AGENDA ITEM: 5B

TITLE:
Discuss the cooperation agreement from 1965 with the Bastrop Housing Authority, and receive policy direction in regard to charging fees for permitting and inspections.

STAFF REPRESENTATIVE:
Trey Job, Assistant City Manager of Development Services

BACKGROUND/HISTORY:
The City of Bastrop in 1965 recognized a need for public housing, and entered into an agreement with the Housing Authority of the City of Bastrop on February 26, 1965. The agreement allows for deviations to the building code, but not at a risk to health and safety of the public.

More recently, one of the City of Bastrop Inspection staff noticed the installation of a water heater in one of the units managed by the Housing Authority. The inspector stopped and spoke with the Housing Authority’s maintenance personnel and asked that he stop by the office and pick up a permit so an inspection can be performed. The City Inspector explained the risk associated with improper water heater installation.

On November 8, 2019, Ms. Spencer with the Housing Authority respectfully requested consideration to waive our requirement to obtain permits for routine maintenance involving electrical, plumbing or mechanical work, including repair or replacement of equipment and/or waive permit fees associated with this work in accordance paragraph 5 (c) of the Cooperation Agreement between the Housing Authority and the City of Bastrop, which states: “In so far as the Municipality may lawfully do so, (II) grant such deviations from the building code of the Municipality as are reasonable and necessary to promote economy and efficiency in the development and administration of such Project, and at the same time safe-guard the health and safety…”

Staff has reviewed the Cooperation Agreement and agrees with Ms. Spencer the intent of the document allows the City of Bastrop to assist the Housing Authority with maintaining affordable housing options to citizens of Bastrop. We also agree the health and safety of the resident is the highest priority.

With that in mind, Staff recommends that permitting and inspection be required per the newly adopted 2018 ICC Codes but, the fees be waived to prevent a pass-through cost to the residents of the Housing Authority.

POLICY EXPLANATION:
Texas Local Government Code Section 51.001 provides the City general authority to adopt an Ordinance or police regulations that are for the good government, peace, or order of the City and is necessary or proper for carrying out a power granted by law to the City.

COOPERATION AGREEMENT

This Agreement entered into this 26 day of February, 1965 by and between the Housing Authority of the City of Bastrop, Texas (herein called the "Local Authority") and the City of Bastrop (herein called the "Municipality"), witnesseth:

In consideration of the mutual covenants hereinafter set forth, the parties hereto do agree as follows:

1. Whenever used in this Agreement:

(a) The term "Project" shall mean any low-rent housing hereafter developed as an entity by the Local Authority with financial assistance of the Public Housing Administration (herein called the "PHA"); excluding, however, any low-rent housing project covered by any contract for loans and annual contributions entered into between the Local Authority and the PHA, or its predecessor agencies, prior to the date of this Agreement.

(b) The term "Taxing Body" shall mean the State or any political subdivision or taxing unit thereof in which a Project is situated and which would have authority to assess or levy real or personal property taxes or to certify such taxes to a taxing body or public officer to be levied for its use and benefit with respect to a Project if it were not exempt from taxation.

(c) The term "Shelter Rent" shall mean the total of all charges to all tenants of a Project for dwelling rents, and nondwelling rents (excluding all other income of such Project), less the cost to the Local Authority of all dwelling and nondwelling utilities.

(d) The term "Slum" shall mean any area where dwellings predominate which, by reason of dilapidation, overcrowding, faulty arrangement or design, lack of ventilation, light or sanitation facilities, or any combination of these factors, are detrimental to safety, health, or morals.

2. The Local Authority shall endeavor (a) to secure a contract or contracts with the PHA for loans and annual contributions covering one or more Projects, comprising approximately 150 units of low-rent housing and (b) to develop and administer such Project or Projects, each of which shall be located within the corporate limits of the Municipality. The obligations of the parties hereto shall apply to each such Project.

3. (a) Under the constitution and statutes of the State of Texas all projects are exempt from all real and personal property taxes and special assessments levied or imposed by any Taxing Body. With respect to any Project, so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the PHA for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (iii) any bonds issued in connection with such Project or any monies due to the PHA in connection with such Project remain unpaid, whichever period is the longest, the Municipality agrees that it will not levy or impose any real or personal property taxes or special assessments upon such Project or upon the Local Authority with respect thereto. During such period, the Local Authority shall make annual payments (herein called "Payments in Lieu of Taxes") in lieu of such taxes and special assessments and in payment for the Public services and facilities furnished from time to time without other cost or charge for or with respect to such Project.
(b) Each such annual Payment in Lieu of Taxes shall be made after the end of the fiscal year established for such Project, and shall be in an amount equal to either (1) ten percent (10%) of the aggregate Shelter Rent charge by the Local Authority in respect to such Project during such fiscal year, or (ii) the amount permitted to be paid by applicable State law in effect on the date such payment is made, whichever amount is the lower. For the purpose of computing the Federal Annual Contribution and Payment in Lieu of Taxes, all projects which are covered by the same contract with the PHA for annual contributions and which have cooperation agreements with the identical Taxing Bodies shall be treated collectively as a single project.

(c) The Local Authority shall distribute the Payments in lieu of Taxes among the taxing bodies in the proportion which the real property taxes which would have been paid to each Taxing Body for such year if the Project were not exempt from taxation bears to the total real property taxes which would have been paid to all of the Taxing Bodies for such year if the Project were not exempt from taxation; Provided, however, that no payment for any year shall be made to any Taxing Body in excess of the amount of the real property taxes which would have been paid to such Taxing Body for such year if the Project were not exempt from taxation.

(d) Upon failure of the Local Authority to make any Payment in Lieu of Taxes no lien against any Project or assets of the Local Authority shall attach, nor shall any interest or penalties accrue or attach on account thereof.

4. The Municipality agrees that, subsequent to the date of initiation (as defined in the United States Housing Act of 1937), or annexation (as defined) of each Project and within (5) years after the completion thereof, or such further period as may be approved by the PHA, there has been or will be elimination (as approved by the PHA by demolition, condemnation, effective closing, or compulsory repair or improvement, of unsafe or insanitary dwelling units situated in the locality or metropolitan area in which such Project is located, substantially equal in number to the number of newly constructed dwelling units provided by such Project; Provided, That, where more than one family is living in an unsafe or insanitary dwelling unit, the elimination of such unit shall count as the elimination of units equal to the number of families accommodated therein; and Provided, further, That this paragraph 4 shall not apply in the case of (i) any Project developed on the site of a Slum cleared subsequent to year 15, 1949, and that the dwelling units eliminated by the clearance of the site of such Project shall not be counted as elimination for any other Project or any other low-rent housing project, or (ii) any Project located in a rural nonfarm area.

5. During the period commencing with the date of the acquisition of any part of the site or sites of any Project and continuing so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the PHA for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (III) any bonds issued in connection with such Project or any monies due to the PHA in connection with such Project remain unpaid, whichever period is the longest, the Municipality without cost or charge to the Local Authority or the tenants of such Project (other than the Payments in Lieu of Taxes) shall:

(a) Furnish or cause to be furnished to the Local Authority and the tenants of such Project public services and facilities of the same character and to the same extent as are furnished from time to time without cost or charge to other dwellings and inhabitants in the Municipality;

Subject: Permit Requirements and Fees

Ms. Humble and Mr. Brasich,

In June 2019, our maintenance staff was in the process of replacing an inoperable water heater when City staff observed the water heater outside of the dwelling unit and notified us of our requirement to obtain a permit to complete the work. I explained that this work was being performed in-house by our maintenance staff and indicated that we were not having all water heaters replaced by an outside contractor. I was informed that we still had to obtain a permit to replace the water heater. I spoke to Mr. Benavidez and explained that the Housing Authority has never had to obtain permits or pay permit fees for routine maintenance work that is performed in the normal scope of our maintenance staff’s duties, including repair or replacement of equipment. I indicated that the Housing Authority does require contractors to comply with any applicable permit requirements when the work involves non-routine maintenance work. I indicated that we generally replaced our own water heaters when they go out but if we had hired a contractor to replace all water heaters in the development, we would have required them to provide a copy of their permit.

Mr. Benavidez discussed the City’s focus on enforcement and concerns for health and safety and explained the potential risks associated with improper installation of gas water heaters. I explained that our the lead maintenance has been employed with the Housing Authority for 15 years and has a prior background working with gas/propane and is aware of the risks associated with gas. I also explained that the Housing Authority has Cooperation Agreement with the City of Bastrop and explained this may be why we have never been subjected to permit requirements for routine maintenance work in the past. Mr. Benavidez suggested that I could discuss this when I applied for the permit. When I went to get the permit, I was told that I had to discuss the matter with the City’s building official and was informed that Mr. Brasich would be out for the next two weeks. We were issued a commercial trade permit for the water heater replacement and paid the permit fee of $156.00.

Since we have not replaced any other water heaters, I have not met with or spoke to Mr. Brasich concerning this matter. However, these permit fees were discussed when the Housing Authority Board was going through the budget process in September. Concerns were expressed that permit requirements could also apply to other plumbing, electrical and mechanical work that is routinely performed by our maintenance staff in the normal course of their daily duties. It is my understanding that the City revised the permit fee schedule in August and the new commercial trade permit fee is now $56.00. However, a requirement to any pay permit fees for routine maintenance work that has never required a permit in the past will increase the Housing Authority’s operating costs.

Based on this, the Housing Authority respectfully requests consideration to waive our requirement to obtain permits for routine maintenance involving electrical, plumbing or mechanical work, including repair or replacement of equipment
and/or waive permit fees associated with this work in accordance paragraph 5 (c) of the Cooperation Agreement between the Housing Authority and the City of Bastrop, which states: “In so far as the Municipality may lawfully do so, (II) grant such deviations from the building code of the Municipality as are reasonable and necessary to promote economy and efficiency in the development and administration of such Project, and at the same time safe-guard the health and safety...”. If the City is not able to waive all permit requirements due to concerns for health and safety, the Housing Authority respectfully requests consideration to limit permit requirements only to work that could pose potential risks to health and safety, such as installation of gas water heaters.

Thank you for your consideration of this request. I have attached a copy of the Cooperation Agreement between the Housing Authority and the City of Bastrop and the receipt for the permit fees that were paid. Please note that Chairperson Woods mistakenly thought the permit fee of $156 was based on the City’s revised permit fee schedule that was adopted in August. If you have any questions or would like to discuss this matter further, please feel free to contact me at 512-321-3398 or via cell phone at 512-229-8891.

Grand jury indicts man for roommate’s murder

Bastrop County grand jury this month indicted a man for murder after he was accused of stabbing his sleeping roommate’s friend with a tool, suffocating him, and then tying to cut off his head.

The 26-year-old was charged with first degree murder in the deaths of lottery ticket in his home in March along South Road, near Cedar Grove, according to Verger mean affidavit.

Defendants arrived at Vein’s home during the early morning hours on May 20 and found Przybylski dead in the bed on the foot and “sweaty, with cap of blood,” the affidavit said.

Defense then learned that Vein was driving to a family member’s house, which was about 10 miles away, when he heard from Przybylski. When police arrived at his residence and contacted Mr. Vein, he told them that he was worried about his friend and that there’s no way to remove that,” police

Project paves way for Seton hospital

Ribbon cutting held Thursday for Agnes Street extension

By Terry Mabry

Bastrop city officials on Thursday marked the completion of the Agnes Street extension at Texas 146 with a ribbon-cutting ceremony, paving the way for expansion of Bastrop’s Neighborhood Hospital campuses in 2019.

The street’s extension was used by tâm from Texas 146 to the eastern edge of the Seton hospital’s property. Ultimately, officials plan to extend Agnes Street east from the hospital property and connect it to Clarks Creek.

Thursday’s ceremony hosted by the Bastrop Chamber of Commerce also celebrated the completion of the infrastructure for the forthcoming 40,000-square-foot hospital that will feature an emergency room, medical services, at least 850 patient beds, a treatment area, and medical office spaces that will include primary and specialty care services.

The Agnes Street corridor allows us to open an area for mixed-use development, for additional commercial and for retail,” said Bastrop Mayor Connie Schrader, who was the keynote speaker for the ceremony and a board member of the Bastrop Economic Development Corporation, which funded the project. “Our goal is to make sure that Agnes grows from State Highway 146 and all the way to Clarks Creek.”

Once the street’s full extension is complete, it will provide a secondary exit to Seton.

A Look Back: Art Institute Announcement

The average Bastrop homeowner will see a $11.44 increase in their annual property tax bill next year if the city council approves the proposed 5.4% tax rate.

The city council-approved rate for fiscal year 2020 is the same rate as it has been since 2016, but with home values increasing this year on average by 1.6% to $111,551, according to the Bastrop Central Appraisal District, homeowners can expect to pay more. In total, the average homeowner would pay $1,300, an increase in property taxes next year.

The average home value last year was $103,700, the appraisal district said, which would have yielded a city tax of $1,250 a year.

In order for property owners to see no increase in their property tax bills, they would have to adopt an effective tax rate of 5.2 cents — though the city would collect the same amount of property tax revenue it did last year on properties valued above $903,100. Properties valued below $903,100, however, would see a decrease in their property tax bills.

The effective rate does not take into account new properties, bringing the city's total property value up to $1.7 billion this year.

On Tuesday, the Bastrop City Council voted to delay

Art Institute of Austin relocating to Bastrop

First classes at new campus to be offered in summer of 2020

By Andy Saavedra www.bastroppress.com

The Art Institute of Austin will shutter operations in Round Rock in June 2019 and move to Bastrop with the first classes offered at the new campus in the summer quarter of that year, the school system's chancellor and Bastrop city officials confirmed to the Bastrop Advertiser on Wednesday.

"There's going to be an opportunity for students in the Bastrop area and south and East Austin that perhaps didn't want to make the trip to Round Rock to get the Art Institute education," one of the institutions, which offers degrees in design, media arts, culture arts and fashion, will be a sprawling campus in Bastrop County with two facilities with 400,000 square feet of space.

Bastrop wraps up its own code overhaul

SUBURB TO THE EAST PLANS FOR GROWTH BUT TAKES PRESERVATION STEPS

Like Austin, Bastrop has worked for years with an outdated land development code that many characterize as ill-prepared to handle the region’s frenetic growth.

But officials in Bastrop are hopeful a new land use code — dubbed Bastrop Building Block or B3 — will turn the tide.

Bastrop City Council voted Nov. 12 to adopt the code as well its supporting pattern book and technical manual. Those votes came on second reading, allowing the regulatory changes to take effect.

Simplicity Design was the project’s lead consultant. Engineer Kimley-Horn and Associates and public relations firm Brie & Co. were also part of the design team.

In the new code, conventional zoning districts have been replaced by “place types” that range in density from Nature and Rural to Neighborhood Mix and Core. Those “place types” are supposed to align with street, frontage and building types to “ensure all the components of the neighborhood work together,” according to the code.

The city is also using an overlay called the Iredell Historic District to regulate building materials in historic parts of the downtown area.

A new state law, House Bill 2439, prevents local governments from limiting the use of building materials or products. Bastrop Mayor Connie Schroeder said they wanted to take advantage of an exception in the law for areas designated for historical, cultural or architectural significance.

“People have an expectation when they move into a city that the character of that neighborhood will be sustained and will remain the same,” Schroeder said.

Schroeder said the city has also adjusted permitting procedures to be smoother and simpler, such as specific days that plans may be submitted so they can be reviewed in time under the state’s so-called “shot clock bill.”

“We were making a cake anyway. We just had to throw in another ingredient,” Schroeder said of regulations in the new state law, HB 3167.

AGENDA ITEM: 8B

TITLE:
Consider action to approve the second reading of Ordinance No. 2019-76 of the City Council of the City of Bastrop, Texas, amending the budget for the Fiscal Year 2020 in accordance with existing statutory requirements; appropriating the various amounts herein as attached in Exhibit A; repealing all prior ordinances and actions in conflict herewith; and establishing an effective date.

STAFF REPRESENTATIVE:
Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:
The FY2020 budget was approved by City Council on September 24, 2019. Since that approval, the City has closed the FY2019 fiscal year and needs to carry-over amounts relating to ongoing projects.

Budget Amendment #1: General Fund-Revenue & Patrol Budget
The City received proceeds from an insurance claim. The repair to this vehicle was not originally in the FY2020 budget, so these proceeds need to be applied to this expense account to cover the repairs. This amendment has a zero-net effect on fund balance. It is increasing revenue and increasing the expense by $6,400 each.

Budget Amendment #2: Hotel Occupancy Tax Revenue & Main St. Program Expense
The contract with Décor IQ for the installation of Holiday Lighting was approved by Council on August 14, 2018. The motion was to approve the contract with addition lighting requests with a not to exceed amount of $136,900. This increase for this contract was not picked up in the budget process and the same amount was carried over from FY2019 original budget ($125,000). This amendment is to increase the amount coming in from BP&L and increase the expense account for the contract. This amendment has a zero-net effect on fund balance. It is increasing revenue and increasing the expense by $11,900 each.

Budget Amendment #3: BP&L – Transfer Out
This amendment is to increase the amount coming from BP&L related to budget amendment #2. This amendment is increasing total expenditures for the BP&L fund by $11,900. This amendment is reducing fund balance in this fund.
Budget Amendment #4: Water & Wastewater Fund – Expenditures

The proceeds from an insurance claim for a weather event in FY2019 were received but never spent during FY2019. Since the revenue was received in FY2019 it rolled into ending fund balance. This amendment is increasing the expense line item and will reduce the total fund balance by $4,905. This will allow the department to go ahead with the recommended repairs.

Budget Amendment #5: Street Maintenance Fund – Revenue & Expenditures

The original Engineer’s Opinion of Probable Cost (OPC) from the August 27, 2019 meeting was eight hundred twenty-six thousand eight hundred dollars and zero cents ($826,800). Based on the new request for proposals, the total needed is $1,189,139.80. The current FY20 budget amount is $1,183,945 (page 270 of the budget book), which includes purchase of a Hot Box and the balance of the Engineering contract both totaling $95,358. This leaves $1,088,587 for construction. There is an available $17,400 in Fund Balance and the interest earned on the 2018 CO issuance of $84,000.00. This will give us a combined total of $1,189,987 needed to cover the contract with Angel Brothers, Ltd.

Budget Amendment #6: 2019 Revenue Bond – Expenditures

This bond fund did not expense as much as previously estimated in FY2019 (page 298), leaving a fund balance at the end of the year of $844,347. All balances in this bond fund are for wastewater projects. This amendment is a carryover of the available fund balance from FY2019 plus budgeted revenue of $8,000 (also on page 298) totaling $852,347. This amendment will allow us to spend the balance of this bond fund in FY2020 for the ongoing WWTP#3.

Budget Amendment #7: Water & Wastewater Capital Improvement Fund – Expenditures

This capital fund did not expense as much as previously estimated for capital outlay for water CIP projects in FY2019 (page 227). This amendment is a carryover of the available fund balance from FY2019 to complete the elevated and ground storage water tanks at HWY 20.

POLICY EXPLANATION:
The Financial Management Policy states that the level of budgetary control is at the department level in all Funds. If transfers are required between departments, this must be approved by Council.

The City Charter requires that when the budget is amended, that the amendment be made by Ordinance.

Election night reports will be available to the CITY at the Central Counting Station on election night and will provide individual polling location totals.

J. **Manual Counting.** The Contracting Officer shall conduct a manual count as prescribed by Section 127.201 of the Texas Election Code and submit a written report to the CITY in a timely manner. The Secretary of State may waive this requirement. If applicable, a written report shall be submitted to the Secretary of State as required by Section 127.201(E) of the aforementioned code.

K. **Election Reports.** The Contracting Officer shall prepare the unofficial tabulation of precinct results under Section 66.056(a) of the Texas Election Code and shall provide a copy of the tabulation to the CITY as soon as possible after the Contracting Officer has received the precinct returns on Election Day night. Provisional ballots will be tabulated after election night in accordance with state laws.

L. **Custodian of Voted Ballots.** The Contracting Officer is hereby appointed the custodian of voted ballots and shall preserve them in accordance with Chapter 66 of the Texas Election Code and other applicable law.

II. **RESPONSIBILITIES OF THE CITY.** The CITY shall assume the following responsibilities:

B. **Polling Locations.** The CITY shall pay the respective cost of all employee services required to provide access, security, or custodial services for the polling locations.

C. **Applications for Mail Ballots.** The CITY shall date stamp and then immediately hand deliver to the Contracting Officer all original mail ballot applications for mail ballots that it receives.
D. **Election Orders, Election Notices, Canvass.** The CITY shall prepare the election order, resolutions, notices, official canvass, and other pertinent documents for adoption by the CITY’s governing body. The CITY shall be responsible for having the required election notice under Section 4.003(a)(1) of the Texas Election Code published in the newspaper as required by State law. The CITY shall also be responsible for posting the notice required under Section 4.003(b) of the Texas Election Code as required by law. Promptly after approval of election order, resolutions, notices, official canvass, and other pertinent documents by the CITY’s governing body and within such time so as not to impede the orderly conduct of the election, the CITY shall return said documents to the Contracting Officer for proper recordkeeping. The CITY assumes the responsibility of promoting the schedules for Early Voting and Election Day.

The CITY will provide for the appointment of the Contracting Officer as the early voting clerk for the election in the orders calling the election. The orders will also include approval of election day polling places; times, dates and places for early voting; and appointment of precinct judges.

E. **Paper Ballots.** In advance of the March 18, 2020 date on which the Texas Secretary of State’s Office encourages the mailing out of ballots for early voting by mail, the Contracting Officer shall arrange with a third party to prepare the necessary optical paper ballots for the election. The ballots shall be in English with the Spanish translation included.

The CITY shall furnish the Contracting Officer a list of candidates and/or propositions showing the order and the exact manner in which their names or proposition(s) are to appear on the official ballot (including bilingual titles and text). This list shall be delivered to the Contracting Officer as soon as possible after ballot positions have been determined. The CITY shall perform the duties required for drawing for place on the ballot by candidates. The CITY shall be responsible for proofreading and approving the ballot insofar as it pertains to the authority’s candidates and/or propositions.

### III. SPECIAL PROVISIONS RELATING TO ELECTION WORKERS

A. **Compensation.** The parties agree that presiding judges and alternate judges will be compensated at a rate of $12.00/hr., and election clerks will be compensated at a rate of $10.00/hr. They will be compensated for all hours actually worked, including the time to set up the polling location and the time to complete the counting and to wrap up the paper work, but not to exceed one hour before and two hours after the polling location is open for voting. The presiding judge, or the election worker at the polling location that he or she designates, who picks up the election supplies on May 2, 2020 from the Contracting Officer and who returns the remaining supplies, ballot boxes, and all other election records from the polling location to the Contracting Officer will be compensated with a delivery fee of $25 at the same time that payment is made for the hours worked. The Contracting Officer will pay the election workers directly and be reimbursed for such by the CITY.

B. **Number of Election Workers.** The parties agree that at all polling locations there will be a minimum of three election workers, consisting of the presiding judge, alternate judge, and one clerk.

### IV. JOINT EXPENSES AND PAYMENT
A. **Expenses Incurred and Billing.** The participating authorities agree to share actual costs incurred to the extent that the costs and expenses are incurred in connection with a polling location used by more than one local political subdivision, such as (without limitation) the cost of renting polling locations and voting equipment, programming the voting equipment, supplies needed for the polling place, wages and salaries of election workers. Election expenses shall be pro-rated equally among the participants.

The parties agree, for those polling locations used solely by the CITY and not shared by any other participating authority, that the CITY will pay the wages, salaries, and other applicable election costs and expenses directly related to such polling location.

It is understood that to the extent space is available, other districts and political subdivisions may wish to participate in the use of Bastrop County’s election equipment and voting places, and it is agreed that the Elections Administrator may contract with such other districts or political subdivisions for such purposes and that in such event there may be an adjustment of the pro-rata share to be paid to Bastrop County by the participating authorities.

B. **Billing.** As soon as reasonably possible after Election Day, the Contracting Officer will submit an itemized invoice to the CITY for (1) actual expenses directly attributable to the coordination, supervision, and running of the election and incurred on behalf of the CITY by the Contracting Officer, including expenses for supplies in connection with the election school(s), publication and printing of election notices, election supplies, wages paid to the Contracting Officer’s employees for services under this contract performed outside of normal business hours, election workers, and any other expenses reasonably and directly related to the election, including, without limitation, rental and programming of DREs and audio ballots, and (2) the Contracting Officer’s fee under Section 31.100(d) of the Texas Election Code and as provided in Section IV.E below. Expenses related to wages shall be supported by compensation sheets. Other expenses shall be supported by invoices or receipts, except that the price of items coming out of the Contracting Officer’s stock of election supplies shall be supported by the Contracting Officer’s certificate about the number of items used and the unit cost therefore according to the vendor’s standard price list.

C. **Payment.** The CITY shall pay the Contracting Officer’s invoice within 30 days from the date of receipt to: Bastrop County, Attn: Kristin Miles, Elections Administrator, 804 Pecan Street, Bastrop, TX 78602. If the CITY disputes any portion of the invoice, the CITY shall pay the undisputed portion of the invoice, and the parties will discuss in good faith a resolution of the disputed portion. All payments shall be made from current revenues available to the CITY.

D. **Expense Item Larger than $500.** If a single election expense exceeds $500, the Contracting Officer reserves the right to invoice the CITY for such expense at the time it is incurred, supported by an invoice or receipt, rather than waiting until after Election Day. The CITY shall pay such invoice within 30 days from the date of receipt.

E. **Estimated Cost of Services.** A cost estimate for election expenses is attached hereto and made a part of this contract as Exhibit “C” or Exhibit “C-1”, whichever is applicable. The parties agree that these are an estimate only and that the CITY is obligated to pay their respective portion of the actual expenses of the election as set forth herein. The Contracting Officer agrees to advise the CITY if it appears that the actual expenses incurred by the Contracting Officer will exceed by 20% or more the estimated expenses to be paid initially by the Contracting Officer and reimbursed jointly by the CITY.
F. **Administrative Fee.** The CITY shall pay the Contracting Officer a 10% administrative fee, pursuant to the Texas Election Code, Section 31.100.

V. **GENERAL PROVISIONS**

A. **Nontransferable Functions.** In accordance with Section 31.096 of the Texas Election Code, nothing in this contract shall be construed as changing

1. the authority with whom applications of candidates for a place on the ballot are filed;

2. the authority with whom documents relating to political funds and campaigns under Title 15 of the Texas Election Code are filed; or

B. **Joint Election.** The parties acknowledge that the Contracting Officer may contract with other entities holding elections at the same time as the CITY on May 2, 2020. If another election occurs in territory of the CITY, Bastrop County will notify the CITY of the existence of the situation and provide a joint election agreement.

C. **Cancellation of Election.** If the CITY cancels its election pursuant to Section 2.053 of the Texas Election Code, the Contracting Officer shall only be entitled to receive the actual expenses incurred before the date of cancellation in connection with the election and an administrative fee of $75. The Contracting Officer shall submit an invoice for such expenses (properly supported as described in IV. PAYMENT above) as soon as reasonably possible after the cancellation and the CITY shall make payment therefore in a manner similar to that set forth in IV. PAYMENT above. The Contracting Officer agrees to use reasonable diligence not to incur major costs in connection with election preparations until it is known that the election will be held, unless the CITY authorizes such major costs in writing. An entity canceling an election will not be liable for any further costs incurred by the Contracting Officer in conducting the May 2, 2020 Joint Election.

D. **Contract Copies to Treasurer and Auditor.** In accordance with Section 31.099 of the Texas Election Code, the Contracting Officer agrees to file copies of this contract with the County Treasurer of Bastrop County, Texas and the County Auditor of Bastrop County, Texas.

MEETING DATE: January 14, 2019
AGENDA ITEM: 9F

TITLE:
Hold public hearing and consider action to approve Resolution No. R-2020-06 of the City Council of the City of Bastrop, Texas granting a variance to Bastrop Code of Ordinances Article 4.02.005 Sale of Alcoholic Beverages, Separation Requirements from Church, Public or Private School, or Public Hospital, on property located at 1004 Main Street, within the city limits of Bastrop, Texas, as shown in Exhibit A; providing for a repealing clause; and establishing an effective date.

STAFF REPRESENTATIVES:
Allison Land, Planner

BACKGROUND/HISTORY:
The site is zoned P-5 Core, which permits commercial uses, including restaurant. It is located on Main Street just north of Chestnut Street. The location meets the separation requirements from the nearest church and public school, but the private school measurement is less than the required three hundred (300)-foot separation. The property line of the café abuts Calvary Episcopal School’s property line. Texas Alcoholic Beverage Code gives City Council the authority to approve a variance to the distance requirement.

Local elections allow for mixed beverages to be served when a Texas Alcoholic Beverage Commission (TABC) Food & Beverage Certificate is present. The café is applying for the appropriate permits to comply.

Alcohol sales currently exist in the downtown area. Iron Bridge Ice House, Neighbor’s Kitchen and Yard, Paw Paw’s, Bastrop Beer Company, Old Town, Copper Shot, and others have permits for the sale of alcohol. Council approved variances for Iron Bridge Ice House, Neighbor’s Kitchen and Yard, Pit Stop, and Cripple Creek Wine and Gifts within the last year.

PUBLIC COMMENTS:
Notifications were mailed to 35 surrounding property owners on December 31, 2019. At the time of this report, no responses have been received.

POLICY EXPLANATION:
Article 4.02.005 Separation Requirements from Church, Public or Private School, or Public Hospital

(a) No person shall sell or engage in the business of selling any alcoholic beverage where the place of business of such person is located within three hundred (300) feet of any church, public or private school, or public hospital
The premise requesting the variance is Anita’s Cafe, located at 1004 Main Street, which is within three hundred (300) feet of private school property (Calvary Episcopal School). The distance to a private school is measured in a direct line from property line to property line as defined in state law.

(b) This section does not apply to:

1. a holder of a license or permit who also holds a food and beverage certificate covering premises that are located within three hundred (300) feet of a private school, as the term "private school" is defined by the Texas Alcoholic Beverage Code;
2. any place of business that is legally selling alcoholic beverages at the same location for a continuous period of one year preceding the establishment, construction or purchase of property for the establishment or construction of a church, public or private school, or public hospital; or
3. businesses that were in operation at the time this section was originally enacted, until such a time as such businesses have a change in ownership.

This location does not qualify for any of the above.

Article 4.02.006 Variance to Separation Requirements

(a) The Council may provide variances if, after notice and a public hearing, the council determines that enforcement of the regulation in a particular instance:

1. is not in the best interest of the public;
2. constitutes waste or inefficient use of land or other resources;
3. creates an undue hardship on an applicant;
4. does not serve its intended purpose;
5. is not effective or necessary; or
6. for any other reason the council, after consideration of the health, safety, and welfare of the public and the equities of the situation, determines is in the best interest of the community.

The café is a commercial business on Main Street, two doors north of Chestnut Street. Anita’s Café would like to serve mixed beverages along with their Tex-Mex food.

STAFF REPRESENTATIVE:
Jennifer C. Bills, AICP, Assistant Planning Director

BACKGROUND/HISTORY:
Structure Development d/b/a Farm Street Village, LP is requesting a resolution of support from the Bastrop City Council to apply for the Competitive (9%) Housing Tax Credit (HTC) program through the Texas Department of Housing and Community Affairs (TDHCA) to construct multifamily homes with 12 market-rate and 50 income-restricted and age-restricted units (Attachment 1).

The proposed site is 4.93 acres on the north side of Farm Street directly across from Film Alley. A single-family home and a couple of accessory structures currently occupy the site. The site is zoned P3 and will require a change of zoning to P4 to allow multifamily.
The applicant has provided detailed information about the proposed development and program requirements and information on Structure Development’s construction, and property management experience (Attachment 1).

POLICY EXPLANATION:
The Low-Income Housing Tax Credit Program is a federally allocated program through the Internal Revenue Service. Each year tax credits are allocated to each state to be allocated through a state plan. The State of Texas adopts the Qualified Allocation Plan (QAP) that provides development requirements through Competitive (9%) and Non-Competitive (4%) processes. The 9% program provides a greater level of fund compared to the 4% program. With the additional funding, the developments are able to offer greater discounts on income-restricted units.

BACKGROUND/HISTORY:
This is a companion Resolution R-2020-07 in support of the Farm Street Village rental senior apartments at approximately 1500 Farm Street.

In the State of Texas, there is currently one housing tax credit unit for every 102.7 people. The City of Bastrop has 4.16 times that rate, at one unit per 79.4 people. This is a comparative statistic and is not reflective of market demand. Below are the existing and projects under construction that are part of the program.

POLICY EXPLANATION:
In the 2020 Qualified Allocation Plan (QAP) the state adopted scoring criteria for the 9% Competitive Housing Tax Credit Program. A city is required to acknowledge that the area has more than two times the average and support the application in order for the application to move forward. If the city does not adopt the two times resolution, the applicant will not be eligible for Housing Tax Credit funding. This gives the local government the ability to review new projects.

The attached resolution contains the specified language by the TDHCA requirements.

RECOMMENDATION:

AGENDA ITEM: 9I

TITLE:
Consider action to approve Resolution No. R-2020-05 of the City Council of the City of Bastrop, Texas awarding a master contract for the purchase and delivery of Harmsco Filter Cartridges to Ryan Herco Flow Solutions, in the amount of One Hundred Fifty-Four and 62/100 cents ($154.62) and Four Hundred Fourteen and 91/100 cents ($414.91) per unit; as attached in Exhibit A; authorizing the City Manager to execute all necessary documents; providing for a repealing clause; and establishing an effective date.

STAFF REPRESENTATIVE:
Trey Job, Assistant City Manager of Development Services

BACKGROUND/HISTORY:
The City of Bastrop was declared a (GUI) or ground water under the influence of surface water in 2013. Once the city was notified, we designed a treatment process that would remove any potentially harmful microscopic pathogens.

In 2018, with additional data available related to the quantity of filters required, an RFP for a master contract designating a single source as the preferred supplier was prepared. While several vendors inquired, the only response was from Ryan Herco Flow Solutions. The contract with Ryan Herco ended in 2019.

In December 2019, an RFP was advertised for filters and only one bid was received. Once again, Ryan Herco was the only bidder.

POLICY EXPLANATION:
The City of Bastrop is a municipal water supplier that provides clean, safe, potable water to its customers 365 days per year. The City’s water supply is considered “Ground Water Under Direct Influence of Surface Water” and, as such, the Texas Commission on Environmental Quality (TCEQ) has approved the use of Cartridge Filtration for microbiological treatment of the City’s water supply.

In accordance with state law and the City’s purchasing policy, sequential purchasing of any kind is prohibited. Therefore, to remain in compliance with the Texas Local Government Code, Subchapter B, Section 252.021 a request for proposal must be issued for amounts over $50,000.00.

FUNDING SOURCE:
Funding for water filters is budgeted in the Water/Wastewater FY2019-2020 budget. During FY2018-2019, the City spent $248,793.15 on these filters.
RECOMMENDATION:
Consider action to approve Resolution No. R-2020-05 of the City Council of the City of Bastrop, Texas awarding a master contract for the purchase and delivery of Harmsco Filter Cartridges to Ryan Herco Flow Solutions, in the amount of One Hundred Fifty-Four and 62/100 cents ($154.62) and Four Hundred Fourteen and 91/100 cents ($414.91) per unit; as attached in Exhibit A; authorizing the City Manager to execute all necessary documents; providing for a repealing clause; and establishing an effective date.

Standard Terms and Conditions apply to all advertised RFPs; however, these may be superseded, whole or in part, by the Instructions to Proposers or data contained herein.

*** VENDOR TO SUBMIT THE COMPLETE ORIGINAL PROPOSAL TO FACILITATE EVALUATION. IF THE COMPLETE ORIGINAL PROPOSAL PACKET IS NOT SUBMITTED, YOUR PROPOSAL MAY BE CONSIDERED AS "NON-RESPONSIVE TO SPECIFICATIONS" AND MAY NOT BE CONSIDERED FOR FURTHER EVALUATION. ***

When delivery delays can be foreseen, the proposer shall give prior notice to the Water/Wastewater Department which shall have the right to extend the delivery due date if reasons for delay appear acceptable. No officer of employee of the City shall have a financial interest, direct or indirect, in any contract with the City, or be financially interested, directly or indirectly, in the sale to the City of any land, materials, supplies or services, except on behalf of the City. Any violation of this provision shall render this contract voidable at the discretion of the City.

Form provided by Texas Ethics Commission www.ethics.state.tx.us Revised 12/22/2017
Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency.

The law applies (with a few exceptions) only to a contract between a business entity and a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Changed or Amended Contracts:

Form 1295 is only required for a change made to an existing contract in certain circumstances: (1) if a Form 1295 was not filed for the existing contract, then a filing is only required if the changed contract either requires an action or vote by the governing body or the value of the changed contract is at least $1 million; or (2) if a Form 1295 was filed for the existing contract, then another filing is only required for the changed contract if there is a change to the information disclosed in the Form 1295, the changed contract requires an action or vote by the governing body, or the value of the changed contract increases by at least $1 million.

As required by law, the Commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The Commission also adopted rules (Chapter 46) to implement the law. The Commission does not have any additional authority to enforce or interpret section 2252.908 of the Government Code.

Filing Process:

A business entity must use the Form 1295 filing application the Commission created to enter the required information on Form 1295 and print a copy of the completed form. Once entered into the filing application, the completed form will include a unique certification number, called a "certification of filing."

An authorized agent of the business entity must sign the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

The completed, printed, and signed Form 1295 bearing the unique certification of filing number must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Acknowledgement by State Agency or Governmental Entity:

The governmental entity or state agency must acknowledge receipt of the filed Form 1295 with the certification of filing, using the Commission's filing application, not later than the 30th day after the date the governing body or state agency receives the Form 1295. The Commission will post the completed Form 1295 to its website within seven business days after the governmental entity or state agency acknowledges receipt of the form.

NOTARY OF PUBLIC
FOR THE STATE OF TEXAS

Effective: September 1, 2017

A governmental entity may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it:
(1) does not boycott Israel; and
(2) will not boycott Israel during the term of the contract.

The following definitions apply:

(1) "Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

(2) "Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

(3) "Governmental entity" means a state agency or political subdivision of this state.

State law requires verification from a Company for contracts involving goods or services (regardless of the amount) before the City can enter into the contract.
A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

Signed By: [Signature]  Date: 12/30/19

Witnessed By: [Signature]  Date: 12/30/19
MEETING DATE: January 14, 2020

AGENDA ITEM: 9J

TITLE:
Consider action to approve Ordinance No. 2020-01 of the City Council of the City of Bastrop, Texas, authorizing the Issuance of the City of Bastrop, Texas Combination Tax and Revenue Certificates of Obligation, Series 2020 to purchase Fire trucks and equipment; Levying an Ad Valorem Tax and Pledging Certain Surplus Revenues in Support of the Certificates; Approving an Official Statement, a Paying Agent/Registrar Agreement and Other Agreements Relating to the Sale and Issuance of the Certificates; and Ordaining Other Matters Relating to the Issuance of the Certificates; repealing all ordinances and actions in conflict herewith; and providing for an effective date.

STAFF REPRESENTATIVE:
Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:
At a City Council budget workshop held on August 20, 2019, a presentation was made regarding the need for fire equipment and the funding required to make these purchases. The total for an Aerial Engine, PUC Pumper Engine and replacement Self-Contained Breathing Apparatus equipment was approximately $2.8M. This would require the City to issue a bond that future payments would be covered under the current debt tax rate without an increase. The initiation of the order and pre-payment to take advantage of the discount will need to happen before the City can initiate a bond process and sale.

On September 10, 2019 the City Council approved a reimbursement resolution to allow the City to move forward with the placement of the order for the equipment and insure that the City will be reimbursed once the bond sale is complete.

This Ordinance authorizing the issuance of Tax and Revenue Certificates of Obligation, Series 2020 will reimburse the city for the prepayment of the Aerial Engine, PUC Pumper Engine and replacement SCBA equipment.

POLICY EXPLANATION:
City Charter Sec. 7.01 – Powers to Issue
In keeping with state law, the City shall have the power to borrow money on the credit of the City for any public purpose not now or hereafter prohibited by state law.

Bond Council has advised that state law supersedes the City Charter in only requiring one reading for a Bond Ordinance.

FUNDING SOURCE:
Certificate of Obligation, Series 2020
RECOMMENDATION:
Consider action to approve Ordinance No. 2020-01 of the City Council of the City of Bastrop, Texas, authorizing the Issuance of the City of Bastrop, Texas Combination Tax and Revenue Certificates of Obligation, Series 2020 to purchase Fire trucks and equipment; Levying an Ad Valorem Tax and Pledging Certain Surplus Revenues in Support of the Certificates; Approving an Official Statement, a Paying Agent/Registrar Agreement and Other Agreements Relating to the Sale and Issuance of the Certificates; and Ordaining Other Matters Relating to the Issuance of the Certificates; repealing all ordinances and actions in conflict herewith; and providing for an effective date.

ATTACHMENTS:
- Ordinance No. 2020-01
ORDINANCE 2020-01

WHEREAS, the notice was also posted with the City's website continuously for at least 45 days before the date tentatively set for the passage of this Ordinance; and

WHEREAS, the City has not received a valid petition from the qualified voters of the City protesting the issuance of the Certificates; and

WHEREAS, it is hereby officially found and determined that the meeting at which this Ordinance was passed was open to the public, and public notice of the time, place and purpose of the meeting was given, all as required by Chapter 551, Texas Government Code; and

WHEREAS, it is considered to be in the best interest of the City that the interest bearing Certificates be issued; therefor,

The City shall keep or cause to be kept at Regions Bank, Houston, Texas (the "Paying Agent/Registrar") books or records for the registration of the transfer, conversion and exchange of the Certificates (the "Registration Books"), and the City hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the City and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the Registered Owner of each Certificate to which payments with respect to the Certificates shall be mailed, as herein provided; but it shall be the duty of each Registered Owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The City shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Paying Agent/Registrar shall make the Registration Books available within the State of Texas. The City shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Certificate or Certificates. Registration of assignments, transfers, conversions and exchanges of Certificates shall be made in the manner provided and with the effect stated in the FORM OF CERTIFICATE set forth in this Ordinance. Each substitute Certificate shall bear a letter and/or number to distinguish it from each other Certificate.

Except as provided in Section 4(c) of this Ordinance, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Certificate, date and manually sign said Certificate, and no such Certificate shall be deemed to be issued or outstanding unless such Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all paid
Certificates and Certificates surrendered for conversion and exchange. No additional ordinances, orders, or resolutions need be passed or adopted by the governing body of the City or any other body or person so as to accomplish the foregoing conversion and exchange of any Certificate or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Certificates in the manner prescribed herein, and said Certificates shall be printed or typed on paper of customary weight and strength. Pursuant to Chapter 1201, Texas Government Code, as amended, and particularly Subchapter D thereof, the duty of conversion and exchange of Certificates as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Certificate, the converted and exchanged Certificate shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Certificate which initially was issued and delivered pursuant to this Ordinance, approved by the Attorney General of the State of Texas and registered by the Comptroller of Public Accounts of the State of Texas.

(b) Payment of Certificates and Interest. The City hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Certificates, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the City and the Paying Agent/Registrar with respect to the Certificates, and of all conversions and exchanges of Certificates, and all replacements of Certificates, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the past due interest shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Registered Owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(c) In General. The Certificate (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Certificate to be payable only to the Registered Owners thereof, (ii) may be redeemed prior to their scheduled maturities (notice of which shall be given to the Paying Agent/Registrar by the City at least 45 days prior to any such redemption date which shall indicate to which principal installments the redemption shall be applied), (iii) may be converted and exchanged for other Certificates, (iv) may be transferred and assigned in whole, but not in part, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Certificates shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the City shall have certain duties and responsibilities with respect to the Certificates, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF CERTIFICATE set forth in this Ordinance. The Certificate initially issued and delivered pursuant to this Ordinance is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Certificate issued in conversion of and exchange or substitute for any Certificate or Certificates issued under this Ordinance the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE, in the form set forth in the FORM OF CERTIFICATE.
(d) **Substitute Paying Agent/Registrar.** The City covenants with the Registered Owners of the Certificates that at all times while the Certificates are outstanding the City will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Certificates under this Ordinance, and that the Paying Agent/Registrar will be one entity. The City reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 30 days written notice to the Paying Agent/Registrar, to be effective at such time which will not disrupt or delay payment on the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the City covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Certificates, to the new Paying Agent/Registrar designated and appointed by the City. Upon any change in the Paying Agent/Registrar, the City promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each Registered Owner of the Certificates, by United States mail, first-class postage prepaid, which notice also shall be given the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(e) **Book-Entry-Only System.** The Certificates issued in exchange for the Certificates initially issued as provided in Section 4(i) shall be issued in the form of a separate single fully registered Certificate for each of the maturities thereof registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York ("DTC") and except as provided in subsection (f) hereof, all of the outstanding Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created to hold securities to facilitate the clearance and settlement of securities transactions among DTC participants (the "DTC Participant") or to any person on whose behalf such a DTC Participant holds an interest in the Certificates. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than a Registered Owner, as shown on the Registration Books, of any notice with respect to the Certificates, or (iii) the payment to any DTC Participant or any person, other than a Registered Owner, as shown on the Registration Books of any amount with respect to principal of or interest on the Certificates. Notwithstanding any other provision of this Ordinance to the contrary, but to the extent permitted by law, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Certificate is registered in the Registration Books as the absolute owner of such Certificate for the purpose of payment of principal of and interest, with respect to such Certificate, for the purposes of registering transfers with respect to such Certificate, and for all other purposes of registering transfers with respect to such Certificates, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Certificates only to or upon the order of the respective Registered Owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized...
in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of and interest on the Certificates to the extent of the sum or sums so paid. No person other than a Registered Owner, as shown in the Registration Books, shall receive a Certificate evidencing the obligation of the City to make payments of principal, and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks being mailed to the registered owner at the close of business on the Record Date the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(f) Successor Securities Depository; Transfer Outside Book-Entry-Only System. In the event that the City determines to discontinue the book-entry system through DTC or a successor or DTC determines to discontinue providing its services with respect to the Certificate, the City shall either (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Certificates to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Certificates and transfer one or more separate Certificates to DTC Participants having Certificates credited to their DTC accounts. In such event, the Certificates shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the Registered Owner transferring or exchanging Certificate shall designate, in accordance with the provisions of this Ordinance.

(g) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the manner provided in the Letter of Representations of the City to DTC.

(h) DTC Blanket Letter of Representations. The City confirms execution of a Blanket Issuer Letter of Representations with DTC establishing the Book-Entry-Only System which will be utilized with respect to the Certificates.

(i) Cancellation of Initial Certificate. C. The Initial Certificate shall be numbered "T-1."

SECTION 6. INTEREST AND SINKING FUND. A special "Interest and Sinking Fund" is hereby created and shall be established and maintained by the City at an official depository bank of said City. Said Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of said City, and shall be used only for paying the interest on and principal of said Certificates. All ad valorem taxes levied and collected for and on account of said Certificates shall be deposited, as collected, to the credit of said Interest and Sinking Fund. During each year while any of said Certificates are outstanding and unpaid, the governing body of said City shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on said Certificates as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of said Certificates as such principal matures (but never less than 2% of the original amount of said Certificates as a sinking fund each year); and said tax shall be based on the latest approved tax rolls of said City, with full allowances being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in said City, for each year while any of said Certificates are outstanding and unpaid, and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of said Certificates, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit prescribed by law. Accrued interest and any premium on the Certificates shall be deposited in the Interest and Sinking Fund and used to pay interest on the Certificates.
SECTION 7. REVENUES. The Certificates together with other obligations of the City, are additionally secured by and shall be payable from a limited pledge of the surplus revenues of the City's Waterworks and Sewer System remaining after payment of all operation and maintenance expenses thereof, and all debt service, reserve, and other requirements in connection with all of the City's revenue bonds or other obligation (now or hereafter outstanding) which are payable from all or any part of the net revenues of the City's Waterworks and Sewer System, with such amount not to exceed $1,000 constituting "Surplus Revenues." The City shall deposit such Surplus Revenues to the credit of the Interest and Sinking Fund created pursuant to Section 6, to the extent necessary to pay the principal and interest on the Certificates. Notwithstanding the requirements of Section 6, if Surplus Revenues are actually on deposit or budgeted for deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes which otherwise would have been required to be levied pursuant to Section 6 may be reduced to the extent and by the amount of the Surplus Revenues then on deposit in the Interest and Sinking Fund or budgeted for deposit therein.

The Mayor of the City Council of the City and the City Secretary of the City are hereby ordered to do any and all things necessary to accomplish the transfer of monies to the Interest and Sinking Fund of this issue in ample time to pay such items of principal and interest.

SECTION 8. DEFEASANCE OF CERTIFICATES. (a) Any Certificate and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Certificate") within the meaning of this Ordinance, except to the extent provided in subsections (c) and (e) of this Section 8, when payment of the principal of such Certificate, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption or the establishment of irrevocable provisions for the giving of such notice) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar or an eligible trust company or commercial bank for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the City with the Paying Agent/Registrar or an eligible trust company or commercial bank for the payment of its services until all Defeased Certificates shall have become due and payable or (3) any combination of (1) and (2). At such time as a Certificate shall be deemed to be a Defeased Certificate hereunder, as aforesaid, such Certificate and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes or revenues herein levied and pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Certificate as aforesaid when proper notice of redemption of such Certificates shall have been given or upon the establishment of irrevocable provisions for the giving of such notice, in
accordance with this Ordinance. Any money so deposited with the Paying Agent/Registrar or an eligible trust company or commercial bank as provided in this Section may at the discretion of the City Council of the City also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section which is not required for the payment of such Certificate and premium, if any, and interest thereon with respect to which such money has been so deposited, shall be remitted to the City Council of the City.

(c) Notwithstanding any provision of any other Section of this Ordinance which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Certificates and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Certificates and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Certificates shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Certificates the same as if they had not been defeased, and the City shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(d) Notwithstanding anything elsewhere in this Ordinance, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or an eligible trust company or commercial bank pursuant to this Section for the payment of Certificates and such Certificates shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Certificate affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Certificate to be paid at its maturity, the City retains the right under Texas law to later call that Defeased Certificate for redemption in accordance with the provisions of this Ordinance, the City may call such Defeased Certificate for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Certificate as though it was being defeased at the time of the exercise of the option to redeem the Defeased Certificate and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Certificate.

As used in this Section, "Defeasance Securities" means (i) Federal Securities, (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date the City Council of the City adopts or approves proceedings authorizing the issuance of refunding bonds or otherwise provide for the funding of an escrow to effect the defeasance of the Certificates are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent, and (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the City Council of the City adopts or approves proceedings authorizing the issuance of refunding bonds or otherwise provide for
the funding of an escrow to effect the defeasance of the Certificates, are rated as to investment quality by a nationally recognized investment rating firm no less than "AAA" or its equivalent. "Federal Securities" as used herein means direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America (including Interest Strips of the Resolution Funding Corporation).

SECTION 9. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED CERTIFICATES. (a) Replacement Certificates. In the event any outstanding Certificate is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new certificate of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Certificate, in replacement for such Certificate in the manner hereinafter provided.

(b) Application for Replacement Certificates. Application for replacement of damaged, mutilated, lost, stolen or destroyed Certificates shall be made by the Registered Owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Certificate, the Registered Owner applying for a replacement certificate shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Certificate, as the case may be. In every case of damage or mutilation of a Certificate, the Registered Owner shall surrender to the Paying Agent/Registrar for cancellation the Certificate so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Certificates shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Certificates, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Certificate) instead of issuing a replacement Certificate, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Certificates. Prior to the issuance of any replacement certificate, the Paying Agent/Registrar shall charge the Registered Owner of such Certificate with all legal, printing, and other expenses in connection therewith. Every replacement Certificate issued pursuant to the provisions of this Section by virtue of the fact that any Certificate is lost, stolen or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen or destroyed Certificate shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Certificates duly issued under this Ordinance.

(e) Authority for Issuing Replacement Certificates. In accordance with Subchapter B of Chapter 1206, Texas Government Code, this Section 9 of this Ordinance shall constitute authority for the issuance of any such replacement Certificate without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such Certificate is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Certificate in the form and

Upon registration of the Certificate said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller’s Registration Certificate attached to such Certificate, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the City's Bond Counsel and the assigned CUSIP numbers, if any, may, at the option of the City, be printed on the Certificate issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the Registered Owners of the Certificate. In addition, if bond insurance is obtained, the Certificate may bear an appropriate legend as provided by the insurer.

SECTION 11. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE CERTIFICATES. (a) Covenants. The City covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Certificates as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

A to take any action to assure that no more than 10 percent of the proceeds of the Certificates or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds of the Certificates or the projects financed therewith are so used, such amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Certificates, in contravention of section 141(b)(2) of the Code;

(3) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Certificates or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;
(4) to take any action to assure that no amount which is greater than the lesser of $5,000,000, or 5 percent of the proceeds of the Certificates (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(5) to refrain from taking any action which would otherwise result in the Certificates being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(6) to refrain from taking any action that would result in the Certificates being "federally guaranteed" within the meaning of section 149(b) of the Code;

(7) to refrain from using any portion of the proceeds of the Certificates, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Certificates, other than investment property acquired with --

(A) proceeds of the Certificates invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Certificates;

(8) to otherwise restrict the use of the proceeds of the Certificates or amounts treated as proceeds of the Certificates, as may be necessary, so that the Certificates do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings);

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Certificates) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Certificates have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(10) to assure that the proceeds of the Certificates will be used solely for new money projects.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the City for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.
(c) **Proceeds.** The City understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) [and] proceeds of the refunded bonds expended prior to the date of issuance of the Certificates. It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Certificates, the City will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Certificates, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In furtherance of such intention, the City hereby authorizes and directs the City Manager or Director of Finance to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the City, which may be permitted by the Code as are consistent with the purpose for the issuance of the Certificates. This Ordinance is intended to satisfy the official intent requirements set forth in Section 1.150-2 of the Treasury Regulations.

(d) **Allocation Of, and Limitation On, Expenditures for the Project.** The City covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Ordinance (the "Project") on its books and records in accordance with the requirements of the Internal Revenue Code. The City recognizes that in order for proceeds to be expended under the Internal Revenue Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Certificates, or (2) the date the Certificates are retired. The City agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Certificates. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) **Designation as Qualified Tax-Exempt Obligations.** The City hereby designates the Certificates as "qualified tax-exempt bonds" as defined in section 265(b)(3) of the Code. In furtherance of such designation, the City represents, covenants and warrants the following: (a) that during the calendar year in which the Certificates are issued, the City (including any subordinate entities) has not designated nor will designate bonds, which when aggregated with the Certificates, will result in more than $10,000,000 of "qualified tax-exempt bonds" being issued; (b) that the City reasonably anticipates that the amount of tax-exempt obligations issued, during the calendar year in which the Certificates are issued, by the City (or any subordinate entities) will not exceed $10,000,000; and (c) that the City will take such action or refrain from such action as necessary, and as more particularly set forth in this Section, in
order that the Certificates will not be considered "private activity bonds" within the meaning of section 141 of the Code.

(f) Disposition of Project. The City covenants that the property constituting the projects financed with the proceeds of the Certificates will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Certificates. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(g) Written Procedures. Unless superseded by another action of the City, to ensure compliance with the covenants contained herein regarding private business use, remedial actions, arbitrage and rebate, the City hereby adopts and establishes the instructions attached hereto as Exhibit "A" as their written procedures for the Certificates and any other tax-exempt debt or obligation outstanding or hereafter issued.

SECTION 12. SALE OF CERTIFICATES. The Certificates are hereby sold to the bidder whose bid produced the lowest net effective interest rate, pursuant to the taking of public bids therefor, on this date, and shall be delivered to a syndicate of the purchaser represented by (collectively, the "Purchaser") at a price of $ , representing the par amount of the Certificates, plus a reoffering premium of $ , less an underwriter's discount of $. The Certificates shall initially be registered in the name of CEDE & Co.

SECTION 13. DEFAULT AND REMEDIES.

(a) Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default: (i) the failure to make payment of the principal of or interest on any of the Certificates when the same becomes due and payable; or (ii) default in the performance or observance of any other covenant, agreement or obligation of the City, the failure to perform which materially, adversely affects the rights of the Registered Owners of the Certificates, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the City.

(b) Remedies for Default. (i) Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the City, or any official, officer or employee of the City in their official capacity, for the purpose of protecting and enforcing the rights of the Registered Owners of the Certificates, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the City.

(ii) It is provided that
all such proceedings shall be instituted and maintained for the equal benefit of all Registered Owners of Certificates then outstanding.

(c) Remedies Not Exclusive. (i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Certificates or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Certificates shall not be available as a remedy under this Ordinance. (ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy. (iii) By accepting the delivery of a Certificate authorized under this Ordinance, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or trustees of the City or the City Council. (iv) None of the members of the City Council, nor any other official or officer, agent, or employee of the City, shall be charged personally by the Registered Owners with any liability, or be held personally liable to the Registered Owners under any term or provision of this Ordinance, or because of any Event of Default or alleged Event of Default under this Ordinance.

SECTION 14. ESTABLISHMENT OF CONSTRUCTION FUND AND INTEREST EARNINGS. (a) Construction Fund. A special fund or account, to be designated the City of Bastrop Series 2020 Certificate of Obligation Construction Fund (the "2020 Construction Fund") is hereby created and shall be established and maintained by the City at a depository bank of the City. The 2020 Construction Fund shall be kept separate and apart from all other funds and accounts of the City. The Construction Fund and the Interest and Sinking Fund shall be invested in accordance with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended, and the City's Investment Policy.

(b) Interest Earnings. Interest earnings derived from the investment of proceeds from the sale of the Certificates shall be used along with the Certificate proceeds for the purpose for which the Certificates are issued as set forth in Section 1 hereof or to pay principal or interest payments on the Certificates; provided that after completion of such purpose, if any of such interest earnings remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on bond proceeds which are required to be rebated to the United States of America pursuant to Section 11 hereof in order to prevent the Certificates from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

SECTION 15. APPROVAL OF OFFICIAL STATEMENT. The City hereby approves the form and content of the Official Statement relating to the Certificates and any addenda, supplement or amendment thereto, and approves the distribution of such Official Statement in the reoffering of the Certificates by the Purchaser in final form, with such changes therein or additions thereto as the officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof. The distribution and use of the Preliminary Official Statement dated January 8, 2020 prior to the date hereof is confirmed, approved and ratified. The City Council hereby finds and determines that the Preliminary Official Statement
and final Official Statement were "deemed final" (as that term is defined in 17 CFR Section 240.15c(2)-12) as of their respective dates.

SECTION 16. APPROVAL OF PAYING AGENT/REGISTRAR AGREEMENT. Attached hereto as Exhibit "B" is a substantially final form of the Paying Agent/Registrar Agreement with an attached Blanket Issuer Letter of Representation. The Mayor of the City Council of the City is hereby authorized to amend, complete or modify such agreement as necessary and is further authorized to execute such agreement and the City Secretary is hereby authorized to attest such agreement.

If the audit of such financial statements is not complete within such period, then the City shall provide unaudited financial statements within such period, and audited financial statements for the applicable fiscal year to the MSRB, when and if the audit report on such statements become available.

If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document that is available to the public on the MSRB's internet web site or filed with the SEC. All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

(c) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an "obligated person" with respect to the Certificates within the meaning of the Rule, except that the City in any event will give notice of any deposit made in accordance with Section 12.02 of this Ordinance that causes the Certificates no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall comprise a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Should the Rule be amended to obligate the City to make filings with or provide notices to entities other than the MSRB, the City hereby agrees to undertake such obligation with respect to the Certificates in accordance with the Rule as amended.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the
provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the outstanding Certificates consents to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Certificates. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with paragraph (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates.

SECTION 19. NO RECOURSE AGAINST CITY OFFICIALS. No recourse shall be had for the payment of principal of or interest on the Certificates or for any claim based thereon or on this Ordinance against any official of the City or any person executing any Certificates.

SECTION 20. FURTHER ACTIONS. The officers and employees of the City are hereby authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the City all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Certificates, the initial sale and delivery of the Certificates, the Paying Agent/Registrar Agreement, and any insurance commitment letter or insurance policy. In addition, prior to the initial delivery of the Certificates, the Mayor, the City Secretary, the City Manager or Assistant City Manager, the City Attorney and Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Ordinance and as described in the Official Statement, (ii) obtain a rating from any of the national bond rating agencies or satisfy requirements of any bond insurer, or (iii) obtain the approval of the Certificates by the Attorney General's office.

In case any officer of the City whose signature shall appear on any Certificate shall cease to be such officer before the delivery of such Certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 21. INTERPRETATIONS. All terms defined herein and all pronouns used in this Ordinance shall be deemed to apply equally to singular and plural and to all genders. The titles and headings of the articles and sections of this Ordinance have been inserted for convenience of reference only and are not to be considered a part hereof and shall not in any
way modify or restrict any of the terms or provisions hereof. This Ordinance and all the terms and provisions hereof shall be liberally construed to effectuate the purposes set forth herein and to sustain the validity of the Certificates and the validity of the lien on and pledge to secure the payment of the Certificates.

**SECTION 22. INCONSISTENT PROVISIONS.** All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provisions of this Ordinance are hereby repealed to the extent of such conflict and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

**SECTION 23. INTERESTED PARTIES.** Nothing in this Ordinance expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the City and the Registered Owners of the Certificates, any right, remedy or claim under or by reason of this Ordinance or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Ordinance contained by and on behalf of the City shall be for the sole and exclusive benefit of the City and the registered owners of the Certificates.

**SECTION 24. INCORPORATION OF RECITALS.** The City hereby finds that the statements set forth in the recitals of this Ordinance are true and correct, and the City hereby incorporates such recitals as a part of this Ordinance.

**SECTION 25. REPEALER.** All orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent of such inconsistency.

**SECTION 26. SEVERABILITY.** The provisions of this Ordinance are severable; and in case any one or more of the provisions of this Ordinance or the application thereof to any person or circumstance should be held to be invalid, unconstitutional, or ineffective as to any person or circumstance, the remainder of this Ordinance nevertheless shall be valid, and the application of any such invalid provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby.

**SECTION 27. PERFECTION.** Chapter 1208, Government Code, applies to the issuance of the Certificates and the pledge of ad valorem taxes and revenues granted by the City under Sections 6 and 7 of this Ordinance, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Certificates are outstanding and unpaid such that the pledge of ad valorem taxes and revenues granted by the City under Sections 6 and 7 of this Ordinance is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

**SECTION 28. EFFECTIVE DATE.** This Ordinance shall become effect immediately from and after its passage on first and final reading in accordance with Section 1201.028, Texas Government Code, as amended.
SECTION 29. NO PERSONAL LIABILITY. No covenant or agreement contained in the Certificates, this Ordinance or any corollary instrument shall be deemed to be the covenant or agreement of any member of the City Council or any officer, agent, employee or representative of the City Council in his individual capacity, and neither the directors, officers, agents, employees or representatives of the City Council nor any person executing the Certificates shall be personally liable thereon or be subject to any personal liability for damages or otherwise or accountability by reason of the issuance thereof, or any actions taken or duties performed, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability being expressly released and waived as a condition of and in consideration for the issuance of the Certificates.

SECTION 30. CUSTODY, APPROVAL, AND REGISTRATION OF CERTIFICATE; BOND COUNSEL’S OPINION; AND CONTINGENT INSURANCE PROVISION, IF OBTAINED. The Mayor of the City is hereby authorized to have control of the Certificate initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Certificate pending its delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Certificate said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller’s Registration Certificate attached to such Certificate, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the City's Bond Counsel, at the option of the City, be printed on the Certificate issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the Registered Owner of the Certificate. In addition, if bond insurance is obtained, the Certificate may bear an appropriate legend as provided by the insurer.

MEETING DATE: January 14, 2020

AGENDA ITEM: 9K

TITLE:
Consider action to approve Resolution No. R-2020-10 of the City Council of the City of Bastrop, Texas, establishing a required retainage of ten percent (10%) be held as part of Public Construction Projects, authorizing the City Manager to execute all necessary documents; and providing an effective date.

STAFF REPRESENTATIVE:
Trey Job, Assistant City Manager of Development Services

BACKGROUND/HISTORY:
Retainage is the withholding of a portion of each progress payment earned by a contractor or subcontractor until a construction project is complete. Retainage is calculated as a percentage of each progress payment, typically five to ten (5% to 10%) of the payment. It is routinely called for in both private and public construction contracts. On public projects, state laws often require the use of retainage and specify the amount and the conditions for releasing it. Otherwise, retainage is governed by contract. Construction contracts between the general contractor and subcontractors normally also contain retainage provisions.

The benefits of retainage to owners is it provides a strong financial incentive to complete a project. Withholding retainage gives the contractor an economic incentive to stay on the job, work until completion, and correct any remaining details. Near the end of a project, without retainage the contractor may find that it will cost more to complete the work than the remaining contract funds. The retainage is only a small percentage of the payments made to the contractor as the work progresses, but by the end of the job it provides a strong economic incentive to complete the project.

It provides readily available funds to remedy a default if a general contractor fails to complete a project, retainage provides an immediate source of funds for the owner to use to cure the performance default, particularly if it occurs at the latter stages of the project. Subcontractors and suppliers also benefit because retainage can be used to pay them if the contractor defaults.

Recently, the City of Bastrop has awarded multiple projects to various contractors using five percent. Staff is recommending the retainage amount be set to ten percent (10%).

POLICY EXPLANATION:
Texas Local Government Code Section 51.001 provides the City general authority to adopt an Ordinance or police regulations that are for the good government, peace, or order of the City and is necessary or proper for carrying out a power granted by law to the City.

BACKGROUND/HISTORY:
The City of Bastrop City Council, set out to restore the goals of the community that will continue to preserve the history of Bastrop while embracing the impending grow that continues to travel east from Austin, Texas. City Council realized early that writing a “traditional” zoning ordinance would not achieve the Purpose Statement created, which is:

“To create a fiscally sustainable community through land-use regulations that are authentic Bastrop and geographically sensitive.”

Through a common goal and shared vision the City Council set out to accomplish the daunting task. Now with clear policy guidance, City Staff and SimpleCity Design began the work of writing the new city codes. After a plethora of public meeting with citizens, developers, and home builders it was determined that a Unified Development Code to be known as Bastrop Building Block (B³) Development Code, accompanied by a B³ Pattern Book, and Technical Criteria Manual could be created that would ensure all aspects of the City’s Purpose Statement would be achieved.

This code that has been developed to create a fiscally sustainable community, that are specifically geographically sensitive without having a one-size-fits-all approach, and ensuring that the end-result is Authentic Bastrop using the DNA analysis extracted from Downtown as its foundation.

Now that the B³ code was adopted on November 12, 2019, staff wants to ensure proper interpretation of the codes to complete the Council’s Vision and will utilize Simplecity’s expertise and knowledge, when needed

POLICY EXPLANATION:
As a part of the Policy Statement adopted by Council, staff recognizes that the single most important element of achieving fiscal sustainability through land use that is authentic to Bastrop and geographically sensitive will be the implementation of the newly adopted codes.
