## Park Challenge 2016

### DO YOU DARE?

**Are you enjoying all of YOUR city's parks? Do you know where they are located?**

This challenge is to promote outdoor play, family time, and to boost knowledge of Bastrop's City Parks. The Park Challenge incorporates riddles, park scenery, & culture aspects that will engage participants to actively visit each park. By visiting each park, participants will be able to complete the challenge for a chance to win locally donated prizes!
