City Facilities
- City Facilities and buildings prepare for re-opening to public.
- All City Facilities will remain closed to public.

Public Meetings
- Non-Essential meetings of City Boards, Commissions, and Advisory groups conducted virtually or in-person with social distancing.
- No changes from Phase One.
- Special Events application process open for submittal.
- No Special Events permits issued without approval from City Manager and Emergency Management Coordinator.
- Convention Center is open for bookings and events with approval from City Manager and Emergency Management Coordinator. All Special Events and Convention Center bookings must submit a Health and Safety Plan with application.
- Library will continue curbside service and online programming.
- Library remains closed for normal use. Computer use allowed by appointment.
- Library will open to public with programming continuing online.
- Parks fully open with continued safety guidelines. Allow for park rentals.
- Municipal Court
  - Municipal Court lobby is closed. Telephone and online services available. Outside dropbox available for after-hour drop off.
  - No changes from Phase Two.

City Employee Impacts
- Employee working hours are determined by supervisors.
- Employees directed to not report to work if they are sick or show symptoms of illness.
- Virtual and telephone meetings are encouraged.
- Practice social distancing, greet without contact, wear a mask when unable to maintain 6 feet distance when in the presence of public.
- Supervisors will ensure supply of PPE and hand sanitizers are available.

City Safety Measures
- Install protective screens at public counter space. Add additional hand sanitizing stations throughout City facilities.
- Temperature taken when entering City Facilities. Clean and disinfect common areas and frequently touched surfaces.
- Phase one safety measures continued with the addition of Council Chambers safety guidelines. Practice social distancing, greet without contact, wear a mask when unable to maintain 6 feet distance. Encourage the use of mask until social distancing can be maintained. Hand sanitizing areas continued with attending public meetings.
- Limited occupancy of public meetings to maintain distances.
- No facility restrictions, but appropriate PPE and safety guidelines must be followed. Post CDC and City guidelines on all public entrances/exits.

Please note, public health guidance cannot anticipate every unique situation. Individuals should stay informed and take actions based on common sense and wise judgment that will protect health and support economic revitalization. This phased approach is subject to change as necessary based on current conditions and to follow Local, State, and Federal Guidelines.
