finally sent me the following email:

Dear Gary,

As previously discussed with you on the telephone I have been collecting information and evaluating the situation surrounding your discussions with representatives of the Vandivers’ about which I made a complaint to the Ethics Commission. While I am still very unhappy about Councilmembers getting personally involved in City litigation, I accept the explanation that you were encouraged to do so by the City Manager and have withdrawn the complaint.

Kay

Let the public record state that I believe it was very unfair and unkind for Ms. McAnally to draw out this painful episode that was so clearly settled upon her receipt of the City Manager’s affidavit.

I also want to add that the filing of unfounded complaints against council members as a means of political retribution has become a favorite tool of those who could not prevail at the voting booth.
These actions result in public embarrassment to the entire Bastrop community and the attendant necessity of hiring lawyers has become a hurdle which will without a doubt deter many good candidates from serving this city.

Even though all complaints against me and Deborah Jones were dismissed by the ethics commission, I fear the public will remember only their filings, as announced by Ms. McAnally very inappropriately from the dais. In the future, I hope we can deter persons from using the ethics committee for political purposes by:

1. Encouraging complainers, before filing a complaint, to have open and honest discussions with any public official whom they feel has violated the ethics ordinance. This is especially applicable to Council Members who have a public responsibility for keeping order on the dais.

2. Enforcing the rules of decorum that state that Council Members not demean other Council Members from the dais.

3. Requiring complainers to be counselled as to the legal merits of their claims prior to filing. This counselling would not prevent complainers from filing anyway but would at least expose obvious flaws in their complaints before filing.

4. Requiring the Ethics Commission to act more expeditiously in resolving ethics cases so they are not tried and retried in the public forum to the detriment of innocent people. These simple cases took five months to resolve.

5. Drafting and enforcing meaningful sanctions against those who file unfounded complaints.

Minutes were approved on (Mon/Date/Year) by Council Member motion, Council Member second. The motion was approved on a vote.
TITLE:
Consider action to approve the second reading of Ordinance No. 2017-10 amending the budget for the Fiscal Year 2017 in accordance with existing statutory requirements; appropriating the various amounts herein; repealing all prior ordinances and actions in conflict herewith; and providing for an effective date.

STAFF REPRESENTATIVE:
Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:
Ordinance No. 2017-10 was approved on its first reading by City Council at the March 28, 2017 meeting. As approved by motion on March 28th, this ordinance is on the agenda to be read a second time for final consideration in order to comply with the City’s Charter requirements.

POLICY EXPLANATION:
The city charter requires that when the budget is amended that the amendment be by ordinance. The budget amendments do, in some funds, increase the budget appropriations for Fiscal Year 2017. Funds included in these amendments are detailed below:

- **General Fund** includes:
  1. The original budget had an error on the number of hours budgeted for the HR assistant. This fixes the budgeted amount in that department.

- **Debt Service Fund**:
  1. Budget to use excess fund balance for a cash contribution to the 2017 GO Refunding.

- **Vehicle/Equipment Replacement Fund** includes:
  1. BP&L had in their budget a transfer to the Vehicle & Equipment Replacement Fund, increasing available funds to purchase a new bucket truck. This budget transfer just reflects the transfer from BP&L and increases the capital budget by the same.

- **Water/Wastewater Fund** includes:
  1. Offsetting revenue received for costs associated with extending the water line on Buttonwood.
  2. Using available fund balance to cover the cost of burying the power lines over the wells at Bob Bryant Park which will put the City back into compliance for Texas Parks & Wildlife grants in the future.
  3. Need the amount of the Hazard Mitigation Grant Program match budgeted that will provide a generator for the Gills Branch Lift station.

TITLE:
Consider action to approve the second reading of Resolution No. R-2017-12 of the City Council of the City of Bastrop, TX approving a project to conduct a comprehensive drainage study of the Pine Forest Unit 6 Subdivision using funds provided by the Bastrop Economic Development Corporation in an amount exceeding $10,000 in accordance to Section 505.158(b) of the Local Government Code.

STAFF REPRESENTATIVE:
Shawn Kirkpatrick, Executive Director
Bastrop Economic Development Corporation

BACKGROUND/HISTORY:
The EDC Board approved a Resolution on February 27, 2017, making certain findings regarding eligible expenditures of the Corporation. Those findings document that the funding for a Comprehensive Drainage Study of the Pine Forest Unit 6 Subdivision is an eligible expense of the Corporation under Texas Local Government Code Sections 505.152, 505.153, and 505.158. As such, the expenditure is above $10,000 and requires two readings of a Resolution of the Governing Body.

The EDC published the required Public Hearing in the Bastrop Advertiser on February 25, 2017. Texas Local Government Code for Type B projects includes a provision for a 60-day window from the date of posting to funding. The earliest possible funding date is April 27, 2017, or the 61st calendar day.

The first reading of the Resolution was approved at the March 28, 2017 Council meeting.

The EDC Board will be asked to take additional action at its regularly scheduled meeting on April 17, 2017, to fund the project with 2013 Certificate of Obligation funds. Should the Board not elect to use 2013 CO funds, it will be necessary for the EDC to pass a budget amendment for FY 2016-2017. An EDC budget amendment would require an additional two readings of a separate Resolution by the City Council, delaying the funding date until May 24, 2017.

POLICY EXPLANATION:
Sec. 505.158, PROJECTS RELATED TO BUSINESS DEVELOPMENT IN CERTAIN SMALL MUNICIPALITIES, of the Local Government Code states:

(a) For a Type B corporation authorized to be created by a municipality with a population of 20,000 or less, "project" also includes the land, buildings, equipment, facilities,
expenditures, targeted infrastructure, and improvements found by the corporation's board of directors to promote new or expanded business development.

(b) A Type B corporation may not undertake a project authorized by this section that requires an expenditure of more than $10,000 until the governing body of the corporation's authorizing municipality adopts a resolution authorizing the project after giving the resolution at least two separate readings.

FUNDING SOURCE:
Bastrop Economic Development Corporation will fund this project with 2013 Certificate of Obligations Funds, which will require additional action scheduled for consideration at its April 17, 2017 regularly scheduled meeting.

RECOMMENDATION:
Consider action to approve the second reading of Resolution No. R-2017-12 of the City Council of the City of Bastrop, TX approving a project to conduct a comprehensive drainage study of the Pine Forest Unit 6 Subdivision using funds provided by the Bastrop Economic Development Corporation in an amount exceeding $10,000 in accordance to Section 505.158(b) of the Local Government Code.

A RESOLUTION OF THE CITY COUNCIL OF CITY OF BASTROP, TEXAS, APPROVING A PROJECT TO CONDUCT A COMPREHENSIVE DRAINAGE STUDY OF PINE FOREST UNIT 6 SUBDIVISION USING FUNDS PROVIDED BY THE BASTROP ECONOMIC DEVELOPMENT CORPORATION IN AN AMOUNT EXCEEDING $10,000 IN ACCORDANCE TO SECTION 505.158(b) OF THE LOCAL GOVERNMENT CODE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of the Bastrop Economic Development Corporation ("BEDC") met on February 27, 2017, and at that time took formal action to support and provide funds for various 4B projects; and

WHEREAS, Section 505.158(b) of the Local Government code, a/k/a the Texas Economic Development Act, mandates that prior to the BEDC funding a project that does not directly create primary jobs, involving an expenditure by the BEDC of more than $10,000, per project, the City Council shall adopt a Resolution authorizing the project, which Resolution shall be read by the City Council, on two separate occasions; and

WHEREAS, the Pine Forest Unit 6 Subdivision ("Subdivision") in the City of Bastrop ("City") platted in 1979 contains 6.25 miles of existing creeks and associated floodplains and floodways; and,

WHEREAS, the Subdivision has historically experienced extensive and repeated flooding rendering a vast number of the lots unbuildable as the Subdivision currently exists; and,

WHEREAS, due to the current condition of the Subdivision as it relates to the pervasive flooding, approximately 60% of the lots have defaulted on taxes and have been acquired by the taxing entities; and,

WHEREAS, it is in the best interest of the taxing entities and the Corporation for the defaulted lots to be developable for their highest and best use; and,

WHEREAS, the City's Comprehensive Plan encourages subdivisions where there is residential, parks and green space, and compatible commercial development in a cohesive pattern; and,

WHEREAS, the Bastrop area is experiencing growth that has outpaced available and affordable housing; and,

WHEREAS, a comprehensive drainage study of the Subdivision is needed before any redevelopment can occur; and,
WHEREAS, the Texas Local Government Code Chapter Section 505.152 authorizes the expenditure of Corporation funds for a project that the board of directors of the Economic Development Corporation determines to be required or suitable for use for parks and park facilities, open space improvements, and related roads, streets, and water and sewer facilities, and other related improvements that enhance any of the items described by this section; and,

WHEREAS, the Texas Local Government Code Chapter Section 505.153 authorizes expenditure of Corporation funds for a project that the board of directors of the Economic Development Corporation determines to be required or suitable for use for the promotion of development and expansion of affordable housing, as described by 42 U.S.C. Section 12745; and,

WHEREAS, the Texas Local Government Code Chapter Section 505.158 authorizes a Corporation created by a municipality of 20,000 or less to fund a project that includes the land, buildings, equipment, facilities, expenditures, targeted infrastructure, and improvements found by the corporation’s board of directors to promote new or expanded business development; and,

WHEREAS, it is hereby officially found and determined that the meeting at which this Resolution was passed was open to the public, and public notice of the time, place and purpose at which it was read was given in accordance with Chapter 551, Texas Government Code; and,

WHEREAS, the City has reviewed the February 27, 2017, actions of the Bastrop EDC related to the project noted herein, has considered and evaluated that project, and has found it meritorious of the Council’s approval.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS:

Section 1: Findings and Determination

a. The Council hereby finds and determines that it is in the best interest of the Corporation to make funding available to the City for reimbursement of costs incurred for the completion of a comprehensive drainage study in an amount not to exceed $75,100.00.

b. The Council hereby finds and determines that Texas Local Government Code Chapter Section 505.152 authorizes the expenditure of Corporation funds for this study because the City agrees that 15% of the lots owned by the taxing entities shall be dedicated for use as parks and park facilities or open space improvements.

c. The Council hereby finds and determines that Texas Local Government Code Chapter Section 505.153 authorizes expenditure of Corporation funds for this
project because the City agrees that some of the lots owned by taxing entities shall be reserved for use for the promotion of development and expansion of affordable housing, as described by 42 U.S.C. Section 12745.

d. The Council hereby finds and determines that drainage improvements, including a comprehensive drainage study, constitute an expenditure for targeted infrastructure that will promote new or expanded business development.

**Section 2. Authorization of expenditure**

(1) The City Council of the City of Bastrop, Texas, hereby approves the following project, which had been approved for funding by the Bastrop EDC:

   a. To fund a project (a Comprehensive Drainage Study of the Pine Forest Unit 6 Subdivision) in an amount not to exceed $75,100.00.

(2) The City Manager is hereby authorized to convey a copy of this Resolution of approval, as appropriate.

(3) That this Resolution shall take effect immediately from and after its passage, and is accordingly so resolved.

MEETING DATE: April 11, 2017

AGENDA ITEM: 9B

TITLE:
Consider action to approve Resolution No. R-2017-16 of the City Council of the City of Bastrop, TX authorizing the City Manager to execute agreements allowing certain improvements within the public right-of-way.

STAFF REPRESENTATIVE:
Wesley Brandon, Director of Planning & Engineering

BACKGROUND/HISTORY:
The City, in the exercise of its governmental functions, has priority over all uses of the public right-of-way. It also has the authority to allow improvements within the right-of-way. Typically, this authority takes the form of license agreements that define the rights, obligations, and responsibilities of each party. These agreements are routinely needed when improvements such as buildings, parking areas, and utilities are proposed by abutting property owners.

Some examples of these improvements are:
- An existing building that encroaches in the right-of-way and needs improvement;
- Proposed parking areas that would be paved inside a public utility easement; and
- Existing or proposed signage located within an easement or right-of-way.

This resolution would provide an expeditious process for the City to consider each request on a case-by-case basis, and allow the City Manager to execute a license agreement. This license agreement would require the property owner to acknowledge and agree that the City continues to control the right-of-way, and any improvements must be removed if it is determined that the property is needed for another public purpose.

POLICY EXPLANATION:
This resolution, if approved, would authorize the City Manager to execute the necessary documents required to allow certain improvements within the right-of-way. It would also authorize the City Manager to determine the need and/or appropriateness of these agreements on a case-by-case basis.

MEETING DATE: April 11, 2017

AGENDA ITEM: 9C

TITLE:
Consider action to approve the first reading of Ordinance 2017-11 by the City of Bastrop, Texas, ("City") responding to the application of Centerpoint Energy Resources Corp., South Texas Division, to increase rates under the Gas Reliability Infrastructure Program; suspending the effective date of this rate application for forty-five days; authorizing the City to continue to participate in a coalition of cities known as the "Alliance of Centerpoint Municipalities;" determining that the meeting at which the ordinance was adopted complied with the Texas Open Meetings Act; making such other findings and provisions related to the subject; and providing for an effective date; and move to include on the April 25, 2017 agenda for a second reading.

STAFF REPRESENTATIVE: Lynda Humble, City Manager

BACKGROUND/HISTORY:
The City is a member of the Alliance of CenterPoint Municipalities (ACM). The ACM group was organized by a number of municipalities served by CenterPoint Energy Resources Corp., South Texas Division ("CenterPoint") and has been represented by the law firm of Herrera & Boyle, PLLC (through Mr. Alfred R. Herrera) to assist in reviewing applications to change rates submitted by CenterPoint.

POLICY EXPLANATION:

"GRIP" RATE APPLICATION
Under Section 104.301 of the Gas Utility Regulatory Act (GURA), a gas utility is allowed to request increases in its rates to recover a return on investments it makes between rate cases. This section of GURA is commonly referred to as the “GRIP” statute, that is, the “Gas Reliability Infrastructure Program.”

Under a decision by the Supreme Court of Texas, the Court concluded that a filing made under the GRIP statute permitted gas utilities the opportunity to recover return on capital expenditures made during the interim period between rate cases by applying for interim rate adjustment and that proceedings under the GRIP statute did not contemplate either adjudicative hearings or substantive review of utilities’ filings for interim rate adjustments. Instead, the Court concluded, the GRIP statute provides for a ministerial review of the utility’s filings to ensure compliance with the GRIP statute and the Railroad Commission’s rules, and that it is within the Railroad Commission’s authority to preclude cities from intervening and obtaining a hearing before the Railroad Commission.
CENTERPOINT’S “GRIP” APPLICATION

On or about March 30, 2017 CenterPoint Energy Resources Corp., South Texas Division ("CenterPoint") filed for an increase in gas utility rates under the Gas Reliability Infrastructure Program ("GRIP"). CenterPoint's application if approved by the Commission will result in an increase in the monthly customer charges as shown below:

In light of the Texas Supreme Court's opinion, the City's ability to review and effectuate a change in CenterPoint’s requested increase is limited. Nonetheless, to allow for a limited review of CenterPoint’s GRIP application, it is recommended that the City suspend CenterPoint’s proposed effective date of May 29, 2017 for forty-five days, so that the City may evaluate whether the data and calculations in CenterPoint's rate application are correctly done.

Therefore, ACM's Special Counsel, the law firm of Herrera & Boyle, PLLC (through Alfred R. Herrera) recommends that the City adopt an ordinance suspending CenterPoint's proposed effective date for 45 days. Assuming a proposed effective date of May 29, 2017 CenterPoint's proposed effective date is suspended until July 13, 2017.

WHEREAS, the City has a special responsibility to exercise due diligence with regard to rate increases of monopoly utilities who operate within its boundaries; and

WHEREAS, the application to increase rates by CenterPoint is complex; and

WHEREAS, it is necessary to suspend the effective date for the increase in rates for forty-five days, so that the City can assure itself that the data and calculations in CenterPoint’s rate application are correctly done and are in conformity with section 104.301 of the Gas Utility Regulatory Act; and

WHEREAS, the effective date proposed by CenterPoint is May 29, 2017 but a suspension by the City will mean that the rate increase cannot go into effect prior to July 13, 2017.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS THAT:

Section 1. That the statements and findings set out in the preamble to this ordinance are hereby in all things approved and adopted.

Section 2. The City suspends the requested effective date by CenterPoint for forty-five days pursuant to the authority granted the City under Section 104.301 of the Texas Utilities Code. Section 3. The City shall continue to act jointly with other cities that are part of a coalition of cities known as the Alliance of CenterPoint Municipalities (“ACM”).

Section 4. The City authorizes the law firm of Herrera & Boyle, PLLC, to act on its behalf in connection with CenterPoint’s application to increase rates.
Section 5. To the extent CenterPoint’s application to increase rates under section 104.301 of the Gas Utility Regulatory Act (GURA) is considered a ratemaking proceeding, CenterPoint is ordered to reimburse the City’s reasonable rate case expenses incurred in response to CenterPoint’s rate increase application within 30 days of receipt of invoices for such expenses to the extent allowed by law.

Section 6. A copy of this ordinance shall be sent to Mr. Thomas D. Stevens, Director of Regulatory Affairs, CenterPoint Energy, P.O. Box 2628, Houston, Texas 77252=2628; and to Mr. Alfred R. Herrera, Herrera & Boyle, PLLC, 816 Congress Ave., Suite 1250, Austin, Texas 78701.
