MEETING DATE: July 24, 2018 AGENDA ITEM: 4A

TITLE:

A proclamation of the City Council of the City of Bastrop, Texas recognizing the City of Bastrop as a Healthy Summer Meals for Kids Community.

STAFF REPRESENTATIVE:

Lynda Humble, City Manager

ATTACHMENTS:

WHEREAS, summertime should be about children enjoying all that Texas has to offer, from farm fresh foods to our state's natural beauty; and

WHEREAS, when school is out for summer, kids who count on eating meals at school might not otherwise have access to all the nutrition they need to be active and healthy; and

WHEREAS, one in four Texas children face food insecurity, and Summer Food Service Program meals provide an important source of good nutrition; and

WHEREAS, Summer Food Service Program meal sites also provide Texas children with a place to spend time with friends and stay active; and

WHEREAS, summer meals can help children stay healthy and prepare them to return to school ready to learn and thrive; and

WHEREAS, by promoting new meal sites through local partnerships and support from volunteers, and by helping to increase access to free Summer Meals Program locations through community outreach; and

WHEREAS, The City of Bastrop is committed to making sure no child goes hungry this summer.

NOW, THEREFORE, I, Connie Schroeder, Mayor of the City of Bastrop, do hereby recognize the City of Bastrop as a Healthy Summer Meals for Kids Community and call upon citizens and partner organizations to celebrate with appropriate ceremonies to acknowledge these efforts.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Official Seal of the City of Bastrop, Texas to be affixed this 24th day of July, 2018.

MEETING DATE: July 24, 2018 AGENDA ITEM: 6A

TITLE:

Receive monthly report from Visit Bastrop.

STAFF REPRESENTATIVE:

Sarah O'Brien, Hospitality & Downtown Department Director

BACKGROUND/HISTORY:

Per the management agreement with Visit Bastrop, a monthly presentation must be made to the City Council outlining its progress in implementing their annual Business Plan and meeting performance targets and the scope of services pursuant to that agreement.

Specifically Visit Bastrop shall work to:

- (1) attract leisure visitors to the City and its vicinity;
- (2) attract and secure meetings, events, retreats, and conventions to the City and its vicinity; and
- (3) serve as a liaison to local businesses (including hoteliers, restaurateurs, and other similar entities) and City departments to attract leisure and business visitors, meetings, events, retreats, and conventions to the City and its vicinity.

Visit Bastrop, shall also:

- (A) carry out the actions defined in the applicable annual Business Plan;
- (B) utilize research reports on economic trends, growth sectors, and regional competitive strengths and weaknesses, as is customary in the destination and marketing organization industry;
- (C) provide marketing and imaging campaigns for the City's tourism and convention industry;
- (D) inform and partner with the City regarding high-profile or significant recruitment/attraction efforts:
- (E) provide, in appropriate detail in accordance with the Tax Code, reports listing the Visit Bastrop's expenditures made with HOT, and Visit Bastrop's progress in performing the Services in conformance with implementation of the annual Business Plan; and
- (F) Provide expertise in destination management in conjunction with the City of Bastrop to leverage available resources such as community assets and activities to maximize opportunities to attract visitors to Bastrop, both leisure and business, recognizing the critical role tourism plays in Bastrop's economy, both in HOT and sales tax revenue.

POLICY EXPLANATION:

Visit Bastrop, a 501(c)6 organization, was engaged to provide Destination Marketing Services and provide brand marketing for Bastrop as a destination.

As outlined in the annual management agreement, the City and Visit Bastrop recognize the visitor industry as a key economic generator. Visit Bastrop's purpose is to provide "brand" marketing for Bastrop as a destination and to serve as the primary brand advocate. Visit Bastrop will also leverage utilization of existing facilities, while providing global oversight of Bastrop's visitor assets and activities. Visit Bastrop will also provide a level of unity and representation to maximize Bastrop's brand potential.

The Visit Bastrop Board of Directors meets monthly on the third Thursday at 8:30 a.m. and rotates meeting locations at different hospitality venues. August's meeting will be held August 16, 2018, 8:30 a.m. - 602 on Main, 919 Main Street, Bastrop.

City Council established that the Visit Bastrop Board of Directors include broad representation of community assets and identified those as Arts, History, Hotels, Restaurants, Sports, Outdoors, Recreation, Hyatt, Nightlife, Entertainment and Film in the Destination Services Management Agreement.

Per their management agreement, Visit Bastrop must present an approved business plan and annual budget to the City Council no later than September 1, 2018 for FY 2019.

FUNDING SOURCE:

Visit Bastrop receives approximately \$1.4 million dollars in Hotel Occupancy Tax annually from the City of Bastrop to provide destination marketing services and serve as the brand advocate for our community.

RECOMMENDATION:

Provide any direction or feedback to Visit Bastrop staff and their Board of Directors on the organization's progress in meeting the annual requirements outlined in the management agreement.

JUNE Website Engagement Metrics

While our site performed above the industry averages for most engagement metrics, the overall bounce rate on visitbastrop.com was a bit higher than the average. A review of top page with high bounce rates shows that users are engaging with the pages by spending time on them, but they are not visiting additional pages. For example, the Bastrop Patriotic Festival page had an 88% bounce rate but users spent an average of 5:10 minutes on the page. Similarly, the Small Meetings page had a 76% and users spent 6:33 minutes on the page and the Hyatt Events on Site page had a 72% bounce rate but users spent nearly 3 minutes on the page.

Action items to reduce bounce rate:

- Include internal links to website pages
- Link to pages while creating content

VISIT BASTROP Summary of Financial Information May 2018

Below is a summary of the current financial reports; the detailed financials are attached for your review.

Balance Sheet

Assets – Cash remains strong due to the balance of the interim contract with the City that was forwarded to Visit Bastrop's new operating account. Cash will decrease monthly until the 4th quarter City Contract revenue is received in July.

Total prepaid expenses of \$46,816 contain commercial insurance, conference deposits, advertising, website hosting and Destinations International membership dues and Event Impact Calculator. Conference deposits include a "prepaid package" with Connect in the amount of \$14,200 for two conferences later in 2018 and two in 2019, and registration for the Destinations International Annual Convention. A refund has been requested and processed from Destinations International for the Annual Convention registration fees that were paid for Shane, Kathie, and Christy. Other prepaid includes all Simpleview services, Sprout Social Inc. and Social Tables software.

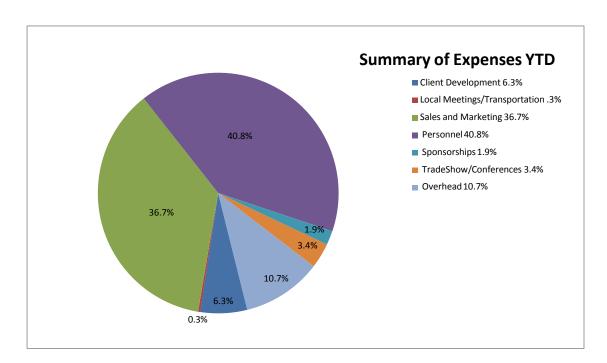

Liabilities – Current liabilities include outstanding vendor accounts payable as well as 1 day of accrued Salaries and Wages.

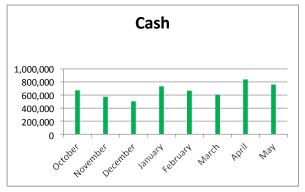

Association, Year to Date Statement of Activities

Revenues – Total revenue consists solely from the City contract.

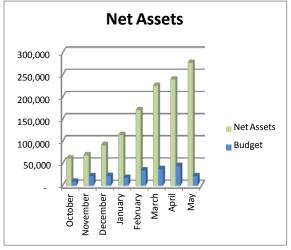

Expenses – Total expenses are at or below budget in almost all categories with Marketing/Advertising and Personnel costs still being the biggest expenses to date, however the percentage gap is closing as we are progressing through the first year activities. Recruitment expenses include \$10,000 paid to Searchwide as a first installment in the search for a new CEO. Software expenses consist of Sprout Social and Social Tables software, after the decision was made to move Simpleview costs to Marketing/Advertising.

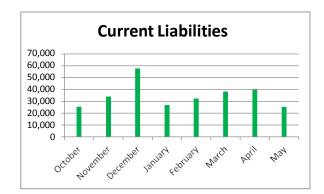

Change in Net Assets – Through May, Visit Bastrop is showing a positive net change in assets of \$276,888, which is \$255,750 above the budgeted amount of \$21,138.

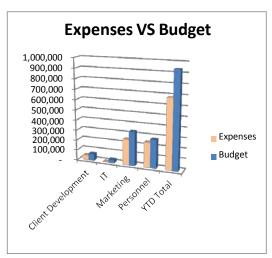

Note: City Contract payments received at the beginning of each quarter

VISIT BASTROP
Summary of Financial Information
May 2018

Below is a summary of the current financial reports; the detailed financials are attached for your review.

Balance Sheet

Assets – Cash remains strong due to the balance of the interim contract with the City that was forwarded to Visit Bastrop's new operating account. Cash will decrease monthly until the 4th quarter City Contract revenue is received in July.

Total prepaid expenses of \$46,816 contain commercial insurance, conference deposits, advertising, website hosting and Destinations International membership dues and Event Impact Calculator.

Conference deposits include a "prepaid package" with Connect in the amount of \$14,200 for two conferences later in 2018 and two in 2019, and registration for the Destinations International Annual Convention. A refund has been requested and processed from Destinations International for the Annual Convention registration fees that were paid for Shane, Kathie, and Christy. Other prepaid includes all Simpleview services, Sprout Social Inc. and Social Tables software.

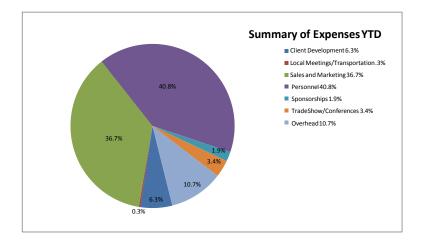

Liabilities – Current liabilities include outstanding vendor accounts payable as well as 1 day of accrued Salaries and Wages.

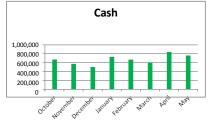

Association, Year to Date Statement of Activities

Revenues – Total revenue consists solely from the City contract.

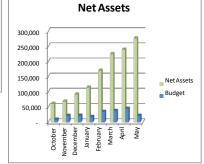

Expenses – Total expenses are at or below budget in almost all categories with Marketing/Advertising and Personnel costs still being the biggest expenses to date, however the percentage gap is closing as we are progressing through the first year activities. Recruitment expenses include \$10,000 paid to Searchwide as a first installment in the search for a new CEO. Software expenses consist of Sprout Social and Social Tables software, after the decision was made to move Simpleview costs to Marketing/Advertising.

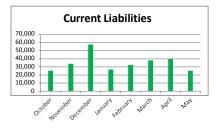

Change in Net Assets – Through May, Visit Bastrop is showing a positive net change in assets of \$276,888, which is \$255,750 above the budgeted amount of \$21,138.

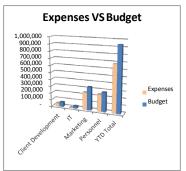

Note: City Contract payments received at the beginning of each quarter

¹ Operating Cash = Cash/Daily Expenses. Indicates how many days a company can survive without additional cash.

Balance Sheet Ratios 4 6/7/2018 1:27 PM

² Current Ratio = Current Assets/Current Liabilities. Measures a company's ability to repay short term debts with short term assets. A ratio between 1 and 2 is ideal, with a high number indicating greater ability to repay short term debt.

³ Leverage = Long Term Liabilities/Total Net Assets. Indicates how assets are financed.

A lower number indicates that assets are financed through savings/net assets while a higher number indicates that assets are financed through debt and puts the company at greater risk of default on its obligations.

Sales Tax is 42% of the total budgeted revenue for General Fund. The actual amounts for Oct. and Nov. are estimated due to the State Comptroller's two month lag in payment of these earned taxes. The actual is almost 5% greater than forecasted. Please note that May included a prior period adjustment of approx. \$72,000.

We budgeted revenue flat from FY17 to FY18 and in FY17 we were short reaching our budget. We were hopeful that we would be able to meet this budget amount in FY18 with increased tourism promotion. So far YTD we are breakeven forecast to actual. *The Hotel Tax revenue YTD is \$52,000 more than same time last year.*

STAFF REPORT

MEETING DATE: July 24, 2018 AGENDA ITEM: 6C

TITLE:

Receive presentation on the Quarterly Investment Report for the period ending June 30, 2018.

STAFF REPRESENTATIVE:

Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:

The Chief Financial Officer has been slow diversifying the funds available for investment to increase the rate of return we have seen in the past while safekeeping our principle. As you can see from this report, we have expanded our Certificates of Deposits, and purchased some agency funds, which are yielding a better rate of return than the investment pools.

POLICY EXPLANATION:

This reporting requirement is set forth by the Public Funds Investment Act, Texas Government Code, Chapter 2256 and is also a requirement of the City of Bastrop Financial Management Policies, Chapter VIII. ASSET MANAGEMENT, Section C. INVESTMENT PERFORMANCE, as adopted by Resolution R2017-75 on September 26, 2017.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

In our 30-plus year history, Austin Habitat for Humanity has completed critical repairs on more than 310 homes and built 435 new homes, making it the largest provider of affordable homeownership opportunities to low-income residents in Central Texas. Austin Habitat founded the nation's first ReStore in 1992, which has diverted over 23 million pounds of waste from landfills. Austin Habitat was awarded the title "Affiliate of Distinction" by Habitat for Humanity International for success in innovation, community development, and financial sustainability from 2013 to 2017, the duration of the program. In a country of more than 1,300 Habitat affiliates, Austin Habitat was one of only 23 Affiliates of Distinction and one of only five affiliates to receive the award three consecutive times.

The Home Repair Program began in 2006, providing exterior painting and light repair work. Realizing the needs of our communities to go beyond light exterior work, it has evolved into a critical repair program. Two full-time staff members manage the delivery of this program, and we utilize both subcontractors and volunteers to complete the work. The team is led by our VP of Construction, who has more than 10 years of residential construction experience, including experience working with two Habitat for Humanity affiliates.

Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens.

Since June 1, 2017, we have served one City of Bastrop family through our Affordable Homeownership Program, and we have identified a City of Bastrop resident to complete a critical repair by September 30, 2018. This client is still going through the approval process. In that same time we have served 10 families in Affordable Homeownership and 20 families in Home Repair. As such, 6% of our programs have been in service to Bastrop families.

Additionally since June 1, 2017, we have served one other family in Bastrop County through Affordable Homeownership and two other Bastrop County families through Home Repair.

PROGRAM SERVICES

Describe your program services.

The Home Repair Program provides critical home repairs to low-income homeowners at no-cost to help them remain in their homes. This allows us to preserve existing affordable housing stock instead of always needing to build it from the ground up.

To be eligible for the Home Repair Program, applicants must own and occupy their own homes, must earn less than 60% of the Median Family Income, and must be unable to complete the home repairs on their own. In addition, applicants must be willing to partner with Austin Habitat by participating in all aspects of the project's process, including performing repairs to the best of their abilities. After a home assessment is done, Austin Habitat prioritizes emergency and accessibility repairs, including installing smoke detectors, making accessibility modifications (installing ADA ramps, grab bars, and hand rails), replacing doors and windows, patching or replacing roofs, restoring structural integrity to the house, and replacing electrical and mechanical systems. As many repairs as possible are completed with the help of volunteer labor, while skilled repair projects are completed by qualified subcontractors. All Home Repair clients are also made aware of Austin Habitat's free foreclosure prevention and housing counseling classes, which are available to them as well.

How will the City of Bastrop funds be used?

City of Bastrop funds will be applied to the purchase of materials to complete 2 home repair projects for low-income homeowners in Bastrop. We will spend \$5,000 of the funding on each home. We will leverage other sources of support as much as possible, including in-kind donations, volunteer labor, and additional funding, to maximize our impact. Each client is extended to receive up to \$15,000 worth of repairs due to our leveraged resources.

How will the program services benefit the community?

The Home Repair Program works to keep low-income homeowners in safe, familiar, and sustainable surroundings. This contributes to neighborhood revitalization by breaking the cycle of poverty housing; preserving beautiful and historic neighborhoods; restoring safety within homes; and inspiring homeowners and volunteers. Many of our clients are elderly and/or disabled, and this program is often the difference between staying in their chosen homes and communities and transitioning to unwanted and unaffordable nursing homes and assisted living facilities.

The program is considered successful when the repairs completed allow existing low-income homeowners to continue living in their homes under better conditions. These repairs improve the comfort, safety, accessibility, energy efficiency, and affordability for our clients. Following the completion of repairs, Home Repair Program staff complete a home walk-through with clients to ensure they understand what repairs took place and are satisfied with the repairs.

In addition to the benefits on the clients, this program also benefits the community by preserving the existing affordable housing stock.

For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?

With the proposed funding, we anticipate serving 2 families or approximately 4 people. This translates as less than 1% of the current population, but by preserving Bastrop's existing affordable housing stock, this funding will benefit Bastrop citizens for generations to come.

In 2012, Austin Habitat made a commitment to expanding our service area to include Bastrop County. Including City of Bastrop repairs, Austin Habitat has completed seven home repair projects within Bastrop County since 2015. We are slated to complete another critical home repair project in the City of Bastrop by September 30, 2018. We have built six affordable homes in Bastrop County since 2016, three within the Bastrop city limits. Bastrop-area residents are becoming increasingly aware of our presence in their communities - we are receiving 15-20 inquiries to our Home Repair program from Bastrop County residents each month, many within the city limits of Bastrop. Keeping our commitment to serve our rural communities, Austin Habitat leverages your investment to complete more affordable housing projects in Bastrop. Austin Habitat respectfully requests up to a \$10,000 investment from the City of Bastrop to allow us to complete 2 more home repairs within the city limits in 2019 in order to meet demand.

How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.

Almost 200,000 adults age 65 years and older live in the 5-county Central Texas area (Bastrop, Caldwell, Hays, Travis, Williamson Counties) and make up nearly 10% of the total Central Texas population. This number is expected to increase to more than half a million by 2040, which will comprise nearly one-fifth of the Central Texas population (Texas State Data Center 2014). Of the five county area, Bastrop County has the highest percentage (13.4%) of older adult residents in their population. This population group is more likely to have fixed incomes and higher medical bills, which often leads to being economically disadvantaged. One quarter of all older adults living in Central Texas have incomes at or below 200% of the poverty threshold and likely experience some level of economic hardship (US Census Bureau 2015). For older adults remaining in an existing home, repairs or modifications (installation of grab bars, handrails, etc) can help create a safer living environment. For seniors with low-incomes, the inability to finance home repairs can be a significant challenge that threatens their safety and well-being.

To our knowledge, there are no other organizations providing critical home repairs in the City of Bastrop, as we have previously looked for organizations to which we could refer people who called us from Bastrop looking for assistance, but we would happily engage in a partnership to maximize our impact. Austin Habitat is an active member of the Bastrop Community Support Partners Facebook Group created by the City Manager and attends each quarterly meeting to look for potential partnerships in Bastrop.

REPORTING

How will you track the number of City of Bastrop citizens benefited by your organization's program services?

Austin Habitat maintains information on all of the individuals and families we serve. City of Bastrop residents will be easily in	dentifiable ir
our database based on client addresses.	

How will you evaluate if you were effective?

The first step in this process is to involve the homeowner and make sure that we are meeting their needs with the service that we provide. This feedback is taken into consideration when planning and executing home repairs for other clients. Additionally, all of our repairs come with a one-year warranty that allows us to ensure lasting results and high-quality work.

In 2016, as part of the Austin Housing Repair Coalition, Austin Habitat for Humanity integrated a national framework called the Green and Healthy Homes Initiative (www.greenandhealthyhomes.org) into our existing Home Repair program. This initiative allows us to provide more comprehensive home repairs focusing on 8 key elements of a green and healthy home. Our Home Repair program evaluation processes have recently been redesigned to incorporate this framework and include both qualitative and quantitative data. We fully implemented this new evaluation process in 2017, which includes conducting a pre- and post- survey with every Home Repair Program to evaluate the program's impact.

If you have done/currently doing these program services, describe the results you have experienced and statistics.

Austin Habitat is a founding and active member of the Austin Housing Repair Coalition (AHRC). We participate in city-wide evaluations that help us understand the impact of home repairs both on the family and the home. In 2012, AHRC released a report detailing the outcomes of the repairs. These outcomes included a 66% increase in respondents that felt safe in their homes and 67% of respondents with breathing/asthma issues before the repairs reporting improved breathing ability. 40% of the respondents reported an improved financial situation after the repairs, due to reduced utility bills, maintenance costs, and medical expenses.

In Austin Habitat's pre-survey conducted with a Bastrop client in early 2017, the client disagreed with the statements "I feel safe in my home in its present condition" and "I can safely have children visit or stay in my home in its present condition." With the help of City of Bastrop's investment, Austin Habitat replaced the deteriorated roofing and fascia, fixed electrical circuit to the dryer, made modifications to the tub/shower, installed a hood vent and exhaust fan, among other improvements. After Austin Habitat completed the critical repairs, the client strongly agreed with all the statements in the survey and said the repairs made her home warmer and safer.

The information contained herein and attached to this application is true and correct to the best of my knowledge. I hereby acknowledge that any funding received from the City of Bastrop must be expended as I have represented in this application and according to any requirements set by the City of Bastrop City Council and according the opinion of the City of Bastrop, to the program guidelines. I agree that if funds are not expended accordingly, in said funds will be returned to the City of Bastrop within ten (10) days from the date the City of Bastrop demands such.

Form 990 required: YES

Dear Taxpayer:

We issued you a determination letter in August 1985, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c) (3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

Describe the organization's purpose.

To advocate for the welfare of children in Bastrop County. Board members interpret the child welfare program to county residents by increasing public awareness. Citizens become involved through activities such as the observance of Child Abuse Prevention Month in April and other community awareness and informational events. The Child Welfare Board develops policies governing the allocation of board funds, acts as financial liaison between the Texas Department of Family and Protective Services (DFPS) and the county commissioners, represents the child welfare program to the community, and sponsors special events for foster parents and children served through Child Protective Services (CPS). The Child Welfare Board is authorized in Texas Family Code, Subsection 264.005.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 80-0714683. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you'to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for formal recognition of tax-exempt status, most organizations will need to complete either Form 1023, Application for Recognition Under Section 501(c)(3) of the Internal Revenue Code, or Form 1024, Application for Recognition of Exemption Under Section 501(a). Submit the completed form, all applicable attachments, and the required user fee to:

Internal Revenue Service PO Box 12192 Covington, KY 41012-0192

The Pension Protection Act of 2006 contains numerous changes to the tax law provisions affecting tax-exempt organizations, including an annual electronic notification requirement (Form 990-N) for organizations not required to file an annual information return (Form 990 or Form 990-EZ). Additionally, if you are required to file an annual information return, you may be required to file it electronically. Please refer to the Charities & Non-Profits page at www.irs.gov for the most current information on your filing requirements.

MISSION STATEMENT

The mission of the Bastrop County Child Welfare Board is to provide encouragement and monetary support to the children and families of Bastrop County under the auspices of the Texas Department of Family and Protective Services (DFPS), their foster parents, and the Child Protective Services (CPS) staff. The Board will initiate and maintain public awareness of the needs of these children among the local government entities, businesses, and the public at large. The Board will maintain awareness of local CPS activities and its effectiveness in securing the well being of these children.

BASTROP COUNTY CHILD WELFARE BOARD By Laws

Based upon statutory provision made by the State of Texas, Texas Family Code, §264.005 – County Child Welfare Boards, for the establishment of Child Welfare Boards, the bylaws hereinafter set forth are adopted for organization and functioning of the Bastrop County Child Welfare Board.

ARTICLE I

Name

This organization shall be known as the Bastrop County Child Welfare Board, refer to in the bylaws as the "Board". Furthermore, in the bylaws, County of Bastrop is referred to as the "County" and Texas Department of Family and Protective Services is referred to as the "Department" and the Department's staff as "CPS" an acronym for "Child Protective Services".

ARTICLE II

Purpose

The Board should keep in mind these four objectives toward which their service is directed:

- 1. To know the needs and to develop a program for the protection, care, health and well-being of all children with the focus being given to the neglected, delinquent and abused children of County.
- 2. To familiarize the citizens of the County with the needs of these children and the program of the Board.

- 3. To stimulate families, communities, and County toward the acceptance of the responsibility for adequate planning for children in need of assistance and services.
- 4. To encourage and promote in the County such activities as will benefit the children who are in need of these services and to perform such specific duties as the County, by Commissioner's Court action, or the State of Texas, by action of the Department, may require of this Board.

ARTICLE III

Administrative Procedure

The Board shall carry out its purpose through the professional staff appointed by and under the administration of the Department. The Board shall work directly with the CPS supervisor. All decisions concerning casework will remain entirely with the CPS supervisor and other members of the professional staff.

ARTICLE IV

Membership

The Board will consist of no less than seven (7) no more than fifteen (15) persons appointed by the Commissioners' Court. Members are encouraged to participate in all fundraisers and serve without compensation.

Ex-Officio Members

Ex-Officio members of the Board are the County Judge, District Attorney, District Judge, and County Court-at-Law Judge.

Terms

Each member will serve a three-year term on a rotating basis. Initially, the appointees will be designated to serve the following terms: 1/3 of the members appointed to three-year term; 1/3 of the members to a two-year term; and 1/3 of the members to a one-year term. In successive years, two (2) to five (5) new members will be appointed.

Vacancy

A vacancy may be filled as they occur by appointment of the Commissioners' Court. The person appointed shall assume the same status as to term of appointment of the vacating member.

Bastrop County Child Welfare Board

Removal

Members serve at the pleasure of the Commissioners' Court. However, the Board may ask any member to resign upon their failing to attend three (3) consecutive regular meetings without giving notification by phone or email to an officer of the Board.

- A. If a member fails to attend a regular meeting and does not contact an officer of the Board for three (3) times in one fiscal year, then they will automatically be dismissed of their duties as a board member.
- B. If a member is absent for any meeting, it is their responsibility to contact by phone or email an officer of the Board giving the reason for missing the meeting.
 - 1. Any member in attendance may ask the Chair to call for a vote to determine if the absent member's reason is an excused or unexcused absence. It will be voted on the day of the meeting.
 - 2. After three (3) unexcused absences in one fiscal year, the member is removed from all duties and responsibilities as a board member.

Texan Penal Code or Texas Controlled Substances Act Violations

Any member who is alleged to have committed an offense of abuse, neglect, or exploitation, or an offense against a person, an offense against a family, or an offense involving public indecency under the Texas Penal Code; or an offense under the Texas Controlled Substances Act, is removed from the Child Welfare Board.

The member may be reinstated if it is determined that the member did not commit such offenses. However, the Commissioners' Court is to notify the Texas Department of Family and Protective Services of its intent to do so ten (10) working days before reinstatement.

ARTICLE V

Fiscal Year

The fiscal year of the Board shall be the same as followed by the County of Bastrop.

ARTICLE VI

Audit

At the close of each fiscal year an audit of the financial affairs of the Board will be held and completed by a committee selected by the Board with the results of such audit to be

reported to the Board.

ARTICLE VII

Meetings

Meetings shall be held on a quarterly basis, in some suitable place, and at a suitable time as provided by the Board. Special meetings may be called at the discretion of the Chair and any Board member, after written notice stating time, place and purpose of the meeting. However, all meetings must be posted in accordance with the Texas Open Meetings Act.

Three Board members shall constitute a quorum for the transaction of all business, and actions taken by the Board shall be upon a majority vote of members present. The latest edition of Robert's <u>Rule of Order</u> shall govern parliamentary procedure of the Board.

Between meetings, three Board members may approve a transaction of a CPS funding request through email if it is an emergency and requested by a CPS supervisor.

ARTICLE VIII

Officers

The Board shall elect a Chair, Vice Chair, Secretary, and Treasurer at each December meeting. These officers will begin serving their term of office in January of the following year and end in December. The unexpired terms of office shall be filled by a vote of the membership.

- A. The Chair shall be the presiding officer of the Board. He/she shall perform all duties pertaining to his/her office and those additional duties delegated by the Board. He/she shall also be an ex-officio member of all committees appointed from the Board.
- B. The Vice-Chair of the Board shall perform the duties of Chair in case of the absence of the Chair. He/she shall perform all other duties delegated to him/her by the Board.
- C. The Secretary shall be the recording officer of the Board. He/she shall keep the minutes of the meetings of the Board and conduct the correspondence for the Board. He/she shall perform all other duties delegated to him/her by the Board.
- D. The Treasurer shall be the chief financial officer of the Board and chair the budget

Bastrop County Child Welfare Board

committee. The Treasurer shall receive all funds allocated, reimbursed or donated to the Board and disburse all expenditures approved by the Board. The Treasurer shall also perform all other duties delegated to him/her by the Board.

ARTICLE IX

Committees

The Chair appoints Board members to committees, as needed, to carry out the Board's objectives. There are four standing committees.

- A. Rainbow Room a Board member chairs this committee consisting of other Board members and volunteers in coordination with the CPS staff. This Committee maintains the Rainbow Room.
- B. Foster Children Birthday Cards and Gift Cards the Board Secretary chairs this committee consisting of other Board members in coordination with the Board Treasurer and CPS staff. This Committee mails birthday cards with gift cards to the foster children on a monthly basis.
- C. Budget the Board Treasurer chairs this committee consisting of other Board members. This Committee sets the budget for the fiscal year.
- D. Fundraising the Board Vice-Chair chairs this committee consisting of other Board members. This Committee finds opportunities in fundraising.
- E. Advisory Committee The Bastrop County Child Welfare Board appoints county residents in an advisory capacity to assist in promoting and achieving the Board goals and objectives. Advisory Committee members are non-voting members of the Board.

ARTICLE X

Responsibilities

Responsibilities of the Board shall be:

- A. To cooperate with the requirements established by the Department which determine policies regarding professional services, office management, and foster home care.
- B. To advise CPS on the welfare of children in the County and ensure its required reporting.

Bastrop County Child Welfare Board

- C. To cooperate with all local, state, and national agencies in coordinating and promulgating the community program for the welfare of children.
- D. Cooperating with CPS staff in:
 - 1. Developing local resources for child care.
 - 2. Interpreting to the community the program as it develops.
 - 3. Maintaining high standards of casework.
 - 4. Safeguarding the confidential status of all social records.
 - 5. Assuming responsibility to appear personally before the Commissioner's Court sessions as arranged by the Court and the Chair of the Board.

ARTICLE XI

Amendments to the Bylaws

Amendments shall be voted on by the Board at the next meeting after written notice has been submitted to each Board member. Two-thirds of the Board shall be required to amend the Bylaws.

Notes:

The children in subcare and their age and gender breakdown is by placement county prior to fiscal year 2009 and by legal county for fiscal year 2009 forward. The sum of all exit types may not match the sum of children exiting care (see Outcomes) because children exiting care includes adoptions consummated out-of-state. The sum of male and female counts may not match the count of children in each age group due to the possibility of undetermined gender. Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

The Bastrop County Emergency Food Pantry & Support Center (BCEFP) respectfully requests \$33,658.00 from the City of Bastrop to provide food, basic needs, and emergency assistance to the most impoverished and disadvantaged in our city. Your support will be actively used for programming, direct services, and operational support so we can provide for the disabled, homeless, and low-income families who need our assistance the most.

Last year more than 19,000 people across more than 10,000 households needed access to our services, and the demand is steadily rising. With more referrals than ever before, our team works tirelessly to provide healthy foods and resources to our community's most vulnerable. With an estimated 13.2% of our county being food insecure, according to Feeding America, many Americans are one job loss or medical crisis away from food insecurity -but some people including children and seniors may be at higher risk of hunger than others. These are our clients that we distribute food too.

The mission of the Bastrop County Emergency Food Pantry & Support Center is to serve Bastrop County residents going through periods of transition by providing Emergency Food Assistance, Education & Support.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

Bastrop County Emergency Food Pantry & Support Center Inc. has 31 years of experience in the fight against hunger and poverty. In 2017, BCEFP provided services to 10,804 households over 19,920 people in the County and distributed over 342,000 pounds of nutritious food.

We are a tool that this city's citizens depend on to come to their aide when food insecurity hovers at their doorstep. In 2017 our Executive Director Tresha Silva was named Hunger Hero 2017 by Central Texas Food Bank. Tresha and agency were recognized for leadership and their client-centered model and unique programming. Bastrop County Emergency Food Pantry is working with Texas Hunger Initiative to establish a coalition to work toward a "Hunger-Free Communities." Tresha Silva serves as the Co-Chair for that group, and part of the work has been to conduct a county-wide hunger assessment. The data would be used address areas where there may be a gap or a lack of services. Bastrop County Emergency Food Pantry has received a status of being a Healthy Pantry because of its focus on nutrition.

BCEFP prides its effort to provide healthier food choices to our clients. We are excited to announce that two of our staff members have been trained as Navigators for SNAP (food stamps) and other benefit application assistance. This allows us to help our clients apply for

700 attendees, and some people traveled as far as Katy Texas.	

Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens.

In 2017, an estimated 49% of our total organization's resources benefited the City of Bastrop and its citizens.

Each day, children and families throughout our city wonder where their next meal will come from. In the summers, when children can no longer access free lunches at school, the need for healthy foods is exceptional. With limited resources and little hope, families turn to cheap, fast-food options or go without. Many low-income residents in our community live in rural pockets, where access to grocery stores, Austin-based nonprofits, and other support services is incredibly limited. No child in Bastrop should wonder where their next meal will come from, and the Bastrop County Emergency Food Pantry is the largest community food bank exclusively serving Bastrop ensuring our community's most vulnerable receive the guidance, sustenance, and support they need.

BCEFP served emergency food assistance to 1,063 unique households and 2,830 individuals whose residence is the City of Bastrop. This represents 53% of all the households within Bastrop County towns and cities who received emergency food assistance from BCEFP during the year.

PROGRAM SERVICES

Describe your program services.

Our Emergency Food Assistance Program (EFAP) gives food to insecure individuals and families a 45 day supply of healthy diet made up from the USDA My Plate as this is the most current daily food recommendation. In addition to providing emergency food, BCEFP helps clients in need with referral information, counseling, system navigation, and financial literacy. Our Brown Bag and Open Arms Programs help low-income elderly citizens (Brown Bag Program) and children and adults who have physical or mental disabilities (Open Arms Program). Brown Bag and Open Arms members receive a monthly supplement of a nutritious bag of food. Members also gain access to healthy whole grain, protein and fresh produce three times a week through our Whole Grains distribution. Low-income citizens age 60 and older also receive an additional monthly box of food through the federal Department of Agriculture Commodity Supplemental Food Program.

Transportation to our senior program participants is provided weekly. Our Senior Education Program provides social, health, and nutritional activities and transportation twice a month to at-risk elder clients in our community. Our Stronger Families Today Program (SFT) provides financial education workshops, case management, and financial assistance to low-income individuals. SNAP application assistance is available to low-income individuals and families. Our Fresh Food for Families Program gives all Bastrop residents access

BCEFP will use the awarded funds to support the day to day operational cost for the following programs. Emergency Assistance, Brown Bag & Open Arms and Senior Education Programs.
Empowered with City of Bastrop Community Funds, BCEFP will expand access and availability of healthy foods and experience a measurable increase in availability of fresh produce to clients through extended hours, increased programming, and access to healthy foods.
How will the program services benefit the community?
Hunger is a serious issue in Bastrop County, 13.2 percent of the residents, live in households that are food insecure. Food insecure households lack access to enough food for a healthy and active lives. Those households face many challenges such as health issue like having at least one member that is battling high blood pressure or type two diabetes. BISD reported that more 73% of the children in the school district are eligible for free or reduced lunch through the federal school meal program. Children that live in food insecure households have a hard time focusing in the class room and cause them have substandard academic achievement. Our vulnerable low income seniors face the challenge of not having enough or the right amount of nutritious foods to take medications properly and this contributes to poor health. If the Bastrop County Emergency Food Pantry had to close its doors due to a lack of funding, those citizens who are under the poverty level, who are the working poor, or who are elderly and disabled, will go hungry. Our consumer are dependent on the Food Pantry and the services and programs we offer. We are taking healthy food and paring it with good programing to make the difference in the lives of others.
For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?
BCEFP estimates 45% of our total organizations resources benefit the City of Bastrop and its citizens.
How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.
Hunger is a serious issue in Bastrop County 13.2% of the residents do not know where their next meal will come from and 24.5% of our kids are hunger or facing hunger in our county. The Central Texas Food Bank distributed over a 1,000,000pounds of food to Bastrop County and Bastrop County Emergency Food Pantry & Support Center Inc. is one of the largest partners they have in Bastrop County. (Feeding America Hunger Study 2017). Our agency has ensured during tough times that people had a resource that could respond quickly and efficiently to their needs. Another feature that distinguishes our pantry is the frequency of access and availability and the volume of food served.
There is currently no resource like ours available in the City of Bastrop that can provide holistic approach to meeting their needs in a way that addresses the root issues.

BASTROP COUNTY EMERGENCY FOOD PANTRY AND SUPPORT CENTER, INC. NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2017 and 2016

NOTE 1: DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

Bastrop County Emergency Food Pantry and Support Center, Inc. (the "Organization") is a Texas nonprofit corporation established in 1987. The primary purpose of the organization is to provide emergency food and support services to people in need in Bastrop County.

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Organization believes it is no longer subject to examination by the IRS for years prior to 2014.

The Organization is supported primarily through federal and local grants and donor contributions.

Program Names & Descriptions: The Organization has the following programs in place:

Emergency Food and Assistance Program: Provides emergency food, counseling, referral information and utility bill payment assistance. The program also provides education, assistance with food stamp applications and completing other public assistance forms related to seniors. These services are designed to support and assist individuals and families to overcome a crisis of insufficient food items or the inability to pay utility bills. An applicant must be in crisis.

The Brown Bag Program: Assists low income elderly residents by providing them with nutritional supplemental foods and support service. The program also provides multiple educational opportunities, assistance with food stamp applications and completing other public assistance forms related to seniors. The program provides a number of transportations for the senior population and provides access to nutritious foods, access to health clinics and nutrition classes that promote healthy lifestyles for seniors. Applicants must be at least 60 years of age and classified as low-income (based on the Federal Guidelines).

The Open Arms Program: Assists low income persons with a disability or mental health condition with nutritional supplemental foods and support service. The program also provides education and assistance with food stamp applications and other public assistance forms. The applicant must be physically or mentally disabled and under the age of 60 and classified as low-income (based on Federal Guidelines).

Educational Workshops: Clients who need continued services are offered a series of workshops. These include managing personal resources efficiently, maintaining a healthy balanced diet, budgeting, meal planning, food safety and preparation, as well as home safety, senior "scams" safety and shopping tips.

Financial Classes: FDIC Money Smart Program is a curriculum of courses that cover Savings, Credit Card Debt, Credit Scores, Keeping Your Credit Safe, and How to Charge it Right.

Fresh Foods for Families Program: This program provides fresh fruits and vegetables once a month to any person living in Bastrop County, as well as information about nutrition and health.

NOTE 1: DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Summary of Significant Accounting Policies

Accounting Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Method of Accounting: The Organization uses the accrual basis method of accounting. Using this method of accounting, revenue and other support and any related accounts receivable are reported when funds are considered earned, regardless of when cash is received. Revenues received prior to being earned are reported as deferred revenue. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted for future periods or for specific purposes are considered temporarily restricted or permanently restricted and increases those net asset classes. Conditional promises to give are not reported until the condition is met. Expenses and accounts payable are reported when an obligation is incurred, regardless of when cash is disbursed. All expenses are reported as reductions in unrestricted net assets.

Net Assets Classes: The Organization reports the following net assets classes:

Permanently restricted net assets: The part of the net assets of a not-for-profit organization resulting from contributions whose use by an organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of an organization are considered permanently restricted net assets. An example of a permanently restricted net asset would be the donation of funds (or other assets) to an organization in which the donor imposed a restriction that the funds not be expended, but that the organization would be permitted to use or expend part or all of the income (or other economic benefit) derived from the donation.

Temporarily restricted net assets: Not-for-profit organizations receive contributions and other resources whose use is limited by stipulations that are more specific than the broad limits resulting from the nature and purpose of the organization and its programs. Resources (net assets) with such stipulations that either expire by passage of time or can be fulfilled by actions of an organization are reported as temporarily restricted net assets.

Unrestricted net assets: Resources not included in the above categories are considered unrestricted net assets. While these resources are reported as unrestricted, an organization manages them in compliance with its exempt purposes, Board of Director designations, legal requirements, and contractual obligations.

Cash and Cash Equivalents: Cash equivalents are considered cash in demand deposit accounts and certificates of deposit with original maturities of less than three months.

Receivables: Receivables consist of grants and promises to give. Receivables are considered past due based on how recently payments have been received. Past due accounts are reviewed by management periodically and if considered uncollectible, the accounts are charged off as bad debts. At year end 2017 and 2016, no accounts are considered past due and no allowance for doubtful accounts was considered necessary.

Inventories: Inventories consist of food and non-food items and are valued at the lower of cost or market on a first-in, first-out basis. Donated items are valued at \$0.15 per pound.

NOTE 1: DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Fair Value Measurements: Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Organizations measures and discloses fair value measurements in accordance with the following techniques.

- 1. Market approach uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. Prices may be indicated by pricing guides, sale transactions, market trades, or other sources;
- 2. Cost approach based on the amount that currently would be required to replace the service capacity of an asset (replacement cost); and
- 3. Income approach uses valuation techniques to convert future amounts to a single present amount based on current market expectations about the future amounts (includes present value techniques and option-pricing models). Net present value is an income approach where a stream of expected cash flows is discounted at an appropriate market interest rate.

Changes in fair value of financial instruments and unrealized gains or losses on financial instruments are reported in the statement of activities. Investment income and gains and losses on investments are reported as an increase or decrease in unrestricted net assets unless a donor or law temporarily or permanently restricts their use.

Fixed assets: It is the Organization's policy to capitalize property and equipment over \$250. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long these donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over a 30-year estimated useful life for buildings and a 7 to 10-year life for furniture and equipment.

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. During the year, the Organization did not adjust the carrying amount of any fixed assets.

Contributed Goods and Services: Contributed goods are recorded as noncash contributions at an estimated fair value based on the Organization's experience with similar goods. Contributed services are recorded as noncash contributions if, a) the services create or enhance non-financial assets or b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The value of the noncash contributions is considered an accounting estimate. The estimate may be adjusted as more current information becomes available and any adjustment could be significant.

Allocation of Costs: The Organization allocates common costs between program services, management and general, and fund raising expenses based on management's estimate of the costs related to each of the Organization's activities. The estimates are reviewed and adjusted periodically to reflect changes in the activities of the Organization. The allocation of costs reported in the financial statements is considered a significant accounting estimate. The estimate may be adjusted as more current information becomes available and any adjustment could be significant.

NOTE 1: DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Reclassifications: Certain prior year amounts have been reclassified in order to conform to the current year presentation.

Subsequent Events: Management has evaluated subsequent events through the date of the *Independent Auditor's Report*, which is the date the financial statements were available to be issued. No events have occurred from the statement of financial position date through that date that would require disclosure in the financial statements.

NOTE 2: FAIR VALUE MEASUREMENTS

Assets measured at fair values at December 31, 2017 are as follows.

				Fa	ir Value I	Measureme	nt

Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

Our request is to ensure that the Bastrop County Long Term Recovery Team remain operational to immediately and efficiently assist the citizens of Bastrop in the event of future weather events or disasters. It will also enable BCLTRT to continue to work with neighborhoods year-round to prepare for such incidents and lessen the impact of loss through educational workshops, safety trainings and disaster simulations.

Describe the organization's purpose.

The Mission of the Bastrop County Long Term Recovery Team is to assist low-income, uninsured and underinsured individuals and families with recovery from natural and man-made disasters. This mission is accomplished by having affected individuals and families work closely with a case manager to identify their unmet needs and to assist with obtaining the resources necessary to meet these needs.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

The Bastrop County Long Term Recovery Team was established after the 2011 Bastrop County Complex Fires. Since our inception we have responded to one additional wildfire and five floods and wind events. In the City of Bastrop in response to the 2017 Hurricane Harvey flood, BCLTRT is still actively working with families and have assisted over sixty families with referrals and funding for repairs so far. In the City of Bastrop between 2015-2016, BCLTRT allocated and spent \$38,915 to complete repairs on eleven projects. BCLTRT has also coordinated over 500 hours of volunteers for projects between 2015 and 2017. These volunteer hours when figured at \$25 per hour, based on FEMA recommendations, total over \$12,000 in savings to Bastrop families. These volunteers with their time and skills allowed Bastrop citizens to remain and return to their homes as quickly as possible. The repairs completed by these volunteers also guaranteed that affected residents continue living in Bastrop. In total BCLTRT has rebuilt/replaced145 homes and repaired over 60 homes for families with flood and wind damage. The Bastrop County Long Term Recovery Team has received numerous awards for the work it has done. Most recently BCLTRT received the Governors Community Leadership Award for Disaster Response for 2016. Because of our experience we are often called upon to assist other communities in developing their own long-term recovery groups.

Identify any in-kind services that you currently receive, or have received in the past from the City of Bastrop (include dates).
The Bastrop County Long Term Recovery Team received a usage waiver for the use of the Bastrop Convention Center on 9/4/2016.
Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens.
BCLTRT is still actively working with families affected by the floods caused by 2017 Hurricane Harvey. However, to date 11 percent of the families served by BCLTRT for Hurricane Harvey have been City of Bastrop citizens.

PROGRAM SERVICES

Describe your program services.

BCLTRT works to recruit and train citizens to assist during disasters and weather events. These individuals are responsible for working directly with BCLTRT to coordinate neighborhood damage assessments and gathering information about who needs shelter and clean-up assistance from volunteers. They also assist with preparing a neighborhood plan to assist families with vulnerabilities, such as families with children and individuals with disabilities.

This enables BCLTRT to begin pre-planning for the needs of these families and allows the organization to start scheduling long term volunteer assistance. The result is a more organized way of handling future events and less impact of loss for the families affected.

BCLTRT also works with City of Bastrop staff and officials to respond to individual family needs that arise throughout the year that may or may not be disaster related. BCLTRT staff also works with COB staff to create a city message regarding preparedness. We work with other disaster relief/recovery organizations that serve the City of Bastrop and its citizens.

Our main goal is to continue providing long term recovery for families affected by disasters and weather events that have been declared by our local, state and federal government. We will continue to achieve this by supplying resources to Bastrop families, organizing repairs/rebuilds and/or by making sure families are prepared for any future incidents.
The objective of this funding request is to create prepared neighborhoods through, community messaging, neighbor participation in planning, damage assessments, and volunteer coordination.
How will the program services benefit the community?
BCLTRT is on standby to respond to any local, state or federal disaster and assist our citizens with disaster recovery. During times when we are not actively responding to or assisting with recovery with disasters in Bastrop County, BCLTRT is working to make Bastrop County better prepared for future disasters.
For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?
In the past year 36 percent of our services were rendered within the city limits of Bastrop. Currently 11 percent of the City of Bastrop residents eligible for our program have received some type of assistance from BCLTRT. It is unknown for response to a disaster or weather event in the FY2019. However, our goal is to set up at least two neighborhood programs within the City of Bastrop with completed community preparedness plans.
How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.
Since our inception we have responded to two wildfires and five flood and wind events. The results of our assistance show homes being rebuilt, replaced, or repaired. We work with city, county, state and federal organizations. These entities provide us the information about the assistance needed in Bastrop and we respond according to our organizations policies. It has become imperative to keep programming in place and our communities be prepared.
At this time there are no other Bastrop organizations that provide the services that BCLTRT provides. There are organizations that operate at the time of a disaster or weather event, that offer specialized services. We have identified them and work closely with those groups. If in the future there are other organizations that begin providing community disaster services, BCLTRT will coordinate with them.

Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

The Family Crisis Center requests \$10,000 in funding from the City of Bastrop to help support services to individuals in Bastrop impacted by domestic or sexual violence. Programs and services provided by the Center include: community violence prevention programs for youth and adults; crisis intervention and advocacy; safety planning; emergency shelter; counseling; transitional housing; hospital and court accompaniment; assistance filing assault charges, seeking protective orders, and applying for Crime Victims' Compensation, and mandated violence intervention programs including a state-accredited Batterer's Intervention Program (BIPP) and the Protective Parenting program. The Center provides a continuum of care through its core victim service programs, which are aimed at creating sustainable change in the lives of individuals impacted by domestic violence and sexual assault.

Describe the organization's purpose.

The Bastrop County Women's Shelter, dba Family Crisis Center started in 1981 from a coalition of rural Texas women with a shared vision of offering hope, support, and assistance to women victimized by domestic violence. Since becoming an incorporated nonprofit in 1983, the Center has evolved into a community leader in rural Central Texas. The mission of the Family Crisis Center is to be the expert resource and service provider in eliminating domestic and sexual violence in Bastrop, Colorado, Fayette and Lee counties. The Center strives to provide comprehensive programs to assure victim safety and offender accountability with the ultimate goal of helping families create and maintain violence-free lives. The Center envisions a safe community built on equality without the existence of violence.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

The Family Crisis Center has maintained an emergency shelter program for victims of domestic and sexual violence since before the agency was incorporated in 1983. The first dedicated shelter facility was established for victims of domestic and sexual violence in 1989. The Center collaborated with Bastrop County on the first area Arrest Program grant project in 1999. The grant supported the development of the local Coordinated Community Response Team (CCRT). The Center completed an expansion of the emergency shelter and development of the transitional housing complex in 2001; the creation of a local Sexual Assault Integrated Nursing Team (SAINT) in 2005; and the construction of a new thrift store facility in 2006. In fiscal year 2017 the Center provided 890 individuals with crisis services; 6,820 nights of emergency shelter were provided for 190 adults and 138 children; transitional housing was provided for 33 adults and 34 children; and 122 individuals were provided with information about protective orders.
Identify any in-kind services that you currently receive, or have received in the past from the City of Bastrop (include dates).
The City of Bastrop has waived fees for the agency relating to various projects including construction of the agency's community thrift store in 2005; construction of the transitional housing apartment complex in 1999; and construction of the agency's direct service/administrative office in 1996.
Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens.
Approximately 21% of the total organization's purpose benefitted City of Bastrop citizens in fiscal year 2017.
PROGRAM SERVICES

Describe your program services.

Program services include crisis intervention services, emergency shelter, transitional housing, and individual and group counseling services. Crisis intervention services are accessible through the agency's 24-hour crisis hotline and include the coordination of emergency transportation, and resources for individuals in immediate crisis; housing assistance; case management and advocacy; assistance accessing other mainstream services; and legal advocacy. Emergency shelter services are available for up to 30 days, with extensions provided on a case-by-case basis, and transitional housing services are available for up to 24 months in the agency's 21-unit transitional housing apartment complex. Residential services also include transportation; life-skills training; case management; and emergency food and clothing. Counseling services incorporate various modalities including solution focused therapy, cognitive behavioral therapy, client-centered therapy, and psychodynamic therapy designed to foster self-confidence and to assist adult and youth clients to recognize their own resiliency.

How will the program services benefit the community?

By providing comprehensive victim services, the Family Crisis Center works to ensure victim safety, reduce the number of individuals who experience re-victimization, and empower survivors to move beyond crisis and develop new skills that will help them reach their goals. Crisis intervention services focus on victim safety and providing clients with support, information and options. Counseling services meet a critical need for individuals in rural communities to overcome the challenges resulting from violence. Emergency shelter services are a vital resource for individuals and families fleeing their homes due to domestic or sexual violence. Transitional housing provides families with the time and support necessary to begin rebuilding their lives free from violence. Additionally, agency staff provides Spanish-language services for underserved, immigrant clients including translation, advocacy, accompaniment, and counseling services.

For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?

In the last fiscal year, the Family Crisis Center served 336 individuals from the City of Bastrop who were impacted by domestic violence, sexual assault, and/or stalking. Services included assistance with food, clothing, and personal necessities, information regarding the protective order process, court accompaniment during protective order hearings and criminal court cases, emergency shelter, group counseling for survivors of domestic violence, and transitional housing. While these individuals represent approximately 4% of the population of the City of Bastrop, funding for victim service programs ultimately benefits the community as a whole. These programs provide information and support for victims as well as representatives of local service systems in order to increase reported incidents of domestic and sexual violence, support case investigation, and prosecution of offenders. These activities serve to strengthen the community's response to these forms of violence and to increase community safety.

How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.

In 2016, the following incidents were reported in Bastrop County: 662 incidents of family violence, including 2 fatalities as a result of family violence; 75 incidents of sexual assault; and 58 incidents of rape. The Family Crisis Center provides the only emergency shelter and transitional housing services in the City of Bastrop for victims of domestic and sexual violence. Last year, the Center sheltered 61 City of Bastrop citizens for 1,572 nights. The agency also coordinates and secures funding for the local Sexual Assault Nurse Examiners (SANE) Program, a collaborative initiative with Children's Advocacy Center that provides forensic medical examinations for victims of sexual assault. Additionally, the Center collaborates with other social service agencies and organizations, representatives of local government, the criminal justice system, and community groups and participates in several community initiatives aimed at increasing victim safety and maintaining offender accountability.

Our Letter Dated: July 10, 1984 Addendem Applies: No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(1).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(l) status a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(l) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

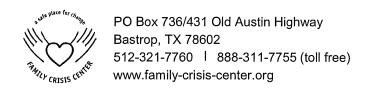

If you have any questions please contact the person whose name and telephone number are shown above.

Sincerely yours,

Gary O. Booth
District Director

Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

We are requesting funding so we can continue to expand our services in our community. BPRC has recently acquired land in Smithville that will allow us to build a third location as well as a women and children's home. This will be a program where moms can stay a minimum of one year. We will help them enroll in school and acquire employment. These clients will also be involved in our classes taught within the center and throughout our community. As BPRC continues to grow we would like to continue to expand the curriculum and programs offered. Our classes include prenatal, parenting, breastfeeding, childbirth, life skill, Bible studies and much more. We also teach an abstinence program at our physical locations, as well as our schools, Churches and community organizations. Last year we taught over 1,000 children within the school district. All of our services are free of charge. We want our community to become one where all of its people are self-sustaining and healthy. Our goal is to teach families to provide loving, nurturing, caring homes where children can lead by parents healthy examples.

Describe the organization's purpose.

Our purpose is to save the lives of the unborn and to prevent unwanted pregnancy through our abstinence based curriculum taught both within the center and throughout the community. In addition, we strive to promote healthy family development through our classes and programs. We provide pregnancy testing, non-medical sonograms, emergency housing, material assistance including clothing, cribs, carseats etc. In addition we provide a variety of classes and support groups. Our goal is to help not only women, but entire families to become self-sufficient and realize their self worth. We provide numerous on the job opportunities and have been blessed to watch our clients use the skills they learn to seek employment.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.
lyvnen we opened our doors in 2009 Bastrop County was number one in teenage pregnancy in the state of Texas. We can proudly say
our county is no longer in this statistic. We believe this number has dropped as a result of the classes and services provided by BRRC
This year alone we were able to teach our abstinence curriculum to over 1,0000 students in Bastron County, Hundreds of these students
made a commitment to abstain from sexual activity until marriage. We have been able to watch both male and female clients that have
attend our classes obtain employment, housing and become completely self sustaining. We have wonderful working relationships and
receive referrals from many local agencies. A few of these include Family Crisis Center, DHS, 211, CPS, Bastron Food Pantry and much
more. BPRC has been able to rescue 12 girls from sex trafficking and assist in several adoptions.

PROGRAM SERVICES
Describe your program services.
Ne provide pregnancy testing, clothing (size newborn to 5T), diapers, formula, babyfood, car seats etc. We also provide classes in
parenting, childbirth, preastreeding, life skills ,budgeting, nutrition, exercise, sexual and physical abuse, abortion recovery and Rible
studies. We provide housing and emergency lodging. We have recently acquired land in Smithville that will eventually provide housing.
for morns and children. Our abstinence programs W.A.I. and Worth the Wait are both taught at our physical location, schools and
hroughout the community. We want our youth understand they are special and the risks involved with sexual activity, drugs, partying etc.
These programs also discuss bullying, self-esteem, bounder setting and much more. All services are free of charge.
. Services are free of charge.

How will the City of Bastrop funds be used?
The funds will be used to further expand our resources and programs, including the following: more curriculum and copies of class material
more interaction with local schools
more availability to local agencies through providing more classes and workshops technology for use at schools and organizations to utilize various teaching programs
January Lands to Land High programs
How will the program services benefit the community?
Our services provide emotional support, food, clothing, housing and provide a healthior way of living. We attitude to the living the living to the living the living to th
families. This starts with working with our youth through adulthood. We help them set goals, learn to handle peer pressure and realize the meaning of a healthy relationship. The material items we provide help cloth and feed babies, children, expect5ant mothers and anyone else involved in their family.
For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?
Anyone who walks through our doors or contacts us are eligible for our services. 100% of of Bastrop can benefit from this funding.
How do you know those program comitees are used 12. A set
How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.
We know our services are needed in Bastrop county because of the statistics on poyothy single mathematical and the
us we have many more people to reach. We know by the number of clients that walk through our doors and their responses of how they could not have achieved their goals without us. The gratitude and stories they share remind us that there are still large numbers of beople to reach. The teen pregnancy statistics remind us there are still young people to reach, and the gratitude the youth express
when we work with them verifies this.
At this time there are no other entities that provide all the services we do.
We work with and refer to other agencies, such as Family Crisis Center, DHS, DPS, food pantries and churches for utility assistance and cood. These are meant to be short-term as our goal is for our clients to become self-sufficient.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

BASTROP PREGNANCY RESOURCE

Sincerely,

Robert Choi Director, Exempt Organizations Rulings and Agreements

FINANCE DEPARTMENT

Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

BGCAA is requesting support from the City of Bastrop for programming and staffing costs related to the operation of the BGCAA Teen Center at the Schulman Theater, at 1600 Chestnut Street in Bastrop, Texas. This center is a project of the Boys & Girls Clubs of the Austin Area, and offers young people a safe space to engage with caring adult mentors and to develop skills in our three core focus areas: Academic Success, Good Character & Citizenship, and Healthy Lifestyles. Academic Success programs enable youth to become proficient in basic educational disciplines, set goals, explore careers, prepare for employment or additional schooling, and embrace technology to achieve future success. Healthy Lifestyles programming develops young people's capacity to engage in positive behaviors that nurture their well-being, set personal health and nutrition goals, and engage young minds in the importance of active and healthy lives. Building Character & Leadership skills among our young members helps to empower them to support and influence their Club and community, sustain meaningful relationships with others, develop a positive self-image, participate in the democratic process, and respect their own and others' cultural identities.

Describe the organization's purpose.

BGCAA is dedicated to its mission to inspire and enable all young people, especially those who need us most, to realize their full potential as productive, responsible, and caring citizens. The vision of BGCAA is to become Central Texas' most effective, recognized, and vital out-of-school-time provider. Our priority outcome is to keep kids in school and ensure that they graduate on time, ready to attend college or trade school, or join the work force.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

Due to the successful implementation of a range of innovative, field-tested programs, we are a market leader uniquely positioned to have broad positive effect upon the region's youth. Aspects of our program that demonstrate our capacity, experience, and ability to positively impact the youth in our community include:

- Our organization currently serves over 2,000 kids a day, ages 6 to 18, at 33 locations throughout Travis and Bastrop counties, at schools, community centers, and public housing sites. Annually we engage with 12,000 young people and have a positive impact on over 8,000 registered members.
- Hispanic and African-American youth represent the two largest groups in our membership, at 65% and 20%, respectively.
- 81% of our members come from families who are economically-disadvantaged.
- Our Clubs are free or low-cost and are intentionally located in neighborhoods that are home to our targeted population of under-served youth, to make them accessible to communities where poverty runs high, and where many kids would, without the availability of our Clubs, be left alone unsupervised, unguided, and unsafe.

Identify any in-kind services that you currently receive, or have received in the past from the City of Bastrop (include dates).	
N/A	
Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens.	
Overall, our organization operates 33 sites for youth, with one in the City of Bastrop, but seven in Bastrop County, including Clubs	in
Elgin and Smithville. The percentage of our purpose that benefits the City of Bastrop is 3%, but 21% of our purpose benefits the County.	Ifi

PROGRAM SERVICES	
Describe your program services.	
The BGCAA Teen Center of the City of Bastrop will be open from 7pm -10pm for monthly teen nights. This will be a free program available to all 13-18 year old children in Bastrop. Through this teen program, young people will gain the skills they need to enter the workforce, successfully engage with other professionals, and achieve success in the working world. Recruitment for weekly teen	е
programs will take place through the monthly Teen Nights, resulting in a consistent teen program for all eligible youth. Program participants will develop leadership skills and gain opportunities for planning, decision-making, contributing to Club and community a celebrating our national heritage. In addition to these benefits, this program will also allow young people the opportunity to gather ar socialize in a safe, structured, and supervised environment staffed by caring, adult mentors.	

How will the City of Bastrop funds be used?
The funds will be used primarily for staffing expenses for the teen center, as well as for rewards and incentives for youth, programming costs, and general & administrative costs.
How will the program services benefit the community?
The National Institute on Out-of-School Time reports that quality after school programming, like the programs offered by Boys & Girls Clubs of the Austin Area, has been proven to positively affect attendance, test scores, and grade retention, especially for youth at risk of negative outcomes. It has also been proven to reduce gang influence, drug and alcohol abuse, pre-mature sexual activity, and juvenile crime. Through our proven-effective programs, we positively influence young people, and combat the negative outcomes that are associated with growing up in an economically-disadvantaged household.
For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?
Of the children ages 5-18 that are eligible for participation in BGCAA programming, over 4,000 of them are teen members, putting the total percentage of eligible participants at 30%.
How do you know these program services are needed? Are there other entities providing the same or similar services which are

available to City of Bastrop citizens? Will there be a coordination of services? Explain.

Approximately 60% of Bastrop ISD youth are determined to be at-risk of academic failure, and 64% are classified as economically disadvantaged youth. The impact of poverty on the long-term success of youth is striking. Currently, BISD college-ready graduates in English Language Arts and Math are lower than the state average, as are college and career ready graduates at 60.3% with the state average being 75.9%. The Annie E. Casey Foundation has found that children who read proficiently by the end of third grade are more likely to graduate from high school to be economically successful in adulthood, however 80% of low-income 4th graders are reading below grade level. Additionally, studies by the Afterschool Alliance have shown that the demand for after school programs in communities of color (Hispanic youth are the majority demographic of BISD) affected by poverty is higher (56%) than the national average. If these children are not provided with services that help them level the playing field and get support, they will remain in low-income neighborhoods and under-performing schools and will be given fewer opportunities and access to resources. Although there are other youth development organizations in the area, none offer the comprehensive programs offered by BGCAAA at a rate that is affordable for families who need us the most.

Dear Taxpaver:

This is in response to your request of Feb. 18, 2009, regarding your tax-exempt status.

Our records indicate that a determination letter was issued in October 1967, that recognized you as exempt from Federal income tax, and discloses that you are currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Michele M. Sullivar

Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

In 2017 there were 210 confirmed cases of child abuse and neglect in Bastrop County. Child abuse extorts and enormous toll on children, families and the citizens of Bastrop. The stress, trauma and persistent fear that occur at an early age from the result of child abuse leads to lifelong health, psychological, and behavioral consequences. Child Abuse and Neglect has been cited by the Centers for Disease Control and Prevention and the U.S. Department of Health and Human Services (HHS) as a priority health problem. HHS has called violence toward children a public health crisis. The CAC provides essential services for abused children, including: Forensic Interviews, Victim Advocacy, Crisis Counseling, Therapy, Crime Victims Compensation assistance, Court Accompaniment, and on-site SANE (Sexual Assault Nurse Examiners) exams. The Center also coordinates the MDT (multi-disciplinary team) of 24 different agencies who are involved in the investigation and prosecution of child abuse cases. Our request of \$9,000 will assist the Center in providing essential services for the year, and assist in maintaining our Federal and State funding by showing local government support.

Describe the organization's purpose.

5) List of all Board Members

The purpose of the Children's Advocacy Center (CAC) is to break the cycle of abuse for children in the community and assist them in beginning the restoration process. The CAC's mission is to partner with community agencies to provide intervention and therapeutic services to child abuse victims and their non-offending family members to minimize the impact of abuse. The CAC coordinates the county MDT that meets at our facility twice each month to review cases and offer needed input and resources that may help the families, ensuring that clients don't "fall between the cracks" because of the different agencies working on their cases. CAC also participates in numerous awareness events and training for the community to help recognize and report child abuse. We also offer child abuse prevention training and education.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

The Bastrop CAC is one of the "original 13" CAC's that began in Texas 26 years ago. There are now over 70 CACs throughout the state, which leads the nation in implementing this best practice model of responding to child abuse with a well-coordinated interagency approach. In 2017 we provided 340 Forensic Interviews of children and provided 2,982 hours of therapy for children and their non-offending family members. The CAC is a nationally accredited center and has been a leader in awareness and prevention training in schools and day cares, training personnel from bus drivers to principles. The CAC is governed by a volunteer Board of Directors that meets monthly to direct the policies and financial health of the agency. 100% of its members contribute financially to the Center at least once a year. The Agency is headed by an Executive Director with lengthy experience in child and family services. There are 10 staff members, 4 contract therapists, and therapy interns that work at the CAC. Each staff member is expected to go to training and attend peer reviews/meetings to keep up with best practices and trends in their field.

Identif\	anv	v in-kind	d services	that you	ı currently	receive, c	r have	received i	in the	past from	the City	v of Bastrop	(include	dates).

We haven't received in-kind services directly from the City, however, a majority of our volunteers are residents of the city of Bastrop.
We also receive in-kind support from Bastrop business and organizations such as the Bastrop Rotary Club, and Bluebonnet Electric.
The CAC staff and Board members are active in the community of Bastrop as well, maintaining membership in the Chamber of
Commerce, Rotary, Bastrop Education Foundation, Victim Services Network, local churches, sports teams, etc.

Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens.

In our Forensic Interviewing, Advocacy and Therapy programs, 24% of the total clients were City of Bastrop residents. While our purpose and focus is on the direct improvements in the lives of the children we serve, the broader community also benefits economically and socially as a result of stopping individual cases of abuse and setting the child and family on a path to healing. In addition to children served at the center, many awareness and outreach events take place within the City of Bastrop each year, including "We Sing for The Children". Speakers are available upon request to provide child abuse prevention information and recognizing and reporting training to service organizations, faith based organizations, and youth serving organizations within the City of Bastrop. Our MDT meetings are held semimonthly, and are attended by the Bastrop Police Department and several agencies that also work and provide services within the city limits. The CAC facility is located within the city limits, and city residents benefit from the local resources and referrals we can provide.

PROGRAM SERVICES

Describe your program services.

Forensic Interviews are performed by trained personnel who ask developmentally appropriate, non-leading questions and are trained to gather information that can be used in criminal trials. A forensic Interview is recorded so that a child doesn't have to be interviewed by several different agencies or at several different times. A primary goal of the CAC is to reduce the number of times that a child has to tell his/her story so we don't re traumatize the child and the interview results in a fair and accurate gathering of case information for any future court proceedings. Family Advocates provide crisis intervention, assistance with Crime Victims Compensation (CVC), sharing Victim Rights information, providing accompaniment to medical exams and court proceedings, as well as acting as liaison between victims and the judicial and/or law enforcement officials. The Clinical Therapy program offers counseling to children who are a victim of abuse, their siblings and their protective parent or guardian. The Clinical Director sets up services with contract therapists and interns on-site as well as gives referrals to outside therapists when we can't satisfy the client's needs here. The CAC's Therapy Program is child-centered and trauma based. We offer play therapy and family therapy, along with individual therapy. All services at the CAC are free and most are also available in the Spanish language. We have bilingual staff on site.

How will the City of Bastrop funds be used?

The City of Bastrop funding will be used for general operating expenses. It will help to support our work with City of Bastrop residents. \$9,000 will provide the additional help needed to continue operating our facility and programs that reach out to Bastrop residents, which make up the largest percentage of clients seen by the CAC.

In authorizing the creation of children's advocacy centers in Texas, the state legislature envisioned a partnership with state, federal and local governments partnering with local communities and community support to combat child abuse in each local jurisdiction. Our federal grant funding requires matching funds. As such, we are able to leverage the use of funding from the City of Bastrop. With \$9,000 in funding not only to serve Bastrop residents, but may also to be used as match, we are able to secure up to \$36,000 in federal grant funds. In addition to helping to support children who have been abused, these leveraged funds which come to our local center also help to support our local economy.

How will the program services benefit the community?

The CAC offers a child-friendly environment where children and their non-offending family members can receive services in response to the trauma of physical and sexual abuse. The Center does not duplicate services, as it is the only Children's Advocacy Center in the tri-county service area. The recorded Forensic Interviews are done for the benefit of all the enforcement and prosecuting agencies, so that the child doesn't have to retell their story. Before the CAC existed, children were forced to tell their story of abuse to over 5 different professionals in a variety of settings in an attempt to get all the details. This could be detrimental to a case, and could also re-traumatize the child by having to tell their story again and again.

The CAC exists in order to provide child victims of abuse a safe, child-friendly place to tell their story assisted by trained interviewers. This not only keeps the children from being re-traumatizing, but also helps to coordinate services and resources needed in the restoration process so that the family can move forward after such a devastating event. The Advocacy and Therapy services are in place because child abuse is so difficult for everyone involved. Our staff helps the family face the issues and work to support the child. Without our services, child abuse victims and their families would not have the opportunity to work through the devastating effects of the abuse, exacerbating the lifelong health, psychological, and behavioral consequences, which in turn, impacts the community as a whole.

For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?

The \$9,000 request is 1% of our annual budget. In 2017twenty-four percent of the children and families we served were from the City of Bastrop. This funding will be used to support our services for Bastrop residents. While it's hard to estimate an exact number, stopping abuse and beginning the healing process has a ripple effect throughout the community. In addition to the price paid by its victims, child abuse and neglect exacts a very high economic impact on the community. The estimated average lifetime cost per victim of nonfatal child maltreatment is \$210,012 including \$32,648 in childhood health care costs; \$10,530 in adult medical costs; \$144,360 in productivity losses; \$7,728 in child welfare costs; \$6,747 in criminal justice costs; and \$7,999 in special education costs (CDC, 2012). Abused children are: 6 Times more likely to commit suicide; 24 Times more likely to commit sexual assaults; 6 Times more likely to abuse their own children, perpetuating the cycle of violence; 25% more likely to experience teen pregnancy; 25% more likely to abuse drugs or alcohol; 59% more likely to be arrested as a juvenile; 28% more likely to be arrested as an adult; 30% more like to commit violent crime. The CAC is dedicated to stopping the abuse, beginning the healing process and reducing the cycle of abuse from generation to generation. We believe all citizens of the City of Bastrop benefit from this.

How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.

Child abuse is a crime committed against Bastrop's smallest residents, and the Children's Advocacy Center provides valuable services to these children as they reclaim their childhood. In 2017, CPS reported that there were 210 confirmed cases of child abuse and neglect in Bastrop County. This number does not reflect child abuse cases investigated by law enforcement only. In actuality, the number of child abuse cases is higher than the DFPS numbers. Because child abuse is still a taboo subject with some families, we need to continue working to educate and bring awareness to the issue of child abuse in Bastrop and our tri-county area. The CAC is the only Children's Advocacy Center in Bastrop, Lee and Fayette Counties, and all services are free of charge. Without our services, child abuse victims and their families would be forced to travel to Austin, San Marcos, or Bryan to receive similar services. The Family Crisis Center coordinates Sexual Assault Nurse Examinations (SANE) exams for adults who have been sexually abused and we handle the cases involving children. We use several of the same SANE nurses and report to each other the scheduled on-call coverage and stats. Our strongest coordination of services occurs during our MDT meeting where the law enforcement, prosecution and other professionals involved in child abuse cases review and update each case. This provides valuable information regarding the criminal, civil, and therapeutic aspects of these cases to all professionals involved, and also allows for appropriate services to be offered to our families. By sharing information, issues are identified and resolved more efficiently in order to assist families with their recovery journey.

Tracy Waldron Chief Financial Officer City of Bastrop 1311 Chestnut Street Bastrop, TX 78602

Dear Ms. Waldron,

Please accept the enclosed application and attachments for the funding opportunity through the City of Bastrop for fiscal year 2019.

We are respectfully requesting \$9,000 for this upcoming year. We are headquartered in the City of Bastrop and the need for our services in this community is significant and growing. Our model is built on partnerships and collaboration. Federal and State funding requires matching commitments from our community, and we hope to continue receiving generous support from the city.

Please do not hesitate to call me at 512-321-6161 if you have any questions or concerns.

Sincerely,

Terry Beattie

To the Board of Directors
The Children's Advocacy Center Serving Bastrop, Lee and Fayette Counties

I have audited the financial statements of The Children's Advocacy Center Serving Bastrop, Lee and Fayette Counties (the Center) for the year ended June 30, 2017, and have issued my report thereon dated September 29, 2017. Professional standards require that I provide you with the following information related to my audit.

My Responsibility under U.S. Generally Accepted Auditing Standards

As stated in my engagement letter my responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. My audit of the financial statements does not relieve you or management of your responsibilities.

Planned Scope and Timing of the Audit

I performed the audit according to the planned scope and timing previously communicated to you in our meeting about planning matters.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of my engagement letter, I will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Center are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. I noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Difficulties Encountered in Performing the Audit

I encountered no difficulties in dealing with management in performing and completing my audit.

Corrected and Uncorrected Misstatements

Professional standards require me to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to my satisfaction, that could be significant to the financial statements or the auditor's report. I am pleased to report that no such disagreements arose during the course of our audit.

Management Representations

I have requested certain representations from management that are included in the management representation letter dated September 29, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, my professional standards require the consulting accountant to check with me to determine that the consultant has all the relevant facts. To my knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

I generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditor. However, these discussions occurred in the normal course of our professional relationship and my response was not a condition to my retention.

This information is intended solely for the use of the Board of Directors and management of the Center and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Chidren's Advocacy Center Serving
Bastrop, Lee and Fayette Counties

I have audited the accompanying financial statements of The Childrens Advocacy Center Serving Bastrop, Lee and Fayette Counties (a nonprofit organization) which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to, express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Childrens Advocacy Center Serving Bastrop, Lee and Fayette Counties as of June 30, 2017, and the changes in its net assets and its cash flow for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Children's Advocacy Center Serving Bastrop, Lee and Fayette Counties Notes to Financial Statements June 30, 2017

Note 1 - Nature of Activities and Significant Accounting Policies

Nature of Activities

The Children's Advocacy Center Serving Bastrop, Lee and Fayette Counties (the Center) is a non-profit corporation whose mission is to help protect victims of child abuse from further trauma and to enhance the investigation and prosecution of child abuse cases through the collaborative efforts of the community. The Center operates in Bastrop, Lee and Fayette Counties in Texas. The Center is supported primarily through contributions, government contracts, and special events.

Donated Materials and Services

The Center reports donated materials and services received at fair value. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Center, but these services do not meet the criteria for recognition as contributed services.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

It is the Center's policy to capitalize property and equipment over \$1,000. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions. Property and equipment are depreciated using the straight-line and double declining method over the estimated useful lives, which is generally five to forty years.

Financial Statement Presentation

The Center is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by the statement, the Center does not use fund accounting.

The Children's Advocacy Center Serving Bastrop, Lee and Fayette Counties Notes to Financial Statements June 30, 2017

Note 1 - Nature of Activities and Significant Accounting Policies (continued)

Income Taxes

The Center is a not-for-profit Organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Center considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Concentration of Credit Risk

Financial instruments that potentially subject the Center to concentrations of credit risk consist principally of accounts receivable. Accounts receivable are due from several governmental units and have been 100% collectible to date.

Dear TAXPAYER:

This is in response to your Apr. 18, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(03) of the Internal Revenue Code in a determination letter issued in OCTOBER 1992.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

Combined Community Action, Inc. (CCA) is requesting \$6,000 in support for the Senior Nutrition "Meals on Wheels" Program. The Senior Nutrition Program is the only program in Bastrop that provides a hot noon meal 5 days a week to seniors. Our congregate site is located at the Settlement and clients can come to the center to eat, socialize, play games, etc. For our homebound clients, CCA has trained volunteers that deliver the meals to the seniors in the comfort of their own homes. Our caring volunteers are able to check on the clients for any physical or mental changes and report those changes back to the site manager who in turn can call the emergency contact for the client.

CCA is also requesting support for our Family Services Programs. We are requesting \$2,000 in support to assist families and individuals with rent or utility deposits. Many times there are individuals/families that fall between the cracks for our federally funded programs and need assistance just one time to get on their feet.

Describe the organization's purpose.

5) List of all Board Members

The purpose of CCA is to provide direct services to clients by working to stimulate the coordination of all resources that will enable low-income individuals and families of all ages to secure the opportunities needed for them to become fully self-sufficient.

The Senior Nutrition Program assist older person to remain at home and independent by providing meals 5 days a week. The Meals on Wheels Association of Texas reports that it cost taxpayers \$41,000 a year per person for nursing home assistance versus providing meals 5 days a week at a cost of less that \$1,625.00 a year.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

CCA has been providing services to residents of Bastrop for over 50 years. The Senior Nutrition Program is by far one of the most popular programs because we are helping one of the most vulnerable populations. Other programs provided by CCA include: Weatherization Assistance (5 homes weatherized), Case Management for At-Risk Children and Pregnant Women (currently working with 34 individuals), Utility Assistance (\$34,174.62 in assistance was paid on behalf of Bastrop residents to B P & L in 2017), Tenant Based Rental Assistance (currently assisting 5 individuals) and the Senior Nutrition Program (provided over 10,500 meals to residents in the City of Bastrop). We also partner with Advocacy Outreach and Family Crisis Center for the Emergency Solutions Grant which provides Rapid Re-Housing and Homeless Prevention.
Identify any in-kind services that you currently receive, or have received in the past from the City of Bastrop (include dates).
CCA currently serves on the Bastrop Community Support Group. The Mayor and City Manager started this group so that local non-profits could meet and share information about programs as well as planning a Social Service Expo for October.
Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens.
Approximately 13% of our organizations purpose benefits the City of Bastrop. CCA serves 10 central Texas counties with various programs. The City of Bastrop residents have access to every program that CCA currently offers. More than 350 unduplicated individuals received services last year. Based on our 2016 IRS 990, CCA's administrative over head is less than 6%. We strive to provide the best direct services to our clients.
PROGRAM SERVICES

Describe your program services.

The Senior Nutrition Program serves over 80 clients a year in the City of Bastrop with hot noon meals, 5 days a week. The number of clients will vary as clients leave and enter the program. We currently have roughly 25 volunteers that deliver meals to the homebound clients. The Settlement provides a space for CCA to serve meals to the congregate clients. The site manager is on duty 8:30 - 1:00 p.m. daily. She greets the congregate clients who can socialize with other clients, play games and receive nutrition education materials. We are looking to expand services at the center and extend the hours. The site manager also plates all the homebound meals and prepares them for delivery by our trained volunteers. We ask each client for a voluntary donation of \$2.00 per meal, but most of the seniors live on a fixed income and cannot make the suggested donation. Currently in Bastrop County our donation rate is \$0.21/per meal and in order to maintain the program we need to receive at least a \$1.00/per meal. For many of our clients, this is the only meal they may eat in a day.

CCA provides rent and utility assistance to clients in the city of Bastrop that may fall between the cracks. The funds received from the City will assist with helping those individuals.

How will the City of Bastrop funds be used?
The funds received form the City will be used to provide direct services to the clients. Funds received for the Senior Nutrition Program will purchase meals for clients and funds received for the family services department will be used to assist with rent and utility deposits.
How will the program services benefit the community?
The funds for the Senior Nutrition Program will benefit the community by serving hot noon meals 5 days a week, allowing residents to remain at home and independent for as long as possible. The meals served provide 1/3 of the daily nutrition intake required to make the residents most productive citizens.
The funds for the Family Services Department will help the economy of Bastrop by assisting clients in need of rent and utility deposits. These funds will help those who fall between the cracks of the federally funded programs.
For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?
CCA estimates that 10% of the city of Bastrop residents will benefit from CCA's services and will be in touch with our agency for referral to other local programs. CCA gives priority to the elderly, persons with disabilities and families with young children.
How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.
The Senior Nutrition Program is the only program in Bastrop that provides a hot noon meal, 5 days a week to seniors. CCA does work with other local organizations in Bastrop such as the Bastrop County Food Pantry. We make and receive referrals from all the local groups. We have also been working with Habitat for Humanity, they have provided rehab services to clients homes and CCA provides the weatherization assistance to make the homes more energy efficient. CCA also works closely with Family Crisis Center on the Emergency Solutions Grant which provides assistance with Rapid Rehousing and Homeless Prevention.

REPORTING

How will you track the number of City of Bastrop citizens benefited by your org	ganization's program services?
---	--------------------------------

The Site Manager at the Senior Nutrition Site completes daily nutrition reports. Those reports capture the number of clients served and the meal count. These reports are sent to the Central Office and monthly reports are compiled from the daily nutrition reports and reported to the Capital Area Planning Council - Area Agency on Aging. The Family Services Department has a client tracking software that tracks every client we serve with rent, utilities, food, clothing, disaster assistance, case management, etc. How will you evaluate if you were effective? Client satisfaction surveys are provided to clients 2 times a year. The clients are provided an opportunity to comment on our services and makes suggestions. These surveys are confidential so that the client can freely express their opinions. CCA also has a strategic plan the board reviews twice a year to see if we are meeting our community action plan for the year. If you have done/currently doing these program services, describe the results you have experienced and statistics. We can report that during this program year the need for meals continues to increase due to the increase of the elderly population. We also know services for utility assistance have increased due to the population of Bastrop increasing. CCA conducts a community needs assessment every 3 years, the most recent one was just completed and we have found that housing is the greatest need which will in turn mean more families will need help with deposits. Another thing we learned through the needs assessment is there are areas in Bastrop that individuals do not have a high school diploma or GED. This needs assessment helps CCA to focus in on the needs of the community.

The information contained herein and attached to this application is true and correct to the best of my knowledge. I hereby acknowledge that any funding received from the City of Bastrop must be expended as I have represented in this application and according to any requirements set by the City of Bastrop City Council and according the opinion of the City of Bastrop, to the program guidelines. I agree that if funds are not expended accordingly, in said funds will be returned to the City of Bastrop within ten (10) days from the date the City of Bastrop demands such.

Dear Sir or Madam:

This letter is in response to your request for affirmation of your organization's exempt status with your current address. Your address has been changed as shown above.

Our records indicate that a determination letter issued in January 1996 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Combined Community Action, Inc. 74-1548511

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your organization's exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

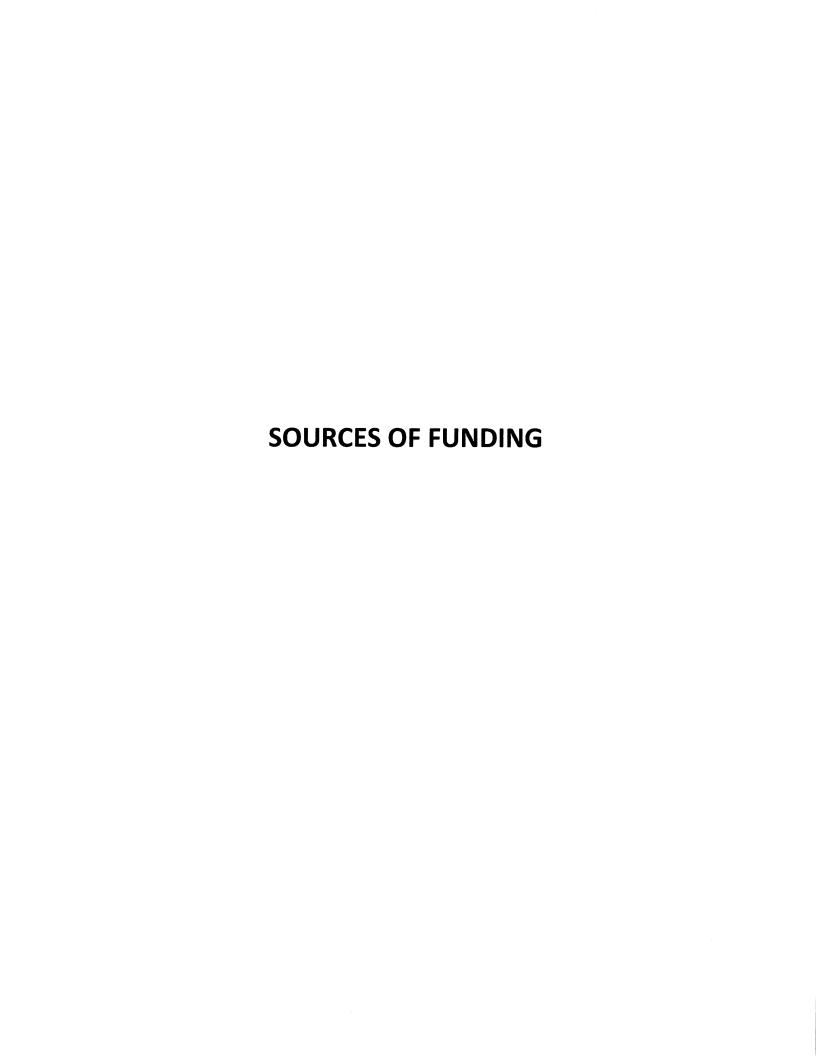

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely.

John E. Ricketts, Director, TE/GE Customer Account Services

Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

Court Appointed Special Advocates (CASA) of Bastrop Counties,Inc provides advocacy for children who are removed from their homes by Child Protective Services (CPS) due to child abuse and/or neglect. CASA is appointed as the Guardian Ad-Litem by the court system. Once a child/children are removed from their homes, CPS seeks to find placement with other qualified family members, if not then the child/children are placed in licensed foster care homes. Many times family or foster care homes are not in the same community where the children were removed. Regardless of the placement of children, our organization is dedicated to serving 100% of children who are removed by CPS. Our organization is built on a foundation of recruiting community volunteers to advocate for children who are removed from the communities they live in. To ensure that CASA Staff and Advocates are effectively advocating for these children in care, funding plays a critical role. The requested funding will support Recruiting, Training and Retention of CASA Advocates, mileage to support the crucial contact needed with the children, foster families, biological families, schools, therapist and doctors so that CASA can make the best informed recommendation to the courts. In addition, the funding will be used to support a percentage of CASA operations. The ultimate goal for CASA Staff and Advocates is to advocate on behalf of the children in the foster care system to ensure they are placed in a loving, safe and permanent home that is free of abuse and neglect.

Describe the organization's purpose.

The purpose of Court Appointed Special Advocates (CASA) of Bastrop, Fayette and Lee Counties is to recruit and train community volunteers to advocate for children who have been removed from their homes by Child Protective Services (CPS) due to child abuse and neglect. CASA Advocates advocate for the children in the court system and the community and ensure that their needs are being met. CASA Advocates stay with the child/children they are assigned until they find permanency.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.

During our current fiscal year (September 1, 2017 to present) CASA of Bastrop, Fayette and Lee Counties, has advocated for 285 children over the three county service area. Of those 285 children, 201 were from Bastrop County alone, 66 from the City of Bastrop. During this Fiscal Year 17 our organization:

- *Advocated for 284 children that were removed from their homes due to child abuse and neglect in Bastrop, Fayette and Lee Counties
- *Assisted in placing 135 abused and neglected children in permanent (forever) homes
- *Had 66 committed community volunteer advocates who were the voice of the abused and neglected children
- *Volunteer advocates dedicated approximately 7,632 hours to serving the children our organization
- *Volunteer advocates traveled approximately 49,556 miles to advocate for the children we represent.

In all of the cases. CASA Advocates were assigned to ensure that these children received the advocacy in the court system and the

children were removed from the City of Bastrop. A large percentage of the children our organization serves are removed from this area. It is imperative that our organization recruit citizens from this community to serve the children in the community. Currently our organization has 66 trained volunteers, 73% of these volunteers reside in the City of Bastrop.

It is our goal to ensure that 100% of the children removed from the counties we serve are supported by volunteers from their community. In addition to advocating, we seek to ensure that each child finds a safe, permanent, stable home.

PROGRAM SERVICES

Describe your program services.

Court Appointed Special Advocates (CASA) of Bastrop, Favette and Lee Counties provides trained CASA Volunteer Advocates to advocate for children who have been removed from their homes, by CPS, due to child abuse and neglect. The court system orders our organization as the Guardian Ad-Litem for children who the State of Texas is granted Temporary Managing Conservatorship. Our organization then matches a trained CASA Advocate to a case. The CASA Advocate, begins to advocate in the court system and the community. CASA Advocates visit the children and develop a bond with these children as they navigate during this traumatic time. Our volunteers visit the children on a monthly basis at their placement, and at school. They visit with the foster care placements, biological families, teachers, doctors, therapist and CPS to ensure that these children receive every possible service they need during this time. Once the parents/guardians time line for completing services for CPS is up, our organization makes a recommendation to the court on whether it is in the child's best interests to return to the parents/guardians or if the parental rights should be terminated. If the parents rights are terminated by the court system, our organization continues on the case and plays a vital role in choosing an adoptive family for the child/ren. Our organization also holds New CASA Volunteer Trainings regularly throughout the year to ensure that we have enough community volunteers to serve the abused and neglected children in all the communities we serve.

How will the City of Bastrop funds be used?

The requested funding will be used to support the following:

- *Monthly operations related to a percentage of utilities and phone costs. Our organization is fortunate to own our building out-right so we do not need support for rent or mortgage.
- *Mileage to support CASA Staff and Advocates as they serve children who have been removed from their homes. Many times the children are placed out of the City of Bastrop and mileage is needed to support the travel.
- * Volunteer Recruitment/Outreach Activities: activities related to recruiting new CASA Volunteers such as newspaper ads, printing of brochures, recruitment fairs materials, child abuse and awareness outreach materials
- *CASA Volunteer Training: support the 30 hour CASA training that is required for community members who are new to the program and want to become CASA Advocates. Printing of the CASA Volunteer Training Manual, other necessary training materials and food and drinks for volunteers attending the training.

How will the program services benefit the community?

Through the CASA work, we educate the community about child abuse and neglect, hoping to raise awareness and to end the abuse. We are protecting the most vulnerable citizens of Bastrop, the children. In addition to educating the community, once a child is removed from the home due to child abuse and neglect, CASA staff and volunteers step in to advocate in the court and in the community for the child's nest interest. The volunteer's focus is on that child, giving hope and help in guiding the child to a safe, permanent home. CASA volunteers can make a lifelong difference in the life of the child they represent and hope to stop the cycle of abuse and neglect for future generations. Research shows that a one to one relationship between a foster child and a supportive adult can lead to positive changes in a young person's life.

For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?

We feel that 100% of the children and adults, that live in the city of Bastrop, will benefit from the work of CASA. We advocate for the children who are removed from their homes due to child abuse and neglect, however we also provide child abuse and neglect activities and information the citizens of Bastrop. Our organization is built on the foundation that we have community volunteers advocate for the children we serve. Unfortunately, the number of abused children continues to rise and will have provide additional recruitment efforts to ensure that we adequately have the number of volunteers to serve all children who are removed from their homes are appointed a CASA Volunteer. CASA is the only local program who offers this service and can provide a strong voice for all the children until they find a safe, loving, permanent home.

How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.

Unfortunately, children enter the CPS system due to child abuse and neglect many times at the hands of their own family members. The CASA program was developed to ensure that each child in CPS care is represented with a voice in the court system. CASA of Bastrop has been in existences since 1988, serving children and the community for the past 30 years. Our CASA organization is one of the original 13 CASA that were formed in the state of Texas. CASA is the ONLY agency appointed as the voice of the child. It is very important that as we move into the future, we are collaborating and coordinating efforts with all agencies and organizations who serve these children. Our organization partners with the Children's Advocacy Center, who provides the entry point into the CPS system for the majority of the children who are removed. In addition CAC also provides therapy to many of the children that we serve. Our organization also partners with the Family Crisis Center as they are providing services and classes to many of the parents of the children that we are serving. The Executive Director is a member of Bastrop County Cares. This organization is made up of other non-profits, churches and some business to look at the need of the community to ensure that in hopes that we will be able to streamline efforts to improve services for these children and families.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

COURT APPOINTED SPECIAL ADVOCATES

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

COURT APPOINTED SPECIAL ADVOCATES

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Answer the following. Your focus should be on how your organization benefits the community and City of Bastrop citizens. Be as specific as possible.

Provide a brief summary on why you are requesting funds:

Feed the Need Missions is requesting funds to continue helping with social, spiritual, emotional, and physical needs amongst those that are impoverished in the City of Bastrop. Socially, we create an environment that is safe for the entire family to volunteer and give back to their community. This also provides social interaction for the low income families to have a positive influence in their lives. Feed the Need Missions is a Christ centered organization that wants to bring hope back to the community. By being at the same place, at the same time every week, it gives hope through consistency. This is something that these families latch onto and learn to grow in; ultimately, providing emotional healing. Physical needs are met in many different ways through Feed the Need, but the main way is through the 418 hot meals served every week in two locations in the City of Bastrop totaling 21,752 per year. We need money to continue to reach the community and City of Bastrop citizens physical need for food. For many of these families this is the only hot meal they get all week, not to mention the only time they are able to eat meat because of it's higher price range compared to other types of food.

Describe the organization's purpose.

Our mission is to feed people both physically and spiritually. We follow Christ's model of going into communities to meet their physical needs, build meaningful relationships and share the love and message of Christ. We work with people like you and churches to support this outreach and to come alongside people to help them grow spiritually.

For us, the burger is just the tool to open the door to share the gospel of Jesus. Our desire is that one day we will have a Feed the Need team in every town across the country (and hopefully across the world!). That we would be able to reach out and provide food, music, and the message of Christ in these communities every week. We like to call ourselves a large ministry, just in its beginning stages.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services. Feed the Need Missions has been serving in the City of Bastrop for eight years. We have served 16250 meals in 2015, 17,573 meals in 2016, 21,752 meals in 2017 and 8,185 meals year-to-date, at two locations, in the City of Bastrop. Our leadership has a combined experience of 26 years; along with our board of directors who brings leadership skills from an outside business and/or church prospective to teach and equip a staff of six. Our staff then provides training to 80 volunteers to be able to handle circumstances and funds to better reach our community and change the lives of those in poverty. Identify any in-kind services that you currently receive, or have received in the past from the City of Bastrop (include dates). Feed the Need Missions has not received any in-kind services, but has received funding from the 2015, 2016 and 2017 Community Support Grant. Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens. Over the past year, Feed the Need Missions has served 53,484 hot meals, 40.67% of the total organizations purpose has benefited the City of Bastrop citizens. PROGRAM SERVICES Describe your program services. Feed the Need Missions program services provides a hot meal to any one in need consistently every week to help with social, spiritual, emotional, and physical needs amongst those that are impoverished.

How will the City of Bastrop funds be used?

	The City of Bastrop funds will be used to provide food, supplies, and equipment needed to serve 21,752 hot meals per year.
ſ	How will the program services benefit the community?
	Feed the Need Missions' program services benefits the community by providing help with social, spiritual, emotional, and physical needs amongst those that are impoverished. Socially, we create an environment that is safe for entire family to volunteer and give back to their community as well as provide social interaction for the low income families to have a positive influence in their lives. Spiritually many of these people have lost hope. We are a Christ centered organization that wants to bring hope back to the people in the community of Bastrop. By being at the same place and meeting at the same time every week, this brings hope and helps with emotional healing. Physically we provide a hot meal consistently every week and teach people how to budget. This results in people learning not to be homeless and to have a place on their own. It also creates hope for others as they see others each week and see the progress of other families and individuals are making.
٠	For your organization's purpose, what percentage of City of Bastrop citizens do you estimate will benefit from this funding?
	Feed the Need Missions serves 418 hot meals with 165 people who come through the line to provide food for their household every week. The 2013 US Census Bureau states, "that there are 2697 households in the City of Bastrop with 2.54 persons per household (2009-2013)". Feed the Need calculates the population served estimates 2.54 persons per household, by the amount of hot meals served and per the amount of persons that come through the line every week. Therefore, we serve 165 households per week, and with 2697 households in the City of Bastrop, per the US Census Bureau, equals 6.12% of the City of Bastrop citizens will benefit from this funding. Feed the Need's focus is on the impoverished. The US Census Bureau states that 9.1% of 7554 persons living in the City of Bastrop are below poverty level (2009-2013). That means 687 persons and 270 households are living impoverished in the City of Bastrop. Feed the Need is reaching 165 households equaling 61.11% of the impoverished citizens in the City of Bastrop.
	How do you know these program services are needed? Are there other entities providing the same or similar services which are available to City of Bastrop citizens? Will there be a coordination of services? Explain.
	Feed the Need Missions' program services are needed to help with social, spiritual, emotional, and physical needs amongst those that are impoverished in the City of Bastrop. We started providing these serves in 2010 to the City of Bastrop. In 2013, we started a second location on the north side of the City of Bastrop because the need increased. These services provide a hot meal once a week consistently. We currently are feeding 418 hot meals per week equaling 21,752 meals a year to the City of Bastrop citizens. There is one entity that is providing similar services to the City of Bastrop citizens that we are familiar with, Open Door Soup Kitchen. Our coordination of services is provided by a Site Coordinator at each location. They help organize and make sure the food is there each week, but also to provide leadership, counsel and to be a servant. The Site Coordinator is overseen by an Area Manager. The Area Manager is a Feed the Need Missions staff member. They are in charge of how funds are dispersed to each location and provide overall guidance for the Site Coordinator.

Since moving to our new location in 2016 to date we have served approximately 30,000 meals. We have made ready and opened five S.A.F.E. Shelters since February 2018. One of the men at Men At The Cross Shelter has graduated the one year faith-based rehabilitation program. Two of the men have graduated to the "Back to work/Re-entering into society" part of the program and are slated to graduate the entire program within one month. We have partnered with the BISD Homeless Liaison who refers families in need of refuge. The Ladies of Charity has allowed our organization vouchers to assist the families of S.A.F.E. at their time of move-out.

PROGRAM SERVICES

Describe your program services.

Open Door Soup Kitchen - provides two meals a day from Monday - Saturday, for all people regardless of race, color, creed, age or financial status. A Sunday dinner is served after our 3pm service every Sunday (no need to attend service). Dinner is provided for the families at S.A.F.E. In addition, free health screening is provided by Wesley Nurse (RN).

Men At The Cross Shelter/Home - This is a one year program for men. We provide a drug and alcohol free environment and a positive living violence free facility; Celebrate Recovery is a Christian based drug and alcohol program; Occupational training; one on one and group counseling; and volunteering in the community including serving at ODSK.

S.A.F.E. (Safe Acre Family Environment) Emergency Family Shelters - Our goal is to assist families for one to three months, free of financial responsibility, so they can save and get back on their feet. S.A.F.E. provides a safe family atmosphere; three meals a day (breakfast, lunch and dinner). Full accommodations w/furnishings, inc appliances and linen; in addition to a free laundromat.

Dear Taxpayer:

This is in response to your Apr. 17, 2015, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in August 2014.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(i).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

We request funds from the City of Bastrop for 2018/2019 in the amount of \$10,000 to continue to serve the increasing number of citizens in our community who need assistance in improving their reading, writing, math and literacy. Literacy Volunteers of Bastrop (LVB) provides services to students free of charge to assist them in accomplishing both their educational and life goals, such as: getting their GED, getting their driver's license, obtaining a job or advancing in a job, becoming computer literate, enrolling in technical programs, helping their children with homework, or being able to read to their children. We appreciate your continued support of LVB and the vital services we provide the community. City of Bastrop Community Support Funding would be used to pay a portion of direct expenses for tutoring, as well as a portion of salary for LVB's paid staff members. Currently we have two paid staff members who share the Coordinator responsibilities. The Tutor Coordinator performs administrative functions for the organization, in addition to tutor recruitment, management and training. We are expect to expanding our program this year due to our added partnership with BISD.

Describe the organization's purpose.

LVB offers a continuum of educational services that transitions individuals from literacy to GED, to college, and work. We strengthen families by helping those students progress to post-secondary education and/or gain a better chance at the job market. We tailor success by building specific strategies used in diagnosing strengths and weaknesses and providing a personalized plan. We provide caring and competent tutors who are matched with students according to their learning needs. Many students are tutored one-on-one in a classroom (through our partnership with Community Action Adult Education and their free GED and ESL classes) with a degreed teacher, while others work with a tutor one-on-one or in small groups at the LVB office or the Bastrop Public Library. We are a key organization that serves the adult population for educational services and partner with other valuable organizations in the community.

Share your organization's experience, accomplishments and qualifications to successfully complete the program services.
LVB has been serving the Bastrop community for over 28 years, and our volunteers have served over 900 students since 2010. Lyla Helgren, our Tutor Coordinator, works closely with Dale Burke, Education Coordinator of Community Action Adult Education and LVB Board President. Mr. Burke has many years experience in facilitating adult education, and has recently retired from BISD as a guidance counselor and served in military for 20 years as a recruiter. We currently have 7 volunteer tutors.
One of our success stories is that of Julie Guttierrez, a 47 year of woman who due to a phobia of math had struggled in the CAI Ged class, and came in and out of that program for 9 years. She agreed to tutoring, and through a concentrated effort on her part, intense tutoring from the tutor, and help from her GED instructor, she finally pushed past her fears and was able to achieve her GED. She is now a manager at the gift shop at the Hyatt-Regency Lost Pines-Resort and loves her job.
Identify any in-kind services that you currently receive, or have received in the past from the City of Bastrop (include dates).
LVB values the ongoing relationship we have had for a number of years with the Bastrop Public Library. The free services provided by the library that have been particularly useful to LVB volunteers and students are: study booths to provide one-on-one tutoring or study time for students, classroom and meeting space, public access to computers with high speed internet available to volunteers and students, books for all literacy levels (some ordered specifically for LVB), and posting of literacy and class information. The Bastrop Library collaborates with LVB to provide program awareness and capacity building.
Over the past year, identify what percentage of your total organizations purpose benefited City of Bastrop citizens.
Over the last year, residents of the City of Bastrop represented 72% of the total students served by LVB.

PROGRAM SERVICES

Describe your program services.

LVB has been providing free literacy services to the Bastrop community for over 28 years. The volunteer tutors of LVB currently provide free individual and small group instruction in the areas of GED preparation, ESL (English as a Second Language) and Basic Reading. We have recently expanded to include a program for family literacy. We have seen an increasing number of the hardest to serve students with learning disabilities and at-risk students for whom we tailor an individual educational plan. We value our ongoing collaboration with the Community Action Adult Education (CAI) Program in Bastrop and provide tutors to work with students enrolled in their free GED and ESL classes. Many of our students are tutored in conjunction with these classes. Additionally we offer free tutoring at the Bastrop Public Library on Mondays and Wednesdays. Tutoring at the library includes tutoring in the following subjects: basic reading, writing and math, GED, ESL, and homework assistance to school aged children through our family literacy program. Each adult student is administered a TABE assessment and is re-tested periodically to determine advancements or improvements in academic areas.

We also partner with BISD, providing tutors for their (ACE) Program. Additionally we partner with Workforce Solutions, Food Pantry, Literacy Coalition of Central Tx and other area entities to provide the most comprehensive service to our students and the community.

How will the City of Bastrop funds be used? Census reports continue to show a need in Bastrop county for adult education. LVB continues to see an increase in need community, particularly in the area of preparation for the GED and workplace literacy. 		TI	

How will you track the number of City of Bastrop citizens benefited by your organization's program services?

Upon entry into our program, students are required to fill out enrollment forms which contain a variety of information for statistical
purposes. The student's address is collected at this time, to determine whether they live in the City of Bastrop, Bastrop County (BISD),
Bastrop County (non-BISD) or other. This information is entered into a master file and maintained by the Tutor Coordinator for Literacy
Volunteers of Bastrop.

How will you evaluate if you were effective?

Project success will be defined as meeting or exceeding the federal performance targets for adult education programs. Since LVB partners with Community Action Adult Education (CAI), and CAI must comply with these federally set performance targets, LVB must as well. LVB believes that being held to these criteria for success strengthens the program. Students are administered a baseline assessment with either the TABE or BEST tests at the beginning of each semester. Progress assessments utilizing a different version of the test are administered at least once during the course of the semester. Practice GED tests are also offered to students. The student is expected to demonstrate measurable gains in academic skills and/or English proficiency as measured by the assessments. While these assessments are important, often the more important thing for teachers, tutors and the learners is the goal setting process. At the beginning of each semester, students are asked to set goals which are ultimately what motivate them to learn. Goal review is ongoing, and achievements are noted and celebrated.

If you have done/currently doing these program services, describe the results you have experienced and statistics.

LVB and its' team is including information on the actual outcomes of our programs from 7/1/17 to present. The objective of the GED tutoring program is for adults to make progress toward their educational goals as measured by the National Reporting System for adult education programs (Test of Basic Education - TABE). Of the total 112 students tutored by LVB, 62 were enrolled in the GED preparation program. Of the 62 GED students, 57 have each made gains of at least one level in reading writing and/or math since entering the program. During the time period 7/13 to 6/14, our program in collaboration with CAI 12 students have successfully completed their GED. Our graduates include a dental hygienist, accountants, bookkeepers, heavy equipment operator, truck drivers, CNAs, LVNs, an RN, dialysis technician and other skilled workers. In addition to these achievements, other GED students have met many of their individual goals, such as: getting their driver's license, becoming employed or advancing in the jobs, helping their children with homework, volunteering at their child's school, and being able to read to their children. Our ESL tutoring program assisted 27 adults, with 76% progressing at least one level in English proficiency in the 2018 spring semester.

The information contained herein and attached to this application is true and correct to the best of my knowledge. I hereby acknowledge that any funding received from the City of Bastrop must be expended as I have represented in this application and according to any requirements set by the City of Bastrop City Council and according the opinion of the City of Bastrop, to the program guidelines. I agree that if funds are not expended accordingly, in said funds will be returned to the City of Bastrop within ten (10) days from the date the City of Bastrop demands such.

Tracy Waldron Chief Financial Officer, City of Bastrop 1311 Chestnut Street Bastrop, TX 78602

Ms. Waldron:

Attached you will find the 2018/2019 Community Support Funding Application and supporting documents for the Literacy Volunteers of Bastrop (LVB). We value the partnership we have with the City of Bastrop, as we continue our mission to improve community members' quality of life by increasing their economic and social independence through improved English literacy. Our program works closely with each student, free of charge, to help them build a bridge from illiteracy and poverty to self-sufficiency. LVB uses trained volunteer tutors and has a strong track record in making a difference with those we serve in Bastrop County.

We appreciate the city's long-time support of LVB and its students. Thank you for your consideration of this request. Please feel free to contact me at 512-521-7860 or by email at info@literacybastrop.org

Sincerely,

Lyla Helgren

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are hiable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not hiable for the tax imposed under the Federal Onemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have dry questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(I) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the

Letter 947 (DO/CS)

part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(I) organization.

Bonors may deduct contributions to you as provided in section 170 of the Code. Bequests, Regardes, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attack the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

You are required to make your annual information return, Form 990 or Form 990-8Z, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or inperson request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Fenalties may be imposed for failure to comply with these requirements. Additional information is available in Fublication 557. Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

Letter 947 (DO/CG)

LITERACY VOLUNTEERS OF BASTROP INC

You are not required to file federal income tax returns unless you are subject to the tax or unrelated business income under section 5H of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are ware-lated trade or business as defined in section 517 of the Code.

You need an employer identification number even if you have no employees. If an employee identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Lois G. Lerner

Strategic Plan 2018-2019

Literacy Volunteers of Bastrop

In 2017-2018, Literacy Volunteers of Bastrop embarked on a new direction based on funding from Dollar General and the City of Bastrop. This funding allowed LVB to accomplish several goals this past year. Identification of a volunteer coordinator brought stability to office operations. Increased visibility in the community was accomplished through corporate contacts and support. Tutoring efforts were concentrated on Community Action ESL classes at Lost Pines Elementary. A literacy event was held at Double Dave's to encourage parents reading to families.

In looking forward to another successful year with increased growth and activities, several goals have been identified.

Goal 1: Increase outreach to clients needing services.

- Objective 1.1: Expand opportunities with Bastrop ISD schools for tutoring services.
 - Objective 1.2: Develop promotional materials in English and Spanish.
 - Objective 1.3: Increase tutoring services to more Community Action ESL classes.
- Goal 2: Increase the number of volunteers.
- Objective 2.1: Collaborate with Bastrop Community Cares and other community organizations to recruit volunteers.
 - Objective 2.2: Identify community groups for presentations about LVB.
 - Objective 2.3: Implement a training plan for new volunteers.
- Goal 3: Continue development of a comprehensive family literacy program.
 - Objective 3.1: Select targeted populations for family literacy.
- Objective 3.2: Coordinate with BISD to implement family literacy activities with elementary students.

Community Action Inc., Literacy Volunteers of Bastrop are building a strong community by providing education through GED/High School Equivalency classes, Integrated Education and Training in classes such a bookkeeping and certified nursing assistants, English as a Second Language classes, and personalized and family literacy tutoring in reading, writing, and math. These classes, with the help of Workforce Solutions, often lead to employment in better or more fitting jobs with increased pay and benefits. As a strategic partner, the Workforce can offer paid training to youth or adults who qualify under a Workforce Investment Opportunity Act (WIOA). Likewise, Vocational Rehab (VR) assists those enrolled in classes who have qualify for disabilities.

This school year, 51 students enrolled in the GED/HSE classes at Bastrop Workforce Solutions in either a day class, a night GED class, or a Spanish GED/HSE class held at Bastrop Intermediate school. English as a Second Language classes were held at Lost Pines Elementary and Red Rock Elementary and Stoney Point Head start School. Additionally, Integrated Education and Training Classes were given on bookkeeping and certified nursing assistants as shown below with certificates awarded to those

who completed the classes and passed exams for certification. Above is a family literacy reading of *Cat in the Hat* provided by Literacy Volunteers of Bastrop.

Community Action Inc. plays a strategic role in the community by offering adults who have not graduated from high school the opportunity to work toward getting their GED/High School Equivalency (HSE). This school year, 42 students participated in the classes at Workforce Solutions in Bastrop. Two of the students pictured left are GED graduates who also elected to participate in the graduation ceremonies held at the Hays CISD Performing Arts Center in Kyle along with 40 graduates for the 9 counties

GED/HSE Classes

covered by the organization.

Leeza Roitaille completed free classes online through Res Care Academy, earning two certificates in bookkeeping. She plans to attend a bookkeeping course with ACC and Community Action Inc. in the future to pursue her career.

Jacob Rodriquez qualified for the Workforce Investment Opportunity Act (WIOA) Youth program which paid for his GED exams, paid gas money for him to attend classes, and awarded him a \$100 stipend upon successful completion of his GED/HSE. It also gave him the opportunity to have further paid training in a short term training program offered on a Target List through Workforce Solutions, but he has plans to get employment working in Corrections at this and later plans to go to college to prepare for a career as a construction superintendent.

GED/HSE Offered in Spanish and in County Jail

To meet the need of many Spanish-speaking adults in the community who wish to get their GED/HSE, for further education or better employment, Marie Blazek (far left in back row) is putting her skills to use. A retired public school ESL teacher, who has a love of the Spanish culture, is preparing these students for the GED exam as well as improving their English proficiency. This school year, 9 students participated in

her classes offered at the Bastrop Intermediate School. Marie has been an ESL and Spanish GED instructor with Community Action Inc. for two years, teaching both at Red Rock and now at the BIS location. These students each received certificates recognizing their improved skills in English proficiency and academic progress toward getting the GED/HSE.

Teachers Cyndy Lee and Mark Bransford teach at the jail for Community Action Inc. They not only help inmates prepare for a GED, but also assist them with career plans for employment once they are released from incarceration. Cyndy is a former Adult Probation Officer/Trainer and Mark is a retired GED teacher who taught at FCI in Bastrop.

ESL Classes at Lost Pines Elementary

Pictured with ESL teacher Laura Soriano (2nd from left) are some of the students from her advanced ESL at Lost Pines Elementary who demonstrated improvement in their class. This is the second year ESL classes were offered at Lost Pines Elementary, and the class grew to the point of having to start an additional class their for beginning ESL students.

Laura is a certified public school teacher with ESL, and in her

second year with Community Action Inc., putting her education, skills, and knowledge to work helping people in the community improve their English proficiency. This will help many of them meet their goals in stepping out in to the community with confidence and preparing for better employment and further education. Childcare was provided by BISD childcare providers. Literacy Volunteers of Bastrop has volunteers working with the adults in classes assist-

ing the teachers and has developed curriculum for the children as well to improve their literacy skills and bring the parents together with their children, reading together with classic stories such as Cat in the Hat pictured on the front page.

Beginner ESL Class at Lost Pines Elementary

To meet the needs of the growing ESL class at Lost Pines Elementary, Dr Glenda Rose (3rd from left) a highly experienced ESL teacher and Professional Development Specialist with Texas A&M, came on with Community Action Inc. to teach the beginning ESL students.

Glenda has taught ESL for over 30 years and conducts training seminars for educators nationally and internationally and is an asset to the program here putting her education and skills to great use. These students have received certificates recognizing their improved skills in English proficiency and some will be moving up to the advanced class. Glenda finds great joy in helping these students discover a new world as they further their English proficiency, learning the language alongside their children and communicating better in their work environments.

ESL at Red Rock Elementary

To meet the demand of adults in the Red Rock area wishing to learn English, an ESL class began this year at Red Rock Elementary School. The class is being taught by David Howell, (pictured 5th from left) who is new to Community Action Inc. this year, and is a retired public school principal, School Counselor, and ESL teacher for adults from an organization in which he worked after retiring from public school.

He is bonding well with these adult students and enjoying the rewards of seeing them become good role models for their children in English proficiency and able to advocate for their children's progress in school. Childcare is also offered by BISD when the childcare positions are filled.

Literacy Volunteers of Bastrop (LVB) Board

LVB has a strong board with several experienced educators and passionate volunteers and coordinators. Pictured front left is Dale Burke, LVB president, a retired Senior Master Sergeant from the USAF who supervised the training and development of Air Force Reserve Recruiters nationwide and is a retired Special Education and Career and Technology teacher from BISD. He has been with Community Action Inc. for 6 years as a Career

Counselor, Teacher, and now Adult Education Coordinator and has been the LVB President for two years. Pictured in back is Alan Pearl, a dedicated volunteer who has assists in GED classes as well as providing one on one tutoring. 2nd from left in the back row is Dr. Sue Pardue, a Spanish Professor at ACC in Elgin and former Adult Education Director. Next to her is Lyla Helgren the coordinator for LVB volunteers and her sister Lilly Vara, the past

LVB coordinator who passionately works with LVB volunteers. Pictured front right is Peggy Caffalette, a retired ESL teacher who tests for ESL classes. The goal is to develop Family Literacy in the community and assist students in GED/ESL classes, as well as provide individual tutoring in reading, writing and math.

How You Can Help

Community Action Inc. and Literacy Volunteers of Bastrop have a great partnership in meeting the needs of the community with adults of all ages wishing to improve their education, English proficiency, and competency in many areas for improved employment opportunities. New opportunities are being provided through Community Action Inc. this upcoming school year with more integrated education and training classes in critical skills areas and academies for areas such as math boot camp and entrepreneurs for both English and Spanish-speaking adults.

<u>More specialized instructors, volunteers, and childcare providers with LVB are needed</u> for these classes and individual tutoring. For more information on this contact: **Dale Burke at 512-985-5169** or **Lyla Helgren at 512-521-7860**.

A Great Honor

Dale Burke Recognized as Bastrop Man of the Year!

Dale Burke, pictured on right with his wife, Maureen Burke, was honored to be chosen as the 2018 Bastrop Man of the Year for the Bastrop Chamber of Commerce. This award is given to individuals who go beyond the normal responsibilities of providing service to the communities through community organizations, churches, and other activities. In addition to being the Adult Education Coordinator/GED Teacher/Career Counselor with Community Action Inc., and LVB President, Dale has been a project coordinator with the Bastrop Christian Ministerial Alliance, a Chaplain with the Bastrop Police Dept., a member of the Bastrop Chamber Education Committee - "We Believe In BISD" Team. He is also a board member with the Bastrop Christian Outreach Center (BCOC), serving as an ordained minister with the jail ministry team for over 20 years and providing career guidance to organizations such as Hope House, who has a Christian rehab program, as well as being a long time praise and worship member and musician playing for community events. He is passionate about serving people in the community and wants to connect with others who have that same desire to make this community an even better place than it is now. Contact him today to join him in making a difference in the lives of many people desiring to be better citizens and to have greater opportunities for employment to take care of their families.

STAFF REPORT

MEETING DATE: July 24, 2018 AGENDA ITEM: 8B

TITLE:

Consider action to approve the second reading of Ordinance No. 2018-13 of the City Council of the City of Bastrop, Texas, amending the Bastrop Code of Ordinances by amending Chapter 3, Titled "Building Regulations," Article 3.20, "Signs," to establish regulations for electronic message (L.E.D.) Signs; providing for an effective date; providing for severability; providing for proper notice and meeting.

STAFF REPRESENTATIVE:

Jennifer C. Bills, AICP, LEED AP, Assistant Planning Director

BACKGROUND/HISTORY:

The Bastrop Code of Ordinances, Section 3.20 – Signs contains the regulations regarding the types, size, and locations of signage within the city limits and along specific highways within the Statutory Extraterritorial Jurisdiction. This section was re-written in 2006 and amended in 2011 to allow electronic messaging on certain signage.

Recent requests have been made to allow legal, non-conforming signage to be able to upgrade existing sign faces to incorporate a limited amount of electronic messaging area. Additionally, past sign code interpretation has resulted in pylon/pole sign types to incorporate electronic signage. Due to these factors, City Council requested that staff propose amendments to the code that would address these issues.

A legal, non-conforming sign is a sign which was legally installed prior to the adoption of the current code. These include signs installed prior to the 2006 updates, or signs that were installed prior to annexation of the property into the city limits. Non-conforming signs can change the sign face, but cannot make any changes that would increase the degree of non-conformity.

Currently, Section 3.20.015 (5) *Electronic message (L.E.D.)* is allowed in two sign types at a specific percentage of the total sign area:

- (A) Such signs shall be allowed in the following circumstances:
 - (i) When incorporated into a permitted monument sign; or
 - (ii) When used to display fuel prices on a permitted fuel pricing sign.
- (B) Such signs shall not exceed 25% of the area of the sign.

This section also includes limits on the motion of the picture and how often the sign can change message:

- (C) Any change of pictures or information on the sign shall not produce the illusion of scrolling, moving objects, expanding or contracting shapes, rotation or any similar effect of animation.
- (D) Any change of pictures or information on the sign shall not change more often than once every eight (8) seconds except for message display of time or temperature. Each change of pictures or information must constitute a complete phrase or thought and not be the completion of a previous phrase or thought. Each change of pictures or information must be completed in two (2) seconds or less and may not include visually distracting techniques such as flashing, racing, strobing, twinkling, animation, etc.

Staff is proposing amendments that would allow up to 25% of the sign face of new pylon/pole signs include electronic signage. The maximum permitted sign face for a pylon sign in the current code is 160 square feet, so the electronic messaging can comprise a maximum of 40 square feet of the total sign face.

For legal, non-conforming signs that are already over 160 square feet, the owner would be allowed to convert up to 40 square feet of the existing sign face to electronic.

For legal, non-conforming signs that are under 160 square feet, the owner would be able to convert up to 30% of the existing sign face to electronic, up to a maximum of 40 square feet. .

The proposed amendment would allow the electronic portion of the sign to be incorporated into one sign face, or be a separate sign face on the same pole, as long as the total of all sign faces is limited to 160 square feet (or the previous total non-conforming sign area for signs over 160 square feet). Additionally the electronic messaging portion of a separate sign must be located below the static sign face area.

The proposed amendment would be added to Section 3.20.015 (5) (amended language in red):

Chapter 3 – BUILDING REGULATIONS

ARTICLE 3.20 – SIGNS

Sec. 3.20.015 - Standards for permanent signs

* * *

- (5) Electronic message (L.E.D.).
 - (A) Such signs shall be allowed in the following circumstances:
 - (i) When incorporated into a permitted monument sign; or
 - (ii) When used to display fuel prices on a permitted fuel pricing sign; or
 - (iii) When placed on a new or existing permitted on-premises pole or pylon sign; or
 - (iv) When placed on a legal, nonconforming on-premises pole or pylon sign.
 - (B) Signs permitted under Sections (5)(A)(i) or 5(A)(ii) shall not exceed 25% of the area of the sign.
 - (C) Signs permitted under Sections (5)(A)(iii) or 5(A)(iv):
 - (i) if placed on a new or existing pole or pylon sign, the digital sign face shall only be a part of the total sign face and shall not exceed 25% of the total sign face or may be a separate digital sign face whose size shall not exceed 25% of the total sign face area when both digital and non-digital sign face areas are combined;

- (ii) legal, non-conforming pole or pylon signs 160 square feet or greater, may convert up to forty (40) square feet of the current sign face to a digital sign face, or may install a separate digital sign face whose size shall not exceed forty (40) square feet and whose addition does not increase the total sign face area when sign face areas of both the digital and non-digital sign are combined;
- (iii) legal, non-conforming pole or pylon signs of less than 160 square feet may convert up to 30% of the current sign face or 40 square feet, whichever is less, to a digital sign or may add a digital sign that is up to 30% of the combined sign face areas, or 40 square feet, whichever is less, such that the entire sign face area, when digital and non-digital sign face areas are combined, does not exceed 160 square feet;
- (D) Any change of pictures or information on the sign shall not produce the illusion of scrolling, moving objects, expanding or contracting shapes, rotation, or any similar effect of animation.
- (E) Any change of pictures or information on the sign shall not change more often than once every eight (8) seconds except for message display of time or temperature. Each change of pictures or information must constitute a complete phrase or thought and not be the completion of a previous phrase or thought. Each change of pictures or information must be completed in two (2) seconds or less and may not include visually distracting techniques such as flashing, racing, strobing, twinkling, animation, etc.
- (F) Only one sign face per pylon or pole sign may contain a digital sign face and any separate digital sign shall be located below the non-digital sign.

The section defining Non-conforming signs would also need to be amended to reflect the ability to change of portion of the existing sign to include electronic messaging.

Sec. 3.20.019 - Nonconforming signs.

- (a) A nonconforming sign is a sign which was installed legally prior to the adoption of this article or amendments of this article, but does not comply with the current sign regulations. A nonconforming sign shall be allowed to be continued and maintained at its existing location subject to the following conditions: The face of the sign may be changed, but no change or alteration shall be made that would increase the degree of nonconformity. A change to the sign face or the addition of a digital sign as allowed by Section 3.20.015 shall not affect the legal, nonconforming status of the sign.
- (b) An on-premises sign, conforming or otherwise, may be removed no sooner than the first anniversary of the date the business, person, or activity that the sign or sign structure identifies or advertises ceases to operate on the premises on which the sign or sign structure is located. If the premises containing the nonconforming sign or sign structure are leased, the sign must be removed no later than the second anniversary after the date the most recent tenant ceases to operate on the premises. The director's decision may be appealed to the planning and zoning commission.
- (c) A nonconforming sign may not be reconstructed, repaired, or replaced for any purpose other than maintenance operations or for changing the letters, symbols, or other matter on the sign. Reconstruction, repair, or replacement of a nonconforming sign shall be completed no later than ninety (90) days following the date of the damage. For purposes of this subsection, a sign, or a substantial part of a sign, is considered destroyed if it is blown down, dismantled or the cost of repairing the sign is more than 60% of the cost of erecting a new sign of the same type at the same location. A change to the sign face or the addition of a digital sign as allowed by Section 3.20.015 shall not affect the legal, nonconforming status of the sign or be considered reconstruction, repair, or replacement of the sign as defined in this section.

(d) If the city requires the relocation, reconstruction or removal of a sign, conforming or otherwise, within its corporate limits or its extraterritorial jurisdiction, the mayor shall appoint a municipal board of sign control pursuant to chapter 216 of the Local Government Code to determine the amount of compensation, if any, the owner of the sign is entitled to relocate, reconstruct or remove the sign. Prior to such determination, the owner of the sign shall be given the opportunity for a hearing before the municipal board about the issues involved.

PUBLIC NOTIFICATION:

Notice of the public hearing was posted in the Bastrop Advertiser on June 9, 2018, more than 15 days prior to the public hearing.

POLICY EXPLANATION:

Chapter 216 of the Texas Local Government Code

The City has the authority to regulate signs within the City Limits and the extraterritorial jurisdiction (ETJ).

10.2 - AUTHORITY TO AMEND ORDINANCE:

The City Council may from time to time, after receiving a final report thereon by the Planning and Zoning Commission and after public hearings required by law, amend, supplement, or change the regulations herein provided or the boundaries of the zoning districts specified on the Zoning Map. Any Ordinance regulations or Zoning District boundary amendment may be ordered for consideration by the City Council, be initiated by the Planning and Zoning Commission, or be requested by the owner of real property, or the authorized representative of an owner of real property.'

The Planning & Zoning Commission will hold public hearing and make a recommendation on the amendment to City Council. The City Council will hold a public hearing and two ordinance readings if this amendment is approved and adopted.

PLANNING & ZONING COMMISSION RECOMMENDATION:

Recommend to delay action on this item until digital billboards or comprehensive sign code amendments are considered.

CITY COUNCIL ACTION:

At the July 10, 2018 meeting, City Council held a public hearing and approved the first reading of the ordinance.

RECOMMENDATION:

Consider action to approve the second reading of Ordinance No. 2018-13 of the City Council of the City of Bastrop, Texas, amending the Bastrop Code of Ordinances by amending Chapter 3, Titled "Building Regulations," Article 3.20, "Signs," to establish regulations for electronic message (L.E.D.) Signs; providing for an effective date; providing for severability; providing for proper notice and meeting.

ORDINANCE NO. 2018-13

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS, AMENDING THE BASTROP CODE OF ORDINANCES BY AMENDING CHAPTER 3, TITLED "BUILDING REGULATIONS," ARTICLE 3.20, "SIGNS," TO ESTABLISH REGULATIONS FOR ELECTRONIC MESSAGE (L.E.D.) SIGNS; PROVIDING FOR AN EFFECTIVE DATE; PROVIDING FOR SEVERABILITY; PROVIDING FOR PROPER NOTICE AND MEETING.

- WHEREAS, the Bastrop City Council pursuant to its zoning authority under Chapter 211 of the Texas Local Government Code and pursuant to other Texas statutory authority and charter authority, has adopted ordinances and regulations that pertain to the development and zoning of land within the City and its extra territorial jurisdiction; and
- **WHEREAS,** the City Council desires to update its sign regulations to meet the changing conditions in the City; and
- WHEREAS, digital signs are often requested to be placed in lieu of or in addition to conforming and nonconforming signs; and
- WHEREAS, controlled placement of digital signs could have a positive impact on the businesses and economic development of the City; and
- **WHEREAS**, the uncontrolled placement of digital signs could have a negative impact on the health, safety, and aesthetics of the City; and
- **WHEREAS,** placement of approved digital signs that provide a different manner and place of communication would assist in alleviating the uncontrolled placement of digital and other signs within the City; and
- **WHEREAS**, regulation of signs in the City will substantially promote the City's interest in preserving the aesthetic beauty of the City while also promoting economic development; and
- **WHEREAS**, pursuant to Texas Local Government Code Section 51.001 and the City Charter of the City of Bastrop, the City has general authority to adopt an ordinance or police regulation that is for the good government, peace, or order of the City and is necessary or proper for carrying out a power granted by law to the City; and
- WHEREAS, pursuant to Chapter 216 of the Texas Local Government Code, the City has the authority to regulate signs within the City Limits and the extraterritorial jurisdiction (ETJ); and
- **WHEREAS**, the Planning and Zoning Commission had a meeting and a public hearing on June 28, 2018 and recommended denial; and
- **WHEREAS,** the City, having received the recommendation of the Planning and Zoning Commission, now desires to amend the Signs Ordinance of the City of Bastrop.
- NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Bastrop, TX:

SECTION 1. FINDINGS OF FACT The foregoing recitals are incorporated into this Ordinance by reference as findings of fact as if expressly set forth herein.

SECTION 2. AMENDMENT Chapter 3, Article 3.20 of the City of Bastrop Code of Ordinances is hereby amended to be read in accordance with *Attachment "A"*, which is attached hereto and incorporated into this Ordinance for all intents and purposes.

SECTION 3. REPEALER To the extent reasonably possible, ordinances are to be read together in harmony. However, all ordinances, or parts thereof, that are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters regulated, herein.

<u>SECTION 4.</u> SEVERABILITY Should any of the clauses, sentences, paragraphs, sections or parts of this Ordinance be deemed invalid, unconstitutional, or unenforceable by a court of law or administrative agency with jurisdiction over the matter, such action shall not be construed to affect any other valid portion of this Ordinance.

SECTION 5. CODIFICATION The City Secretary is hereby directed to record and publish the attached rules, regulations, and policies in the City's Code of Ordinances as authorized by Section 52.001 of the Texas Local Government Code.

SECTION 6. EFFECTIVE DATE This ordinance shall take effect upon the date of final passage noted below, or when all applicable publication requirements, if any, are satisfied in accordance with the City's Charter, Code of Ordinances, and the laws of the State of Texas.

SECTION 7. PROPER NOTICE & MEETING It is hereby officially found and determined that the meeting at which this Ordinance was passed was open to the public, and that public notice of the time, place, and purpose of said meeting was given as required by the Open Meetings Act, Texas Government Code, Chapter 551. Notice was also provided as required by Chapter 52 of the Texas Local Government Code.

STAFF REPORT

MEETING DATE: July 24, 2018 AGENDA ITEM: 9A

TITLE:

Consider action to approve Resolution No. R-2018-55 of the City Council of the City of Bastrop, Texas, authorizing proceeding with the issuance of City of Bastrop, Texas certificates of obligation; directing publication of notice of intention to issue certificates of obligation; other related matters; and establishing an effective date.

STAFF REPRESENTATIVE:

Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:

Based on our current Interest and sinking (debt service) tax rate, we have the debt capacity to take on additional debt without an increase in the current rate. This will allow the City to fund much needed projects to improve streets, bridges, sidewalks and drainage. The City's Financial Advisor has calculated this available capacity for FY2018-2019 at \$4,700,000. The list of projects to be funding from this bond issuance will be discussed during the Council budget workshops and finalized by adoption of the FY 2018-2019 budget.

POLICY EXPLANATION:

City Charter Sec. 7.01 - Powers to Issue

In keeping with state law, the City shall have the power to borrow money on the credit of the City for any public purpose not now or hereafter prohibited by state law.

Timeline of Competitive Sale:

- July 24 First notice of intent appears in the newspaper
- July 30 Second notice appears in the newspaper
- Aug. 20 Preliminary Official Statement distributed to the bidders
- Aug. 22 Ratings are received and published
- Aug. 28 City Council adopts an Ordinance authorizing the issuance of the Certificate of Obligation
- Sept. 20 Closing of the Bond issuance

RECOMMENDATION:

Consider action to approve Resolution No. R-2018-55 of the City Council of the City of Bastrop, Texas, authorizing proceeding with the issuance of City of Bastrop, Texas certificates of obligation; directing publication of notice of intention to issue certificates of obligation; other related matters; and establishing an effective date.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS, AUTHORIZING PROCEEDING WITH THE ISSUANCE OF CITY OF BASTROP, TEXAS CERTIFICATES OF OBLIGATION; DIRECTING PUBLICATION OF NOTICE OF INTENTION TO ISSUE CERTIFICATES OF OBLIGATION; OTHER RELATED MATTERS; AND ESTABLISHING AN EFFECTIVE DATE

WHEREAS, the City Council of the City of Bastrop, Texas (the "City") is authorized to issue various types of debt obligations for public purposes as authorized by law and the City's home-rule charter; and

WHEREAS, the City Council deems it advisable to give notice of intention to issue certificates of obligation ("Certificates") of the City, as hereinafter provided for costs incurred or to be incurred for (i) constructing, improving and upgrading the City's streets including drainage, sidewalks, right-of-way and bridge repair; and (ii) the payment of professional services in connection therewith including legal, fiscal and engineering fees and the costs of issuing the certificates of obligation; and

WHEREAS, it is officially found and determined that the meeting at which this resolution has been considered and acted upon was open to the public and public notice of the time, place and subject of said meeting was given, all as required by Tex. Gov't Code Ann. Ch. 551; Now, Therefore

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS:

SECTION 1. Form of Notice. Attached hereto is a form of "Notice of Intention to Issue Certificates of Obligation," (the "Notice") the form and substance of which are hereby adopted and approved.

SECTION 2. Publication of Notice. The Notice shall be published, in substantially the form attached hereto, in a newspaper, as defined in Tex. Gov't Code Ann. §2051.044, of general circulation in the City, once a week for two consecutive weeks, the date of the first publication thereof to be before the 30th day before the date tentatively set for passage of the ordinance authorizing the issuance of such Certificates.

SECTION 3. Attorney General Fee. The City Council hereby authorizes the disbursement of a fee equal to the lesser of (i) one-tenth of one percent of the principal amount of each series of obligations being issued or (ii) \$9,500 for each series, provided that such fee shall not be less than \$750, to the Attorney General of Texas Public Finance

Division for payment of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004 of the Texas Government Code. The appropriate member of the City's staff is hereby instructed to take the necessary measures to make this payment. The City is also authorized to reimburse the appropriate City funds for such payment from proceeds of the Certificates and general obligation bonds, respectively.

<u>SECTION 4.</u> Effective Date. This Resolution shall become effective immediately upon adoption. The Mayor and City Secretary are hereby authorized and directed to execute this Resolution on behalf of the City and the Mayor and City Manager are hereby authorized to do any and all things proper and necessary to carry out the intent of this Resolution.

ARTICLE 1. AUTHORITY, APPLICABILITY, AMENDMENT, AND ANNUAL REVIEW

1.1 Authority.

Article III, Section 3.13 of the City Charter of the City of Bastrop, Texas grants the City Council the right to determine its own rules of procedure. The following rules are enumerated under and by authority of said provision.

1.2 Applicability.

The rules of procedure adopted by the City Council are applicable not only to the City Council, but also to all boards, commissions, and committees of the City of Bastrop.

1.3 Amendment.

These rules may be amended or new rules adopted by three (3) of the five (5) voting members of the City Council present.

1.4 Annual Review.

Following the municipal elections each year, Council will review these rules of procedure annually, make changes as appropriate, and adopt their own rules of procedure in accordance with the Charter at the first scheduled meeting in July. In the event no annual review occurs, the standing rules of procedure continue in effect. This does not limit the Council's right and ability to amend the rules at any other time during the year, in accordance with the Charter.

ARTICLE 2. GENERAL RULES OF PROCEDURE AND POLICIES

2.1 Construction of Authority.

The construction of authority in all matters associated with the meetings and activities of the City Council, including the agenda, shall be: (1) the U.S. Constitution and statues of the United States of America; (2) The Texas Constitution and statues of the State of Texas; (3) the City Charter; (4) the Code of Ordinances of the City of Bastrop, Texas; (5) these rules; and, (6) Rosenberg's Rules of Order as amended and set forth herein.

2.2 Meetings Shall Be Public.

All meetings of the City Council shall be public, and notices thereof shall be posted as provided under the Texas Government Code, Chapter 551, Open Meetings Act. Except in the case of an emergency meeting, notice of all meetings shall be given 72 hours before the time set for any meeting.

If meetings are held at Bastrop City Hall, they shall be televised live on the City's television channel via the appropriate cable providers and live-streamed via social media. If unable to televise meetings live due to technical difficulties, the meeting shall be recorded for a later broadcast. The Council meetings shall be rebroadcast as a part of the City's on-going channel programming.

The Bastrop City Hall is wheelchair accessible and special parking is available on the west side

of the building. If special accommodations are required, please contact the City Secretary a minimum of 24 hours in advance at 512-332-8800.

2.3 Conduct of Meetings.

Meetings of the City Council shall be conducted according to the rules adopted by the City Council, as well as the terms and provisions of Rosenberg's Rules of Order as amended herein and when not inconsistent with these rules.

2.4 Regular Meetings.

Regular meetings of the City Council shall be on the second and fourth Tuesday of each month at 6:30 p.m. The Council may, by majority vote at a regular meeting, change the days or times of meetings as circumstances may necessitate. Per the City Charter, the Council shall meet regularly and at least once each month.

2.5 Special Meetings.

The City Council may hold as many additional, special meetings as may be necessary for the transaction of the business of the City. Special meetings of the City Council may be called as necessary upon written notice to the City Secretary by the Mayor or by any two (2) members of the City Council unless made at a regular meeting at which a quorum of Council Members is present. The City Manager and all Council Members shall be notified of all special meetings.

2.6 Emergency Meetings.

In case of an emergency or urgent public necessity, which shall be expressed in the meeting notice, it shall be sufficient if members receive and notice is posted two (2) hours before the meeting is convened. Notice shall be provided also to the media in accordance with the Texas Government Code, Section 551.047.

2.7 Workshops (Work Session).

Workshops are special meetings called for the purpose of conducting a detailed and thorough exploration of matters that may properly come before the City Council. Audience comments or questions will not be considered at a work session unless posted for citizen comment.

2.8 Executive Sessions.

Executive sessions are sessions closed to the public. These sessions are only permitted for the purpose of discussing matters enumerated in Chapter 551, Open Meetings Act of the Texas Government Code. Disclosure of topics to be discussed shall be made to the public in accordance with the requirements of the Open Meetings Act.

The City Council can retire into an executive session as stated on a posted agenda during a regular or special meeting. However, before said session begins, the presiding officer shall announce that the executive session is commencing. The order in which an executive session may appear on the agenda is subject to the discretion of the City Council. A certified record of the meeting will be created by the presiding officer or his or her designee, sealed and permanently kept, subject to opening by court order. No voting or action shall be taken by the City Council during an executive session. No other subject but that posted on the agenda is to be considered. Adjournment of the executive session and any vote needed shall be made during the open public meeting.

2.9 Recessed Meetings.

No meeting shall be recessed for a longer period of time than until the next regular meeting except when required information has not been received, or, in the case of work sessions or special meetings, to a date certain by motion duly passed.

2.10 Quorum.

Four (4) members of the Council shall constitute a quorum to do business, and a majority vote of those attending any meeting at which there is a quorum present shall be sufficient to adopt any ordinance or resolution, except otherwise provided in the City's Charter. (Charter Article III, Section 3.13).

2.11 Conflict of Interest.

A Council Member prevented from voting by a conflict of interest shall file a conflict of interest questionnaire with the City Secretary as soon as possible after the posting of an agenda, which contains a conflict, unless an applicable conflict of interest questionnaire has already been filed.

A Council Member prevented from voting by a conflict of interest shall step down from the dais and leave the Council Chambers, shall not vote on the matter, shall not participate in discussions regarding the matter or attempt to influence the Council's deliberation of the matter in any way, shall not attend Executive sessions regarding the matter, and shall otherwise comply with the State law and City ordinances concerning conflicts of interest including Chapter 171 of the Texas Local Government Code.

2.12 Presiding Officer.

The Mayor shall serve as the Chief Presiding Officer for all meetings of the City Council. In the absence of the Mayor, the Mayor Pro Tem shall serve as the presiding officer. In the absence of the Mayor and Mayor Pro Tem, the City Manager shall call the meeting to order, if a quorum of the Council is present, and the first order of business shall be for Council to elect by majority vote, a temporary presiding officer from the members then seated and in attendance. The temporary presiding officer shall serve in such capacity until the meeting is adjourned.

The presiding officer shall serve as the chair of all meetings and shall make final rulings on all questions pertaining to these rules. All decisions of the presiding officer are final unless overruled by the City Council through a motion to appeal as described in Article 3.9 – Courtesy, Decorum and Order of these rules.

The Mayor, as Chief Presiding Officer, is entitled to participate in the discussion and debate, but may not vote, except in elections, to break a tie and as otherwise provided in the City's Charter. Because the presiding officer conducts the meeting, it is common courtesy for the chair to take a less active role than other members of the Council in debates and discussions. This practice in no way precludes the presiding officer from participating in the meeting fully and freely.

The presiding officer of boards and commissions shall be the person selected by the board or commission as the chair, co-chair, or vice chair. If these persons are not in attendance, the board or commission shall choose a temporary presiding officer from among the members in

attendance.

2.13 Minutes of Meetings.

The City Secretary shall keep minutes of all proceedings of the City Council and they shall be open to public inspection in accordance with the laws of the State of Texas.

2.14 Suspension and Amendment of Rules.

Any provisions of these rules not governed by federal, state law or the City Charter may be temporarily suspended by a super majority vote (see Article 3.7 of these rules) of the City Council. Any provisions of these rules may be amended by majority vote if such amendment is appropriately posted on an agenda of a regular meeting of the City Council and receives approval of the majority of City Council at such meeting.

2.15 Rules for the Press and Media.

The use of media equipment, such as lights, cameras and/or microphones should be coordinated with the City Manager prior to the meeting to ensure that the equipment does not disturb or otherwise conflict with or disrupt the meeting or the Council's activities.

ARTICLE 3. PARLIAMENTARY PROCEDURE

3.1 Purpose.

The purpose of these rules of parliamentary procedure is to establish orderly conduct of the meetings. Simple rules lead to a wider understanding and participation. Complex rules create two classes: (1) those who understand the rules, and (2) those who do not fully understand and those who do not fully participate. The ultimate purpose of these rules of parliamentary procedure is to encourage and facilitate decision-making by the City Council. In a democracy, the majority opinion carries the day.

These rules enable the majority to express their opinion and fashion a result, while permitting the minority to also express itself (but not dominate) and fully participate in the process.

3.2 Model Format for an Agenda Item Discussion.

The following ten (10) steps may be used as a model or guidebook by the Presiding Officer. The meeting is governed by the agenda and the agenda constitutes the only items to be discussed. Each agenda item can be handled by the Presiding Officer (Mayor) in the following basic format:

- 1. Announce the Item. The Mayor should clearly announce the agenda item number and should clearly state what the subject matter of the agenda item by reading the caption for the item being considered.
- 2. *Receive a Report*. The Mayor should invite the appropriate people to report on the item, including any recommendation they might have.
- 3. Ask Clarifying Questions. The Mayor should ask the Council Members if they have any technical questions for clarification. At this point, members of the City Council may ask

- clarifying questions to the people who reported on the item, and they should be given time to respond.
- 4. Seek Citizen Input. The Mayor should invite citizen comments or if a public hearing, open the public hearing. Upon conclusion, the Mayor should announce that public input is closed, or if a public hearing, close the public hearing.
- Motion First. The Mayor should invite a motion from the City Council before debate is given on the merits of the item. The Mayor should announce the name of the member who makes the motion.
- 6. *Motion Second*. The Mayor should determine if any member of the City Council wishes to second the motion. The Mayor should announce the name of the member who seconds the motion. If no member of the City Council wishes to second the motion, then the motion fails, and should be so stated by the Mayor.
- 7. Repeat Motion. If the motion is made and seconded, the Mayor should make certain that everyone (including the audience) understands the motion. This is done in three ways:
 - a. The Mayor can ask the maker of the motion to repeat it;
 - b. The Mayor can repeat the motion; or
 - c. The Mayor can ask the City Secretary to repeat the motion.
- 8. Discuss the Motion. The Mayor should now invite the members of the City Council to discuss the motion. If there is no desired discussion, the Mayor may call for a vote. If there has been no discussion or a brief discussion, then there is no need to repeat the motion before taking a vote. If the discussion has been lengthy, it is a good idea to repeat the motion before calling for the vote.
- 9. Vote. The Mayor may ask the City Secretary to call roll. Unless a super-majority is required for passage of the motion, a simple majority vote determines whether the motion passes or fails. Unless a member of the Council seeks recusal from voting on any question where the vote would constitute a conflict of interest, and that recusal is consented to by a majority of the remainder of the Council, all members of the Council shall vote upon every question, ordinance or resolution. Action items require a vote.
- 10. Announce the Outcome. The Mayor announces the results of the vote and should also state what action (if any) the Council has taken. The Mayor should announce the name of any member who voted in the minority on the motion.

3.3 The Basic Motions.

The basic motion is the one that puts forward a decision for consideration. A basic motion might be: "I move for approval of the ordinance as submitted," or "I make a motion that we deny the resolution."

3.4 The Motion to Amend.

If a member wants to change a basic motion, he or she would have to motion to amend the original or previously amended motion. A motion to amend might be: "I move that we amend the motion to include the changes we discussed to the ordinance." A motion to amend seeks to retain the basic motion on the floor (a motion made and seconded), but to modify it in some way. A motion to amend requires the agreement of the person making the original motion. If the basic motion has already been seconded, the motion to amend must be acknowledged and Bastrop (ity (ouncil – Rules of Procedure

accepted by the member who seconded the basic motion.

3.5 Discussion and Debate.

The basic rule of motions is that they are subject to discussion and debate. Accordingly, the basic motion and the motion to amend are all eligible, each in their turn for full discussion by and before the City Council. Discussion and debate can continue as long as the members wish to discuss it, or until the Mayor decides that it is time to move on and call a vote on the motion.

3.6 Other Motions.

There are exceptions to the general rule of free and open debate on motions. The exceptions all apply when there is a desire of the Council to move on. The following motions are NOT debatable, and the Mayor must immediately call a vote on the motion, if seconded by another member.

- *Motion to Adjourn*. This motion, if passed, requires the Council to immediately adjourn to its next regularly scheduled meeting. This motion requires a simple majority vote.
- Motion to Recess. This motion, if passed, requires the Council to immediately take a
 recess. Normally the Mayor will determine the length of the recess which could last for a
 few minutes to several hours. It requires a simple majority vote.
- Motion to Fix the Time to Adjourn. This motion, if passed, requires the Council to
 adjourn the meeting at the specific time set in the motion. For example, "I move we
 adjourn this meeting at Midnight." It requires a simple majority vote.
- Motion to Table. This motion, if passed, requires discussion of the agenda item to be halted immediately, and the agenda to be placed on hold. The motion may contain a specific time to bring the item up again, or it may not specify a time. If no time is specified, the item shall be placed on the agenda at the following Council meeting.
- Motion to Remove from Table. This motion, if passed, allows the Council to remove an
 item previously placed on hold. A vote in favor of removing an item from the table must
 be made before the Council can take action on an item that was tabled.

3.7 Motions Requiring a Supermajority Vote to Pass.

A super majority vote consists of four votes (three to pass as a simple majority, plus one more).

- Motion to Limit Debate. This motion is sometimes referred to as, "moving the question" or, "calling the question." When a member of the Council makes such a motion, the member is saying, "I have had enough discussion, let's vote on the issue." When such a motion is made, the Mayor should ask for a second, stop the discussion and vote on the motion to limit debate. The motion requires a super majority vote to pass. Meaning, the number of council members voting for the motion must equal four or more.
- Motion to Object to the Consideration of an Item. This motion, if passed, precludes the
 City Council from even considering the item on the agenda. It does not preclude the item
 from appearing on a future agenda. The motion requires a super majority vote to pass.
 (Normally, this motion is unnecessary, because the objectionable item can be defeated
 outright or tabled.)

Motion to Suspend the Rules. This motion is debatable, but requires a super majority
vote to pass. This motion allows the Council to suspend its own rules for a particular
purpose. For example, the Council may desire to give a particular speaker more time
than normally allowed. A "motion to suspend the rules and give the speaker ten
additional minutes," accomplishes this desire.

3.8 Motion to Reconsider.

There is a special motion that requires a bit of explanation all by itself: the motion to reconsider. A tenet of parliamentary procedure is finality. After vigorous discussion, debate and a vote, there must be some closure to the issue. As such, after a vote is taken, the matter is deemed closed, subject only to reopening if a proper motion to reconsider is made.

A motion to reconsider requires a simple majority vote to pass, but there are two special rules that apply only to the motion to reconsider.

The first issue involves timing. A motion to reconsider must be made at the meeting where the item was first voted upon or at the very next meeting (if properly noticed and on the posted agenda). A motion to reconsider made at a later time is considered untimely and it may not be considered unless the Council suspends the rules to consider it.

Secondly, the motion to reconsider can only be made by a member of the Council who voted in the majority on the original motion. The motion to reconsider may be seconded by any member of the City Council regardless of how they voted on the original motion. If a member of the Council who voted in the minority on the original motion seeks to make a motion to reconsider, it MUST be ruled out of order by the Mayor. The purpose of this rule is finality. If a member of the minority could make a motion to reconsider, then the item could be brought back again and again, which would defeat the purpose of finality.

If a motion to reconsider passes, then the original matter is back before the Council, and a new original motion is in order. The matter may be discussed as if it were on the floor for the first time.

3.9 Courtesy, Decorum and Order.

These rules of order are meant to promote an atmosphere of courtesy and decorum appropriate for the efficient discussion of business. It is the responsibility of the Mayor (and the members of the City Council) to maintain that atmosphere of courtesy and decorum. The Mayor should always ensure that debate and discussion focus on the item and the policy in question, not on the personalities of the participants of the discussion. Debate on policy is healthy; debate on personalities is not. In order to assist in the creation and maintenance of that atmosphere, the following rules shall govern all meetings:

 Request to Speak. Before a Council Member, staff member or an audience member may speak, they must first be recognized by the Mayor. Upon recognition the person requesting to speak shall hold the floor and shall make their point clearly and succinctly. Public comments must be kept relevant to the subject before the Council. The Mayor shall rule on the relevance of comments. Persons making irrelevant, personal, impertinent, overly redundant or slanderous remarks may be barred by the Mayor from further comment before the Council during the meeting. Audience members who wish to speak during an agenda must first complete a 'request to speak card' and submit it to the City Secretary. The Mayor has the right to cut a speaker off if the discussion becomes too personal, too loud, too crude, irrelevant, impertinent, redundant, or slanderous.

- 2. Order. If a person fails to request to speak before speaking, the Mayor shall rule them 'out of order' and remind them that they do not have the floor. While the Council is in session, all Council Members must preserve order and decorum. A person shall neither, by conversation or otherwise, delay or interrupt the proceedings or the peace of the meeting, nor disturb any other person while speaking or refuse to obey the orders of the Mayor. Members of the City Council should not leave their seats during a meeting without first obtaining permission of the Mayor, or making a motion to recess.
- 3. *Improper References Prohibited*. Every person desiring to speak shall address the entire Council and shall not single out a member of the Council, the audience or a staff member. Speakers shall confine themselves to the question under debate, avoiding all personal attacks and indecorous language.
- 4. Interruptions. A Council Member, once recognized, shall not be interrupted when speaking unless it is to call him or her to order, or other such interruption expressed below. If the Council Member, while speaking, is called to order, he or she shall cease speaking until the question of order is determined, and if the Council Member is found to be in order, he or she shall be permitted to proceed speaking. Allowable interruptions or points of order are as follows:
 - a. Point of Privilege. The proper interruption would be: "Point of Privilege." The Mayor would then ask the interrupter to, "state your point." Appropriate points of privilege relate to anything that would interfere with the normal comfort of the meeting. For example, the room might be too hot or cold, or a fan motor might interfere with a Council Members ability to hear.
 - b. Point of Order. The proper interruption would be: "Point of Order." The Mayor would then ask the interrupter to, "state your point." Appropriate points of order relate to anything that would not be considered appropriate conduct of the meeting. For example, if the Mayor called for a vote on a motion that permits debate without allowing any discussion.
 - c. *Motion to Appeal*. If the Mayor makes a ruling that a member of the body disagrees with, that member may appeal the ruling of the Mayor by stating, "motion to appeal." If the motion is seconded and after debate if it passes by a simple majority vote, the ruling of the Mayor is reversed.
 - d. Call for orders of the day. This is simply another way of saying, "let's return to the agenda." If a council member believes the discussion has strayed from the agenda. The motion does not require a vote. If the Mayor discovers that the discussion has strayed from the agenda, he or she simply returns to the business of the day.

e. Withdraw a Motion. During the debate and discussion of a motion, the original maker of the motion on the floor, at any time, may interrupt the speaker to withdraw his or her motion. The motion is immediately deemed withdrawn and discussion on the motion shall cease. Council members are free to make the same motion or another motion.

3.10 City Council and Board Member Disruptions.

As stated in Resolution R-2017-20, when members of the City Council or other Board Members become engaged in heated discussions that could be construed as not following parliamentary procedures; it will be the responsibility of the Presiding Officer (Mayor or Board Chair) to restore order to the meeting. In the event that order cannot be immediately restored, the Presiding Officer should call for a recess. When the recess is called, a sufficient number of the City Council or Board Members should depart the room so that a quorum is no longer present. Information Technology personnel will ensure that the microphones and audio for the television channel are turned off. The Presiding Officer will determine what action to take and will resume the meeting, when appropriate. Law enforcement personnel will not become involved unless a crime (i.e. assault, terroristic threat, etc.) is committed.

3.11 Audience Disruptions.

As stated in Resolution R-2017-20, if a member of the audience (gallery) becomes disruptive, the Presiding Officer will inform that person that their conduct is not permissible and to cease. If that person receives a second warning, the Chief of Police or his/her designee will position themselves in proximity to that person. On the third warning (when appropriate), the Presiding Officer will inform the person that their actions are disrupting this lawful meeting and they must depart immediately. The Chief of Police or his/her designee will escort the person out of the chambers and off of City property. In the event the person does not leave the chambers, the person will be subjected to arrest under Section 42.05 of the Texas Penal Code (TPC). The person will be subject to arrest under Section 30.05 TPC if the person does not leave the property. In the event the same person comes to a subsequent meeting and disrupts that meeting to the point they are requested to leave again, a criminal trespass warning can be issued.

It should be noted that case law has determined that only using profane language in a public place does not rise to the level of Disorderly Conduct as defined in Section 42.01 TPC. The utterance of this language should rise to the level that a fight is imminent.

3.12 Council May Discipline its Own Members.

In the event a Council Member violates the Charter, these rules or any other ordinance of the city, or acts in a manner that causes embarrassment or disgrace to the City of Bastrop, the City Council on supermajority vote may discipline the offending member.

Such action may only take place after an executive session is held to discuss the offense. The offending member shall be present at the executive session to answer any questions asked by members of the City Council or make other statements as he or she may desire to make in his or her defense. If the offending member refuses to attend the executive session, the remaining

members of the City Council may proceed in his or her absence.

The outcome of the executive session may be as follows and shall be made publicly in open session in accordance with the Texas Open Meetings Act:

- 1. No Action. The City Council chooses to take no action.
- 2. *Private Censure*. The City Council may choose to privately censure the offending member, leaving their comments to the offending member left in the confines of the executive session.
- 3. *Public Censure*. The City Council may choose to publicly censure the offending member through a resolution passed by supermajority vote and entered into the public record.

ARTICLE 4. AGENDA ORDER

The Mayor and the City Manager or an appropriate designee shall prepare an agenda and cause the same to be posted a minimum of 72 hours prior to the meeting. Agendas and packet material shall be delivered to the City Council via electronic format uploaded into a cloud storage service, such as Dropbox. City Council shall be notified via email that the agenda and packet have been uploaded and available for review. The goal would be to upload the agenda and packet on Friday prior to a regularly scheduled Council Meeting. In the event of an emergency meeting of the City Council, this provision shall be suspended when not inconsistent with the provisions of federal or state law or the City Charter.

In order to facilitate the agenda process, the Mayor, two Council Members, or the City Manager may place an item on the agenda. Staff assistance, if required, should be requested through the City Manager (City Charter, Article III, Section 3.05 Prohibitions). Agenda items must be provided to the City Manager's Office at City Hall by 12:00 noon on the 11th calendar day preceding the date of the regular meeting. If the agenda topic does not allow for staff to adequately prepare information for Council's consideration, the item may be postponed until the next regular meeting.

4.1 Call to Order.

The Mayor shall call the meeting to order. The Mayor shall announce that a quorum of the City Council is present and shall state for the record the names of all members of the City Council that are absent.

4.2 Pledges of Allegiance to the United States & Texas Flags.

The Council shall recite the Pledge of Allegiance, first to the United States Flag, and then to the state Flag of Texas. The Council welcomes individuals and organizations, young and old, to lead the Pledges.

4.3 Invocation.

All regular meetings of the City Council shall include an invocation.

4.4 Presentations.

Presentations may be made by the Mayor, City Council or Staff. The Mayor may deliver any proclamation as may be required from time to time. Outside entities and organizations granted permission to make a presentation shall be placed in this section.

4.5 Work Session/Briefings.

Items may be included in this section for the purpose of conducting a detailed and thorough exploration of matters that may come before City Council as an item for individual consideration. All questions of a technical nature, which require a detailed explanation for understanding, may be considered in a work session. Council may, through the City Manager, request the attendance of such staff members or outside experts as may be required to answer such questions. No formal action may be taken on items. Council may provide staff direction on the matter being considered. Audience comments or questions will not be considered at a work session unless posted accordingly.

4.6 Staff and Board Briefings.

Items that are provided to Council on a routine basis, such as monthly financial statements and quarterly investment reports, should be included in this section. Appointed boards of the City, who have been requested to provide periodic updates, such as the Bastrop Economic Development Corporation and Visit Bastrop, will be included in this section.

4.7 Citizen Comments.

Every agenda must include the following language for purposes of open and transparency to inform the public of how to appropriately address the City Council:

At this time, three (3) minute comments will be taken from the audience on any topic. To address the Council, please submit a fully completed request card to the City Secretary prior to the start of the Council meeting. In accordance with the Texas Open Meetings Act, if a citizen discusses any item not on the agenda, City Council cannot discuss issues raised or make any decision at this time. Instead, City Council is limited to making a statement of specific factual information or a recitation of existing policy in response to the inquiry. Issues may be referred to City Staff for research and possible future action.

To address the Council concerning any item on the agenda, please submit a fully completed request card to the City Secretary prior to the start of the Council meeting.

It is not the intention of the City of Bastrop to provide a public forum for the embarrassment or demeaning of any individual or group. Neither is it the intention of the Council to allow a member of the public to slur the performance, honesty and/or integrity of the Council, as a body, or any member or members of the Council individually or collectively, or members of the City's staff. Accordingly, profane, insulting or threatening language directed toward the Council and/or any person in the Council's presence will not be tolerated.

4.8A Approval of the Minutes.

The Council shall consider the minutes of any meeting presented for their review since the last regular meeting. This heading will only be used when there are no other items listed on a consent agenda.

4.8B Consent Agenda Items.

There is hereby established, as a part of every agenda for regular and/or special called meetings of the City Council, a portion of said agenda that shall be labeled "consent agenda." Said consent agenda may consist of any and all business regularly coming before the City Council including approval of the minutes of previous meetings.

Any member of the City Council or a citizen may request that any item be removed from the consent agenda and considered separately prior to the City Secretary reading the caption of each item. If any item was removed from the consent agenda, it will be considered immediately following approval of the remainder of the consent agenda.

The City Secretary shall read the caption of each item and/or ordinance prior to a motion being made to approve the Consent Agenda. Once a second is received on the motion, the Council shall vote.

All items set out in the consent agenda shall be deemed passed upon passage of an affirmative motion, by a vote of the majority of the members of the City Council, that the consent agenda be adopted. No further action shall be deemed necessary, and all such items appearing on the consent agenda, upon passage of such motion, shall be deemed adopted as if voted upon separately.

4.9 Items for Individual Consideration.

Items for individual consideration shall be considered by the City Council individually and approved by either a simple majority vote or a super majority vote as the case may be.

Public hearings, which are statutorily required, shall be included in this section. The Mayor shall first request staff comments. The Mayor shall open the public hearing and receive citizen input. While the public hearing is open, Council may ask questions of the speakers, but may not deliberate or argue with the public on the matter at hand. Those speaking at a public hearing are required to follow the rules established herein for Citizen Comments. Upon conclusion of citizen comments, the Mayor shall close the public hearing. Council may deliberate or take action on the matter at hand upon the closing of the public hearing.

4.10 Executive Session Items.

This section is only used when it is necessary for the Council to convene in executive session. Executive sessions are sessions closed to the public. They are only permitted for the purpose of discussing matters enumerated in Chapter 551, Open Meetings Act of the Texas Government Code. Disclosure of topics to be discussed shall be made to the public in accordance with the requirements of the Open Meetings Act.

If the subject of the executive session warrants, the executive session may be held prior to the regular session. Council shall agree in Executive Session what can be shared in public prior to concluding the Executive Session.

4.11 Action on Executive Session Items.

This section is only used if Council conducts an executive session. Action on executive session items must be taken during public/open session of the Council. Action may include the taking of no action at all.

4.12 Adjournment.

The Mayor shall adjourn the meeting upon passage of the appropriate motion.

ARTICLE 5. RULES GOVERNING CITIZEN COMMENTS

5.1 Purpose.

It is the desire of the City Council to hear from the citizens of Bastrop and to stimulate discussion and offer a forum for a cordial and meaningful public debate on matters that are properly a concern of the City Council. The following rules shall control and govern audience comments.

5.2 Rules for Audience Comments.

Immediately preceding the opening of a public hearing, the Mayor may direct the City Secretary to read the rules governing citizen comments.

5.3 Rules Governing Citizen Comments.

- 1. Each speaker is limited to a maximum timed limit of three minutes on any item except for a public hearing item.
- 2. No individual may address the Council without submitting a speaker card. The card must clearly state the subject or issue on which the citizen wishes to speak. If the subject matter does not pertain to city business, the Mayor shall advise the individual and/or make recommendations as to how they may get the issue addressed.
- 3. Citizens speaking on agenda items shall restrict their comments to the subject matter listed.
- 4. Citizens speaking on non-agenda items shall only speak during the Citizens Comment portion of the agenda.
- 5. Council may not act upon or discuss any issue brought forth as a non-agenda item, except to:
 - a. Make a statement of specific factual information given in response to the inquiry, or
 - b. A recitation of existing policy in response to the inquiry.

Any deliberation of or decision about the subject of the inquiry shall be limited to a proposal to place the subject on the agenda for a subsequent meeting.

6. Proper respect, decorum, and conduct shall prevail at all times. Impertinent, slanderous, or personal attacks are strictly prohibited and violators may be removed from the Council

Chambers.

- 7. No placards, banners or signs may be displayed in the Council Chambers or City Hall. Exhibits relating to a presentation are acceptable.
- 8. Arguing, intimidation, or other disruptive behavior is prohibited. Discussion and/or debate are acceptable only on items specifically listed on the agenda.
- 9. Unauthorized remarks from the audience, stomping of feet, applauding, whistles, yells, or any type of disruptive behavior is prohibited. Applause of appreciation may be acceptable when recognizing a significant event or achievement.
- 10. Council meetings are the workplace to carry out the business of the City of Bastrop; therefore, any conduct that could constitute harassment in the workplace is prohibited.
- 11. In all cases, the Mayor shall preside over the Council meeting and ensure that proper conduct and decorum is adhered to.

5.4 Preservation of Order.

As referenced in Article 3.11 above, the Mayor shall preserve order and decorum and, if necessary, shall cause to be silenced or removed from the Council Chambers any non-Council Member speaking out of order or disrupting the order of the meeting.

ARTICLE 6. COUNCIL LIAISONS TO BOARDS AND COMMISSIONS

One Council Member will be appointed as the council liaison to each of the city's boards and commissions annually as a part of the Board & Commission Member appointment process, except for the Ethics Commission, Bastrop Housing Authority, and the Zoning Board of Adjustments. Council liaisons will be appointed by Mayor with consideration given to applicable expertise. Council liaisons may attend, but are not required to attend, the meetings of the boards or commissions to which they have been appointed as liaison. Board and commission members may contact their council liaison concerning items of concern or interest with regard to their appointed board.

- 1. Have the item placed on a future agenda for action;
- Refer the item to the full City Council or a subcommittee for further study;
- 3. Refer the item to staff for study or conclusion.

We appreciate your interest in the community and hope you will visit again soon.

MEETING DATE: July 24, 2018 AGENDA ITEM: 9C

TITLE:

Consider action to approve Resolution R-2018-57 of the City of Bastrop, Texas approving an Escrow Agreement with Seton Family of Hospitals for public improvements associated with the construction of a health care facility on 32 acres located at the southeast corner of SH 71 and FM 304 in the amount of Eight Hundred Ninety-Six Thousand Three Hundred Seventeen and 40/100 Dollars (\$896,317.40), attached as Exhibit A; authorize the City Manager to execute all necessary documents; providing for a repealing clause, and establishing an effective date.

STAFF REPRESENTATIVE:

Jerry Palady, Interim Director of Engineering & Development

BACKGROUND/HISTORY:

Seton Family of Hospitals is building a health care facility on 32 acres located at the southeast corner of SH 71 and FM 304. This project will include public improvements including a public lift station, wastewater improvements, and potable water improvements. The Engineering Opinion of Probable Cost estimates the cost of this infrastructure at \$896,317.40.

POLICY EXPLANATION:

In the City's Code of Ordinances, Section 3.21.066 requires a reasonable bond from entities that are placing facilities in the public rights-of-way. In lieu of a completion bond, the City is willing to accept an escrow agreement in the amount of the estimated cost of the infrastructure. The escrow agent is Heritage Title Company of Austin. The City Attorney has reviewed and approved this escrow agreement.

RECOMMENDATION:

Consider action to approve Resolution R-2018-57 of the City of Bastrop, Texas approving an Escrow Agreement with Seton Family of Hospitals for public improvements associated with the construction of a health care facility on 32 acres located at the southeast corner of SH 71 and FM 304 in the amount of Eight Hundred Ninety-Six Thousand Three Hundred Seventeen and 40/100 Dollars (\$896,317.40), attached as Exhibit A; authorize the City Manager to execute all necessary documents; providing for a repealing clause, and establishing an effective date.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS APPROVING AN ESCROW AGREEMENT WITH SETON FAMILY OF HOSPITALS FOR PUBLIC IMPROVEMENTS ASSOCIATED WITH THE CONSTRUCTION OF A HEALTH CARE FACILITY ON 32 ACRES LOCATED AT THE SOUTHEAST CORNER OF SH 71 AND FM 304 IN THE AMOUNT OF EIGHT HUNDRED NINETY-SIX THOUSAND THREE HUNDRED SEVENTEEN AND 40/100 DOLLARS (\$896,317.40), ATTACHED AS EXHIBIT A; AUTHORIZING THE CITY MANAGER TO EXECUTE ALL NECESSARY DOCUMENT; PROVIDING FOR A REPEALING CLAUSE; AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, The City Council has appointed the City Manager as the Chief Administrative Officer of the City; and

WHEREAS, The City Manager is responsible for the proper administration of all affairs of the City; and

WHEREAS, the City's Code of Ordinances, Section 3.21.066 requires a reasonable bond from entities that are placing facilities in the public rights-of-way; and

WHEREAS, the Seton Family of Hospitals are building a health care facility on 32 acres located at the southeast corner of SH 71 and FM 304 which includes public improvement improvements including a public lift station, wastewater improvements, and potable water improvements; and

WHEREAS, The Engineering Opinion of Probable Cost estimates the cost of Seton's infrastructure at \$896,317.40.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BASTROP, TEXAS:

<u>Section 1:</u> That the City Manager is hereby authorized to execute all necessary documents related to the Escrow Agreement with Seton Family of Hospitals in the amount of Eight Hundred Ninety-Six Thousand Three Hundred Seventeen and 40/100 Dollars (\$896,317.40), attached as Exhibit A.

<u>Section 2:</u> All orders, ordinances, and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 3: That this Resolution shall take effect immediately upon its passage, and it is so resolved.

DULY RESOLVED AND ADOPTED by the City Council of the City of Bastrop this 24th day of July 2018.

ESCROW AGREEMENT

This Escrow Agreement (this "Agreement") is made as of this __ day of ______, 2018 (the "Effective Date") by and among SETON FAMILY OF HOSPITALS, a Texas nonprofit corporation ("Seton"), the CITY OF BASTROP ("City"), (Seton and the City sometimes collectively referred to herein as the "Parties"); and HERITAGE TITLE COMPANY OF AUSTIN, INC., a Texas corporation ("Escrow Agent").

RECITALS:

WHEREAS, in connection with the development by Seton of a health care facility on approximately 32 acres of property located at State Highway 71 and F.M. 304 in the City of Bastrop, TX (the "Project"), the City requires that Seton construct, at Seton's cost and expense, upon a portion of the Project real estate the following improvements: (a) a sanitary sewer lift station, (b) certain wastewater improvements, (c) certain potable water improvements and (d) certain related erosion control measures (collectively, the "Public Improvements");

WHEREAS, the approximate cost of the Public Improvements is set forth on <u>Exhibit A</u>, attached hereto and incorporated herein, which is a Preliminary Opinion of Probable Cost Estimate in the amount of \$896,317.40 (the "<u>Escrow Funds</u>");

WHEREAS, the City is willing to forego the procurement by Seton of one or more completion bonds if Seton is willing to deposit the Escrow Funds with the Escrow Agent pursuant to the terms and conditions hereof and Seton is willing to make such a deposit; and

WHEREAS, the Parties desire to enter into this Agreement to set forth their respective rights and obligations with respect to the Escrowed Funds, and Escrow Agent joins herein for the purpose of acting as an escrow agent for the Parties with respect to disbursement thereof.

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged the parties hereto agree as follows:

- 1. <u>Recitals</u>. The recitals set forth above are true and correct and are incorporated herein by reference.
- 2. <u>Deposit and Disbursement of Escrow Funds</u>. Prior to commencement of construction of the Public Improvements, Seton shall deposit with the Escrow Agent the Escrow Funds (\$896,317.40) in cash or cash equivalent funds. Upon receipt by the Escrow Agent of either: (a) a joint request for disbursement signed by both Seton or the City, or (b) the Certificate of Completion executed only by the Project Engineer, Escrow Agent shall disburse the Escrow Funds to Seton. The parties acknowledge that disbursement by Escrow Agent pursuant to clause (b) in the preceding sentence shall not require the consent, permission acknowledgement or

approval of either Seton or the City. However, Escrow Agent shall provide notice to the parties upon the disbursement of the Escrow Funds.

- 3. <u>Excess Escrowed Funds.</u> Any Escrowed Funds in excess of the Public Improvements remaining in the escrow account after completion of the Public Improvements shall be disbursed to Seton.
- 4. <u>Notices</u>. Any and all notices, demands, requests, submissions, approvals, consents, or other communications or documents required to be given, delivered or served or which may be given, delivered or served under or by the terms and provisions of this Agreement or pursuant to law or otherwise, shall be in writing. All notices shall be either (a) sent by overnight delivery using a nationally recognized overnight courier, in which case notice shall be deemed delivered one (1) business day after deposit with such courier, (b) sent by certified or regular U.S. mail, postage prepaid, in which case notice shall be deemed delivered two (2) business days after deposit in such mails, or (c) sent by personal delivery, in which case notice shall be deemed delivered upon receipt or refusal of delivery. All notices shall be addressed, if to the City, to the City at:

Development Services C/O City Engineer PO Box 427 Bastrop, TX 78602

with a copy to:

Bojorquez Law Firm, PC Attn: Alan Bojorquez 12325 Hymeadow Dr. Ste. 2-100 Austin TX 78750

or to such other address as City may from time to time designate by written notice to Seton and Escrow Agent, or if to Seton, addressed to Seton at:

Seton Network Facilities 1300 West 34th Street Austin, TX 78705

with a copy to:

Hall, Render, Killian, Heath & Lyman, P.S.C. 500 North Meridian Street, Suite 400 Indianapolis, IN 46204 Attn: Robert A. Hicks, Esq. Via Facsimile: (317) 633-4878

or to such address as may Seton may from time to time designate by written notice to the City and Escrow Agent, or if to Escrow Agent, addressed to Escrow Agent at:

Heritage Title Company of Austin 401 Congress Avenue, Suite 1500, Austin, TX 78701

or to such address as Escrow Agent may from time to time designate by written notice to the City and Seton.

- 5. <u>Investment and Use of Escrow Funds</u>. The Escrow Agent shall (i) not be required to invest the Escrow Funds and (ii) not commingle the Escrow Funds with any funds of the Escrow Agent or others except as permitted herein. City and Seton shall provide Escrow Agent with tax identification numbers and other information reasonably required by Escrow Agent in order for the Escrow Agent to comply with reporting obligations.
- 6. <u>Interpleader</u>. Seton and City mutually agree that in the event of any controversy regarding the Escrow Funds, unless mutual written instructions are received by the Escrow Agent directing the Escrow Funds' disposition, the Escrow Agent shall not take any action, but instead shall await the disposition of any proceeding relating to the Escrow Funds or, at the Escrow Agent's option, the Escrow Agent may interplead all parties and deposit the Escrow Funds with a court of competent jurisdiction in which event the Escrow Agent may recover all of its court costs and reasonable attorneys' fees. Unless a court decides otherwise, Seton shall be obligated to pay such costs and fees of the Escrow Agent. The court may also assess against the non-prevailing party the reasonable attorneys' fees of the prevailing party incurred in successfully enforcing the terms hereof.
- Liability of Escrow Agent. The parties acknowledge that the Escrow Agent is acting as a party hereto solely for the convenience of City and Seton, that the Escrow Agent shall not be deemed to be the agent of either of the parties, and that the Escrow Agent shall not be liable to either of the parties for any action or omission on its part taken or made in good faith, and not in disregard of this Agreement, but shall be liable for its willful misconduct and negligent acts and for any loss, cost or expense incurred by Seton or City resulting from the Escrow Agent's mistake of law respecting the Escrow Agent's scope or nature of its duties. Seton and City shall jointly and severally indemnify and hold the Escrow Agent harmless from and against all costs, claims and expenses, including reasonable attorneys' fees, incurred in connection with the performance of the Escrow Agent's duties hereunder, except with respect to actions or omissions taken or made by the Escrow Agent in bad faith, in disregard of this Agreement or involving willful misconduct or negligence on the part of the Escrow Agent.
- 8. <u>Escrow Fee</u>. Except as expressly provided herein to the contrary, the escrow fee, if any, charged by the Escrow Agent for holding the Escrow Funds and making the disbursements required hereunder shall be paid by Seton.
- 9. <u>Commingling</u>. The Escrow Agent may commingle the Escrow Funds with other deposits or with its own funds in the manner provided for the administration of funds pursuant to

applicable law; provided, however, that nothing herein shall diminish the Escrow Agent's obligation to apply the full amount of the Escrow Funds in accordance with the terms of this Agreement.

- 10. Response Time by Escrow Agent. If the terms of this Agreement require Escrow Agent to take certain action upon the occurrence of any event or contingency, the time prescribed for action by Escrow Agent shall in all cases be a reasonable time after notice to Escrow Agent of the happening of such event or contingency, unless a specific time period for response has been stated.
- 11. <u>Execution in Counterparts</u>. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of such counterparts shall constitute one Agreement. To facilitate execution of this Agreement, the parties may execute and exchange by PDF electronic email counterparts of the signature pages.
- 12. <u>Governing Law</u>. This Agreement shall, in all respects, be governed, construed, applied, and enforced in accordance with the laws of the State of Texas
- 13. <u>Binding Effect</u>. This Agreement shall be binding upon and inure to the benefit of the respective legal representatives, successors, assigns, heirs and devisees of the parties.
- 14. Resignation of Escrow Agent. The Escrow Agent may resign its duties hereunder by giving written notice of its resignation to Seton and City at least thirty (30) days prior to the date specified for such resignation to take effect. Upon the effective date of such resignation, the Escrow Funds shall be delivered by the Escrow Agent to a successor escrow agent designated in writing by the mutual agreement of Seton and City or, if there is no such agreement between the parties, then to a title company selected by Seton (the "Successor Escrow Agent"). The Successor Escrow Agent shall evidence its agreement to comply with the obligations of the Escrow Agent herein and thereafter, it shall succeed to all of the rights and obligations of the Escrow Agent hereunder.
- 15. Captions. All captions, headings, paragraph and subparagraph numbers and letters are solely for reference purposes and shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.
- 16. <u>Severability</u>. The invalidity or unenforceability of a particular provision of this Agreement shall not affect the other provisions hereof, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted.
- 17. <u>Entire Agreement.</u> Time is of the essence of this Agreement. This Agreement constitutes the sole and entire agreement of the parties and is binding upon Seton and the City, their heirs, successors, legal representatives and assigns.

IN WITNESS WHEREOF, the undersigned have duly executed and delivered this Agreement as of the day and year first set forth above.
