

SOLID WASTE AND RECYCLING SERVICES GUIDE

Welcome to Bastrop, TX!

Waste Connections is proudly partnered with City of Bastrop as your local solid waste and recycling service provider.

Collection Day

Please refer to the attached **City of Bastrop Trash and Recycling Map** for your scheduled collection day.

Collection Schedule

Please refer to the attached **Bastrop Residential Trash & Recycling Collection Schedule**.

- Trash will be collected weekly.
- Recycling will be collected every other week.

Please note: Dates in **blue are for trash collection only**; dates in **green are for trash AND recycling collection**. When recycling is collected, it will be collected on the same day as your trash.

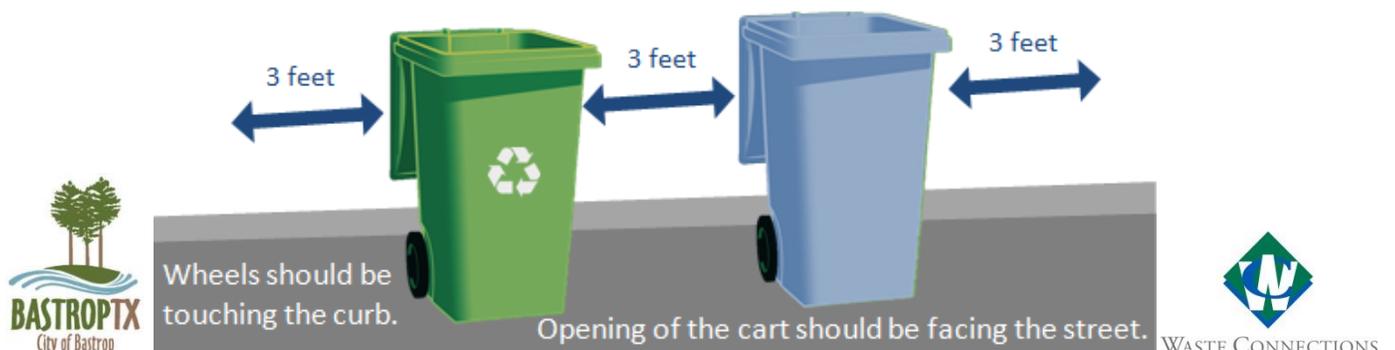

A date surrounded in a **red box** indicates that collection will occur on the following day because of a holiday.

Customer Service, Complaints and Questions

Please contact the City of Bastrop Utility Office at 512-332-8830.

Solid Waste & Recycle Cart Placement Instructions

Please place carts 3 feet from ANY obstacles such as other carts, vehicles, mailboxes, or fences.

Set-Out Guidelines

Bulky Items, Brush, Yard Waste, Construction Debris and Appliances

You may place yard trimmings in your **blue trash cart** or in bags or bundles at least 3 feet from your cart. All leaves and any cuttings or trimmings from trees, shrubs or lawns, and similar materials must be bagged. Small limbs should be securely tied together forming a package that may be easily handled, not to exceed 4 feet in length or 40 pounds in weight. Large brush or bulk items up to 4 cubic yards may also be placed at least 3 feet from your trash cart. As a reference, a cart is approximately 1/2 cubic yard in size. Of the 4 cubic yards, up to 1 cubic yard may be construction debris — wood, drywall and similar non-hazardous items. Please place clean brush separate from bulk items at the curb so that the clean brush can be collected separately and diverted from the landfill.

Used appliances such as washers, dryers, stoves, refrigerators and freezers may be placed at the curb for collection.

NOTE: Any appliance containing Freon or coolants **MUST** be tagged by a licensed technician to be free of any coolant.

Collection Times

Please place your carts at the curb for collection before 7 a.m. Collection will occur between the hours of 7 a.m. and 7 p.m.

Recycling Carts

- The green cart is for recycling.
- All recyclables must fit inside the cart.
- The figure below identifies acceptable single-stream recycling materials.

Trash Carts

- The blue cart is for trash.
- Please put your normal household trash items in the blue trash cart.
- Please **DO NOT** put medical waste, hazardous waste, explosives, flammable liquids, pesticides or dead animals in the trash cart or on the curb for collection.
