TITLE:
Discussion regarding submission of application for Staffing for Adequate Fire & Emergency Response Grant (SAFER) that would provide funding for increased staffing for Fire Department.

STAFF REPRESENTATIVE:
Andres Rosales, Fire Chief

BACKGROUND/HISTORY:
The Staffing for Adequate Fire and Emergency Response Grants (SAFER) was created to provide funding directly to fire departments and volunteer firefighter interest organizations to help them increase or maintain the number of trained, "front line" firefighters available in their communities. The goal of SAFER grant is to enhance the local fire departments' abilities to comply with staffing, response and operational standards established by the NFPA (NFPA 1710 and/or NFPA 1720).

The SAFER grant is a cost match program over 3 years, meaning participating jurisdictions are required to provide 25 percent in year 1, 25 percent in year 2, and 65 percent in year 3. Then in year 4 the entire cost of the program must be covered by the City. The requested funds can only be used to hire new, additional firefighters or changing the status of part-time firefighters to full-time firefighters and shall not be used to replace or take the place of funds. Only full-time positions are eligible for funding. Cost for salaries, benefits, and overtime that fire departments routinely pay as part of the firefighter’s regularly scheduled and contracted shift hours with the Fair Labor Standards Act (FLSA) are eligible. Just to clarify, the SAFER grant funds must be used to increase the amount of funds that would, in the absence of federal funds received under this grant, be made available from local resources.

POLICY EXPLANATION:

FUNDING SOURCE:
The funds from this grant will be projected in the FY2021 budget. The required matching funds for the SAFER grant will be part of the FY 2021 budget if approved.

TITLE: Discussion regarding creation of a strategic plan with Bastrop Economic Development Corporation and Visit Bastrop for City of Bastrop recovery.

STAFF REPRESENTATIVE:
Susan Smith, President and CEO of Visit Bastrop
Rebecca Gleason, Main Street Manager

BACKGROUND/HISTORY:

The City of Bastrop, Bastrop Economic Development Corporation, and Visit Bastrop would like to combine efforts to form a Recovery Fund, “Bastrop Strong”, to respond to the impacts of disasters within our community. This Fund will be a vehicle for donor partners to pool resources to collectively support the recovery of organizations within the City of Bastrop limits. Community coalitions are proven cornerstones of the Bastrop community, especially in times of need and disaster.

The fund will specifically help fund organizations who need additional resources to support people in our community when a disaster, natural or man-made, occurs. Through strong relationships
with businesses, organizations, and community leaders in the City of Bastrop and due to the generosity of donors in the community, the Community Coalition is able to quickly make grantmaking decisions and infuse resources into local organizations so that they can effectively meet the needs and opportunities after a disaster, and effectively aid in long-term recovery efforts.

The Bastrop Strong coalition will administer grants from the Bastrop Strong Fund in accordance with all applicable City and State laws making it possible to move resources quickly and to adapt to the evolving needs of each declared emergency.

Mission Statement: Bastrop Strong is a community coalition that provides recovery resources for organizations impacted by disasters within the City of Bastrop.

TITLE: 
Receive Quarterly Report from Visit Bastrop and discuss future funding for this organization from FY2020 budget.

STAFF REPRESENTATIVE: 
Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY: 
The contract with Visit Bastrop was effective October 1, 2017. This contract specifies the details on how the funding amount to Visit Bastrop is calculated each year and the payment frequencies. The funding amount is 50% of projected HOT revenue less the Convention Center debt. The contract also states upon conclusion of each fiscal year the annual amount appropriated in support of the Visit Bastrop will be compared to the targeted percentage of actual HOT revenue and see if there is a surplus or deficit (true-up).

Considering COVID-19, staff has started a preliminary assessment of the shortfall that will be experienced in the Hotel Occupancy Tax revenue. This will directly impact those organizations funded by this revenue source. These preliminary projections show that the amounts already paid out to Visit Bastrop for the first three quarters exceed what we would owe them during the true up at the end of FY2020. Staff has also reviewed the HOT Fund to evaluate the available fund balance. This fund will maintain its fund balance policy of one year of expenses reserved, if the estimated projects of revenue and the reduction in expenses to Visit Bastrop are considered.

There are several options moving forward:
- Staff can bring back a budget amendment to Council that lowers the budgeted revenue and the budgeted expenses, recognizing the anticipated shortfall. This would change the appropriations approved for Visit Bastrop. In this scenario, the last quarter payment would not be processed to Visit Bastrop.
- Staff can process the last quarter payment owed to Visit Bastrop, and true-up the surplus or deficit at the end of FY2020 when we have received all Hotel Occupancy Tax revenue for the fiscal year. In this scenario, Visit Bastrop would owe back to the City.
- The Council can take all this information and discuss how the fund balance reserve can fit into either of these options.

POLICY EXPLANATION: 
The funding amount to Visit Bastrop was approved as part of the FY2020 budget and was based on the projected Hotel Occupancy Tax revenue in the budget.

- Planning of events takes several months. We do not want to plan an event to pull out the rug at the last minute.

- Being closed, our usual means of income have ceased temporarily.

Plans:

- Regroup with Community Partners to plan and schedule weekend events
- Art After Dark, first Saturdays – will resume as soon as we can schedule these (In collaboration with Museum, Opera House, Visit Bastrop and Main Event (Main Street Shops)
- Visit Bastrop Christmas Ornament – art call and show – Fall 2020 -In collaboration with Visit Bastrop and local organizations (Museum and Visitors Center)

With your help and that of the Bastrop community we and our counterparts will get through this and come out the other end stronger.

• We have had to cancel two events: our April 23rd quarterly meeting and the May 1st & 2nd weekend we were planning in collaboration with the Bastrop Opera House and Lost Pine Art Center. We are hoping to reschedule both events for later in the year.

• Our preservation efforts are still going strong during the closure. There are still numerous items that need to be catalogued and stored properly.

• We are working on our next special exhibit - Bastrop County Architecture. We have scheduled to open it on July 1st.

• Lastly, we are working on the best way to ensure that this historic event (Covid-19) is documented for years to come.

Receive Quarterly Report on the Bastrop Convention & Exhibit Center.

STAFF REPRESENTATIVE:
Kathy Danielson, Bastrop Convention & Exhibit Center Director

BACKGROUND/HISTORY:
Opened in the Spring of 2011, this full-service facility has changed directional courses over the last 18 months. Available to host conventions, trade shows, corporate meetings, weddings, concerts, art events, or banquets, the 26,000 square foot Bastrop Convention & Exhibit Center can accommodate up to 750 banquet-style seating or 800 theater-style seating in the flexible Main Ballroom. In October of 2017, the once standalone Bastrop Convention & Exhibit Center Department became a part of the Hospitality and Downtown Department. Revised contracts, marketing materials, and time offerings were created to make renting the Bastrop Convention & Exhibit Center competitive.

During the 2nd Quarter of FY 19/20, the Bastrop Convention & Exhibit Center continued to increase its productivity. Compared to the previous year’s performance areas of increase include occupancy and revenue. The following is an illustration of the Bastrop Convention & Exhibit Center's progress:

- Occupancy increased 13%.
- Bookings increased 3%.
- Revenue increased 29%.

Due to Covid-19 the center was closed as of March 16th. After an immediate disinfection of the common areas the Convention Center staff began extensive deep cleaning of the center including the perimeter and parking lot areas. Bookings are being postponed and rebooked. Staff is completing OSHA and other trainings related to industrial hygiene in preparation for our reopening. Steve Ballard and Ben Williams are assisting the EOC with the isolation facility as needed.

TITLE:
Discuss future funding for Bastrop YMCA, Lost Pines Art Center, Opera House and Bastrop County from FY2020 budget.

STAFF REPRESENTATIVE:
Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:
Considering COVID-19, staff has started a preliminary assessment of the shortfall that will be experienced in the Hotel Occupancy Tax revenue. This will directly impact those organizations funded by this revenue source. Each of these organizations have received three of their quarterly payments to date. The cumulative total of the fourth quarter payments that would be due July 1st is approximately $60,000. Staff has also reviewed the HOT Fund to evaluate the availability of fund balance reserves. This fund will maintain its fund balance policy of one year of expenses reserved, even with the estimated projections in revenue and the fourth quarter payments are distributed.

Staff would like feedback from Council regarding these organizations funding and reporting requirements for FY2020.

POLICY EXPLANATION:
The funding amounts were approved as part of the FY2020 budget.

**THUS ORDERED:**

by:  

Connie B. Schroeder  
Mayor, City of Bastrop
Consider action to approve Resolution No. R-2020-38 of the City Council of the City of Bastrop, Texas approving Task Order No. PW2020-01 to 304 Construction for concrete ribbon curbing construction for the North Main Project (including Maple Street from N. Main Street to Pecan Street, Magnolia Street from N. Main Street to Pecan Street, Locust Street from N. Main Street to Pecan Street, and Water Street from Maple Street to Locust Street) in the amount of one hundred forty-one thousand eight hundred seventy-five dollars ($141,875.00) attached as EXHIBIT A; priced according to the bid proposal sheet attached as EXHIBIT B; authorizing the City Manager to execute all necessary documents; providing for a repealing clause; and establishing an effective date.

STAFF REPRESENTATIVE:
Trey Job, Assistant City Manager

BACKGROUND/HISTORY:
On March 24, 2020, the City Council approved 304 Construction as the qualified bidder in the area of qualified concrete construction. The Public Works Streets and Drainage division has put a great deal of effort into developing and planning the current RFP to ensure all future projects that entail the installation of ribbon curb are met with the same diligence. The current planned project is for 5675 LF of 12" W x 6" D, newly constructed ribbon curb for the N. Main Street Project. This includes the streets of Maple from N. Main to Pecan, Magnolia from N. Main to Pecan, Locust from N. Main to Pecan, and Water from Maple to Locust. Curbing allows rain from streets to drain into the newly maintained storm drainage. Also, by eliminating curbs and gutters, there are fewer costs associated with ribbon curb. Finally, the ribbon curb keeps the street edges intact and eliminates the future repair and maintenance of the “edge of street” due to sheathing or deterioration.

POLICY EXPLANATION:
City Council’s commitment to sustainability is a driving force that continually promotes future planning of the Storm Drainage system.

FUNDING SOURCE:
The funds for the N. Main ribbon curbing were budgeted for FY20 and reflected in the Capital Outlay on page 297 of the budget book.

RECOMMENDATION:
Consider action to approve Resolution No. R-2020-38 of the City Council of the City of Bastrop, Texas approving Task Order No. PW2020-01 to 304 Construction for concrete ribbon curbing construction for the North Main Project (including Maple Street from N. INSTRUCTIONS TO BIDDERS

1. ELIGIBLE BIDDERS
Bidders are limited to those persons or firms qualified and engaged in a full-time business and can assume liabilities for any performance or warranty service required.

2. BID DELIVERY
Bids must be received in the City Secretary’s office prior to the due date and time. It is the sole responsibility of the Bidder to ensure timely delivery of the Bid. The City will not be responsible for failure of service on the part of the U.S. Postal Office, courier companies, or any other form of delivery service chosen by the bidder. Late bids will be returned to the bidder unopened.

Vendors are reminded that the U.S. Postal Service deliveries may be delayed. Vendors are responsible for on-time deliveries of bid documents to the City of Bastrop, and are strongly encouraged to use alternate means, such as overnight/hand delivery carriers, or allow ample time for USPS deliveries to be received in time. Additionally, local courier firms and copy shops may accept fax copies, seal them and deliver to the City, for fees, for which the vendor bears responsibility.

3. BID DOCUMENTS
Review of Documents: Bidders are expected to examine all documents that make up the bid. Bidders shall promptly notify the City of any omission, ambiguity, inconsistency or error that they may discover upon examination of the bid. Bidders must use a complete bid to prepare bids. The City assumes no responsibility for any errors or misrepresentations that result from the use of incomplete bids.

Location of Documents: The Department Head or designee issues Bids. The location and phone number is specified in the advertisement and the bid.

Preparation of Bid: Each bidder must furnish the information required by the bid or the documents provided. Bids submitted on other than the forms included in the bid package may be considered non-responsive. Any attempt to alter the wording in the bid may result in rejection of the bid.

Taxes: Purchases of Goods or Services for City use are usually exempt from City, State, and most Federal Taxes. Bids may not include exempted taxes. The successful bidder should request a Tax Exemption Certificate from the Purchasing Division if needed. Under no circumstances shall the City be liable to pay taxes for which the City has an exemption.

Brand Name or Equal: If the bid indicates brand name or “equal” products are acceptable, the bidder may bid an “equal” product as an alternate bid but must be prepared to demonstrate those features that render it equal. Final determination of a product as an “equal” solely remains with the City.

Delivery Time: Deliveries will be acceptable only during normal working hours at the designated City Municipal Facility. Delivery time, if stated as a number of days, will be based on calendar days. Time is of the essence in any City purchase. If the indicated date cannot be met, or the date is not indicated, the bidder shall state its best delivery time. Failure to meet delivery times quoted may be grounds for cancellation of contract.

Vehicle lifts are lifts or hoists used in automobile service or repair operations.

2. The following is added to Section IV - Commercial General Liability Conditions, Condition 4. Other Insurance, Paragraph b. Excess Insurance:

The insurance afforded by this provision of this endorsement is excess over any property insurance, whether primary, excess, contingent or on any other basis.

D. EXTENDED DAMAGE TO PROPERTY RENTED TO YOU (Tenant’s Property Damage)

If Damage To Premises Rented To You is not otherwise excluded from this Coverage Part:

1. Under Paragraph 2. Exclusions of Section I - Coverage A - Bodily Injury and Property Damage Liability:
   a. The fourth from the last paragraph of exclusion j. Damage To Property is replaced by the following:

   (ii) Contents that you rent or lease as part of a premises rental or lease agreement for a period of more than 7 days.

   Paragraphs (1), (3) and (4) of this exclusion do not apply to “property damage” to contents of premises rented to you for a period of 7 or fewer consecutive days.

   A separate limit of insurance applies to this coverage as described in Section III - Limits of Insurance.
b. The last paragraph of subsection 2. Exclusions is replaced by the following:

Exclusions c. through n. do not apply to damage by fire, lightning, explosion, smoke or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with permission of the owner. G. ADDITIONAL INSUREDS - BY CONTRACT, AGREEMENT OR PERMIT

1. Paragraph 2. under Section II - Who Is An Insured is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract, written agreement or permit. Such person or organization is an additional insured but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused in whole or in part by:

a. Your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your ongoing operations for the additional insured that are the subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or
b. Premises or facilities rented by you or used by you; or

c. The maintenance, operation or use by you of equipment rented or leased to you by such person or organization; or

d. Operations performed by you or on your behalf for which the state or political subdivision has issued a permit subject to the following additional provisions:

(1) This insurance does not apply to "bodily injury", "property damage", or "personal and advertising injury" arising out of the operations performed for the state or political subdivision;

(2) This insurance does not apply to "bodily injury" or "property damage" included within the "completed operations hazard";

(3) Insurance applies to premises you own, rent, or control but only with respect to the following hazards:

(a) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners, or decorations and similar exposures; or

(b) The construction, erection, or removal of elevators; or

(c) The ownership, maintenance, or use of any elevators covered by this insurance.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

With respect to Paragraph 1.a. above, a person's or organization's status as an additional insured under this endorsement ends when:

(1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

(2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to Paragraph 1.b. above, a person's or organization's status as an additional insured under this endorsement ends when their written contract or written agreement with you for such premises or facilities ends.

With respects to Paragraph 1.c. above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage".

We have no duty to defend an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured as required in Paragraph b. of Condition 2. Duties In the Event Of Occurrence, Offense, Claim Or Suit under Section IV - Commercial General Liability Conditions.
2. With respect to the insurance provided by this endorsement, the following are added to Paragraph 2. 

Exclusions under Section I - Coverage A - Bodily Injury And Property Damage Liability:

This insurance does not apply to:

a. "Bodily injury" or "property damage" arising from the sole negligence of the additional insured.

b. "Bodily injury" or "property damage" that occurs prior to you commencing operations at the location where such "bodily injury" or "property damage" occurs.

c. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

(1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

(2) Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.

d. "Bodily injury" or "property damage" occurring after:

(1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

(2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

e. Any person or organization specifically designated as an additional insured for ongoing operations by a separate ADDITIONAL INSURED-OWNERS, LESSEES OR CONTRACTORS endorsement issued by us and made a part of this policy.

3. With respect to the insurance afforded to these additional insureds, the following is added to Section III - Limits Of Insurance:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

a. Required by the contract or agreement; or

b. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

H. PRIMARY AND NON-CONTRIBUTORY ADDITIONAL INSURED EXTENSION

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

Condition 4. Other Insurance of SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

a. The following is added to Paragraph a. Primary Insurance:

If an additional insured’s policy has an Other Insurance provision making its policy excess, and you have agreed in a written contract or written agreement to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured’s policy for damages we cover.
b. The following is added to Paragraph b. Excess Insurance:

When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement, or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the additional insured is designated as a Named Insured.

Regardless of the written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the additional insured has been added as an additional insured on other policies.

I. ADDITIONAL INSURED - EXTENDED PROTECTION OF YOUR "LIMITS OF INSURANCE"

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

1. The following is added to Condition 2. Duties In The Event Of Occurrence, Offense, Claim or Suit:

   An additional insured under this endorsement will as soon as practicable:

   a. Give written notice of an "occurrence" or an offense that may result in a claim or "suit" under this insurance to us;

   b. Tender the defense and indemnity of any claim or "suit" to all insurers whom also have insurance available to the additional insured; and

   c. Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.

   d. We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured.

2. The limits of insurance applicable to the additional insured are those specified in a written contract or written agreement or the limits of insurance as stated in the Declarations of this policy and defined in Section III - Limits of Insurance of this policy, whichever are less. These limits are inclusive of and not in addition to the limits of insurance available under this policy.

J. WHO IS AN INSURED - INCIDENTAL MEDICAL ERRORS / MALPRACTICE WHO IS AN INSURED - FELLOW EMPLOYEE EXTENSION - MANAGEMENT EMPLOYEES

Paragraph 2.a.(1) of Section II - Who Is An Insured is replaced with the following:

(1) "Bodily injury" or "personal and advertising injury":

   (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

   (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph (1) (a) above;

   (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs (1) (a) or (b) above; or

   (d) Arising out of his or her providing or failing to provide professional health care services. However, if you are not in the business of providing professional health care services or providing professional health care personnel to others, or if coverage for providing professional health care services is not otherwise excluded by separate endorsement, this provision (Paragraph (d)) does not apply.

Paragraphs (a) and (b) above do not apply to "bodily injury" or "personal and advertising injury" caused by an "employee" who is acting in a supervisory capacity for you. Supervisory capacity as used herein means the "employee's" job responsibilities assigned by you, includes the direct supervision of other "employees" of yours. However, none of these "employees" are insureds for "bodily injury" or "personal and
advertising injury” arising out of their wilful conduct, which is defined as the purposeful or wilful intent to cause "bodily injury" or "personal and advertising injury", or caused in whole or in part by their intoxication by liquor or controlled substances.

The coverage provided by provision J is excess over any other valid and collectable insurance available to your "employee".

K. NEWMY FORMED OR ADDITIONALLY ACQUIRED ENTITIES

Paragraph 3. of Section II - Who Is An Insured is replaced by the following:

3. Any organization you newly acquire or form and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
   a. Coverage under this provision is afforded only until the expiration of the policy period in which the entity was acquired or formed by you;
   b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
   c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
   d. Records and descriptions of operations must be maintained by the first Named Insured.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations or qualifies as an insured under this provision.

L. FAILURE TO DISCLOSURE HAZARDS AND PRIOR OCCURRENCES

SECTION I - COVERED AUTOS is amended as follows:

1. TRAILERS - INCREASED LOAD CAPACITY

The following replaces Paragraph C.1. Certain Trailers, Mobile Equipment And Temporary Substitute Autos of SECTION I - COVERED AUTOS:

"Trailers" with a load capacity of 3,000 pounds or less designed primarily for travel on public roads.
SECTION II - LIABILITY COVERAGE is amended as follows:

2. NEWLY FORMED OR ACQUIRED SUBSIDIARIES

SECTION II - LIABILITY COVERAGE, Paragraph A.1. - Who Is An Insured is amended to include the following as an "insured":

d. Any legally incorporated subsidiary of which you own more than 50 percent interest during the policy period. Coverage is afforded only for 90 days from the date of acquisition or formation. However, "insured" does not include any organization that:

(1) Is a partnership or joint venture; or

(2) Is an "insured" under any other automobile policy except a policy written specifically to apply in excess of this policy; or

(3) Has exhausted its Limit of Insurance or had its policy terminated under any other automobile policy.

Coverage under this provision d. does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization.

3. EMPLOYEES AS INSURED

SECTION II - LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured is amended to include the following as an "insured":

e. Any "employee" of yours while using a covered "auto" you do not own, hire or borrow but only for acts within the scope of their employment by you. Insurance provided by this endorsement is excess over any other insurance available to any "employee".

f. Any "employee" of yours while operating an "auto" hired or borrowed under a written contract or agreement in that "employee's" name, with your permission, while performing duties related to the conduct of your business and within the scope of their employment. Insurance provided by this endorsement is excess over any other insurance available to the "employee".

4. ADDITIONAL INSURED BY CONTRACT, AGREEMENT OR PERMIT

SECTION II - LIABILITY COVERAGE, Paragraph A.1. Who Is An Insured is amended to include the following as an "insured":

g. Any person or organization with respect to the operation, maintenance or use of a covered "auto", provided that you and such person or organization have agreed in a written contract, written agreement, or permit issued to you by governmental or public authority, to add such person, or organization, or governmental or public authority to this policy as an "insured".

However, such person or organization is an "insured":

(1) Only with respect to the operation, maintenance or use of a covered "auto";

(2) Only for "bodily injury" or "property damage" caused by an "accident" which takes place after you executed the written contract or written agreement, or the permit has been issued to you; and

(3) Only for the duration of that contract, agreement or permit.

The "insured" is required to submit a claim to any other insurer to which coverage could apply for defense and indemnity. Unless the "insured" has agreed in writing to primary noncontributory wording per enhancement number 24, this policy is excess over any other collectible insurance.

5. SUPPLEMENTARY PAYMENTS

SECTION II - LIABILITY COVERAGE, Coverage Extensions, 2.a. Supplementary Payments, Paragraphs (2) and (4) are replaced by the following:

(2) Up to $3,000 for cost of bail bonds (including bonds for related traffic violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.
6. AMENDED FELLOW EMPLOYEE EXCLUSION

In those jurisdictions where, by law, fellow "employees" are not entitled to the protection afforded to the employer by the workers compensation exclusivity rule, or similar protection, the following provision is added:

SECTION II - LIABILITY, Exclusion B.5. Fellow Employee does not apply if the "bodily injury" results from the use of a covered "auto" you own or hire if you have workers compensation insurance in force for all of your "employees" at the time of "loss".

This coverage is excess over any other collectible insurance.

SECTION III - PHYSICAL DAMAGE COVERAGE is amended as follows:

7. HIRED AUTO PHYSICAL DAMAGE

Paragraph A.4. Coverage Extensions of SECTION III - PHYSICAL DAMAGE COVERAGE, is amended by adding the following:

If hired "autos" are covered "autos" for Liability Coverage, and if Comprehensive, Specified Causes of Loss or Collision coverage are provided under the Business Auto Coverage Form for any "auto" you own, then the Physical Damage coverages provided are extended to "autos":

a. You hire, rent or borrow; or

b. Your "employee" hires or rents under a written contract or agreement in that "employee's" name, but only if the damage occurs while the vehicle is being used in the conduct of your business, subject to the following limit and deductible:

   a. The most we will pay for "loss" in any one "accident" or "loss" is the smallest of:
      (1) $50,000; or
      (2) The actual cash value of the damaged or stolen property as of the time of the "loss"; or
      (3) The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality, minus a deductible.

   b. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage.

   c. Subject to the limit, deductible and excess provisions described in this provision, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

   d. Subject to a maximum of $1,000 per "accident", we will also cover the actual loss of use of the hired "auto" if it results from an "accident", you are legally liable and the lessor incurs an actual financial loss.

   e. This coverage extension does not apply to:
      (1) Any "auto" that is hired, rented or borrowed with a driver; or
      (2) Any "auto" that is hired, rented or borrowed from your "employee" or any member of your "employee's" household.

Coverage provided under this extension is excess over any other collectible insurance available at the time of "loss".

8. TOWING AND LABOR

SECTION III - PHYSICAL DAMAGE COVERAGE, Paragraph A.2. Towing, is amended by the addition of the following:

We will pay towing and labor costs incurred, up to the limits shown below, each time a covered "auto" classified and rated as a private passenger type, "light truck" or "medium truck" is disabled:

a. For private passenger type vehicles, we will pay up to $75 per disablement.

b. For "light trucks", we will pay up to $75 per disablement. "Light trucks" are trucks that have a gross vehicle weight (GVW) of 10,000 pounds or less.

   c. For "medium trucks", we will pay up to $150 per disablement. "Medium trucks" are trucks that have a gross vehicle weight (GVW) of 10,001 - 20,000 pounds.

However, the labor must be performed at the place of disablement.
9. PHYSICAL DAMAGE - ADDITIONAL TRANSPORTATION EXPENSE COVERAGE

Paragraph A.4.a. Coverage Extensions, Transportation Expenses of SECTION III - PHYSICAL DAMAGE COVERAGE, is amended to provide a limit of $50 per day and a maximum limit of $1,500.

10. RENTAL REIMBURSEMENT

SECTION III - PHYSICAL DAMAGE COVERAGE, A. Coverage, is amended by adding the following:

a. We will pay up to $75 per day for rental reimbursement expenses incurred by you for the rental of an "auto" because of "accident" or "loss", to an "auto" for which we also pay a "loss" under Comprehensive, Specified Causes of Loss or Collision Coverages. We will pay only for those expenses incurred after the first 24 hours following the "accident" or "loss" to the covered "auto."

b. Rental Reimbursement requires the rental of a comparable or lesser vehicle, which in many cases may be substantially less than $75 per day, and will only be allowed for the period of time it should take to repair or replace the vehicle with reasonable speed and similar quality, up to a maximum of 30 days.

c. We will also pay up to $500 for reasonable and necessary expenses incurred by you to remove and replace your tools and equipment from the covered "auto". This limit is excess over any other collectible insurance.

d. This coverage does not apply unless you have a business necessity that other "autos" available for your use and operation cannot fill.

e. If "loss" results from the total theft of a covered "auto" of the private passenger type, we will pay under this coverage only that amount of your rental reimbursement expenses which is not already provided under Paragraph 4. Coverage Extension.

f. No deductible applies to this coverage.

g. The insurance provided under this extension is excess over any other collectible insurance.

If this policy also provides Rental Reimbursement Coverage you purchased, the coverage provided by this Enhancement Endorsement is in addition to the coverage you purchased.

For the purposes of this endorsement provision, materials and equipment do not include "personal effects" as defined in provision 12.B.

11. EXTRA EXPENSE - BROADENED COVERAGE

Under SECTION III - PHYSICAL DAMAGE COVERAGE, A. Coverage, we will pay for the expense of returning a stolen covered "auto" to you. The maximum amount we will pay is $1,000.

12. PERSONAL EFFECTS COVERAGE

A. SECTION III - PHYSICAL DAMAGE COVERAGE, A. Coverage, is amended by adding the following:

If you have purchased Comprehensive Coverage on this policy for an "auto" you own and that "auto" is stolen, we will pay, without application of a deductible, up to $600 for "personal effects" stolen with the "auto."

The insurance provided under this provision is excess over any other collectible insurance.

B. SECTION V - DEFINITIONS is amended by adding the following:

For the purposes of this provision, "personal effects" mean tangible property that is worn or carried by an "insured." "Personal effects" does not include tools, equipment, jewelry, money or securities.

13. ACCIDENTAL AIRBAG DEPLOYMENT

SECTION III - PHYSICAL DAMAGE COVERAGE, B. Exclusions is amended by adding the following:

If you have purchased Comprehensive or Collision Coverage under this policy, the exclusion for "loss" relating to mechanical breakdown does not apply to the accidental discharge of an airbag.

Any insurance we provide shall be excess over any other collectible insurance or reimbursement by manufacturer's warranty. However, we agree to pay any deductible applicable to the other coverage or warranty.
14. PHYSICAL DAMAGE DEDUCTIBLE - VEHICLE TRACKING SYSTEM

SECTION III - PHYSICAL DAMAGE COVERAGE, D. Deductible, is amended by adding the following:

Any Comprehensive Deductible shown in the Declarations will be reduced by 50% for any "loss" caused by theft if the vehicle is equipped with a vehicle tracking device such as a radio tracking device or a global position device and that device was the method of recovery of the vehicle.

15. AUDIO, VISUAL AND DATA ELECTRONIC EQUIPMENT COVERAGE

SECTION III - PHYSICAL DAMAGE COVERAGE, B. Exclusions, Paragraph a. of the exception to exclusions 4.c. and 4.d. is deleted and replaced with the following:

Exclusions 4.c. and 4.d. do not apply to:

a. Electronic equipment that receives or transmits audio, visual or data signals, whether or not designed solely for the reproduction of sound, if the equipment is:

(1) Permanently installed in the covered "auto" at the time of the "loss" or removable from a housing unit that is permanently installed in the covered "auto"; and

(2) Designated to be solely operated by use from the power from the "auto's" electrical system; and

(3) Physical damage coverages are provided for the covered "auto".

If the "loss" occurs solely to audio, visual or data electronic equipment or accessories used with this equipment, then our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by a $100 deductible.

16. LOAN / LEASE GAP COVERAGE (Not Applicable In New York)

A. Paragraph C. Limit Of Insurance of SECTION III - PHYSICAL DAMAGE COVERAGE is amended by adding the following:

The most we will pay for a "total loss" to a covered "auto" owned by or leased to you in any one "accident" is the greater of the:

1. Balance due under the terms of the loan or lease to which the damaged covered "auto" is subject at the time of the "loss" less the amount of:
   a. Overdue payments and financial penalties associated with those payments as of the date of the "loss";
   b. Financial penalties imposed under a lease due to high mileage, excessive use or abnormal wear and tear;
   c. Costs for extended warranties, Credit Life Insurance, Health, Accident or Disability Insurance purchased with the loan or lease;
   d. Transfer or rollover balances from previous loans or leases;
   e. Final payment due under a "Balloon Loan";
   f. The dollar amount of any unrepaired damage which occurred prior to the "total loss" of a covered "auto";
   g. Security deposits not refunded by a lessor;
   h. All refunds payable or paid to you as a result of the early termination of a lease agreement or as a result of the early termination of any warranty or extended service agreement on a covered "auto";
   i. Any amount representing taxes;
   j. Loan or lease termination fees; or

2. The actual cash value of the damage or stolen property as of the time of the "loss".

An adjustment for depreciation and physical condition will be made in determining the actual cash value at the time of the "loss". This adjustment is not applicable in Texas.

B. Additional Conditions

This coverage applies only to the original loan for which the covered "auto" that incurred the "loss" serves as collateral, or lease written on the covered "auto" that incurred the "loss".
C. SECTION V - DEFINITIONS is changed by adding the following:

As used in this endorsement provision, the following definitions apply:

"Total loss" means a "loss" in which the cost of repairs plus the salvage value exceeds the actual cash value.

A "balloon loan" is one with periodic payments that are insufficient to repay the balance over the term of the loan, thereby requiring a large final payment.

17. GLASS REPAIR - WAIVER OF DEDUCTIBLE

Paragraph D. Deductible of SECTION III - PHYSICAL DAMAGE COVERAGE is amended by the addition of the following:

No deductible applies to glass damage if the glass is repaired rather than replaced.

18. PARKED AUTO COLLISION COVERAGE (WAIVER OF DEDUCTIBLE)

Paragraph D. Deductible of SECTION III - PHYSICAL DAMAGE COVERAGE is amended by the addition of the following:

The deductible does not apply to "loss" caused by collision to such covered "auto" of the private passenger type or light weight truck with a gross vehicle weight of 10,000 lbs. or less as defined by the manufacturer as maximum loaded weight the "auto" is designed to carry while it is:

a. In the charge of an "insured";

b. Legally parked; and

c. Unoccupied.

The "loss" must be reported to the police authorities within 24 hours of known damage.

The total amount of the damage to the covered "auto" must exceed the deductible shown in the Declarations.

This provision does not apply to any "loss" if the covered "auto" is in the charge of any person or organization engaged in the automobile business.

19. TWO OR MORE DEDUCTIBLES

Under SECTION III - PHYSICAL DAMAGE COVERAGE, if two or more company policies or coverage forms apply to the same "accident", the following applies to Paragraph D. Deductible:

a. If the applicable Business Auto deductible is the smaller (or smallest) deductible, it will be waived; or

b. If the applicable Business Auto deductible is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible; or

c. If the "loss" involves two or more Business Auto coverage forms or policies, the smaller (or smallest) deductible will be waived.

For the purpose of this endorsement, company means any company that is part of the Liberty Mutual Group.

SECTION IV - BUSINESS AUTO CONDITIONS is amended as follows:

20. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

SECTION IV - BUSINESS AUTO CONDITIONS, Paragraph B.2. is amended by adding the following:

If you unintentionally fail to disclose any hazards, exposures or material facts existing as of the inception date or renewal date of the Business Auto Coverage Form, the coverage afforded by this policy will not be prejudiced.

However, you must report the undisclosed hazard of exposure as soon as practicable after its discovery, and we have the right to collect additional premium for any such hazard or exposure.
21. AMENDED DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT, OR LOSS

SECTION IV - BUSINESS AUTO CONDITIONS, Paragraph A.2.a. is replaced in its entirety by the following:

a. In the event of "accident", claim, "suit" or "loss", you must promptly notify us when it is known to:
   (1) You, if you are an individual;
   (2) A partner, if you are a partnership;
   (3) Member, if you are a limited liability company;

   (b) The "insureds" name and address; and
   (c) The names and addresses of any injured persons and witnesses.

22. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

SECTION IV - BUSINESS AUTO CONDITIONS, Paragraph A.5. Transfer Of Rights Of Recovery Against Others To Us, is amended by the addition of the following:

If the person or organization has in a written agreement waived those rights before an "accident" or "loss", our rights are waived also.

23. HIRED AUTO COVERAGE TERRITORY

SECTION IV - BUSINESS AUTO CONDITIONS, Paragraph B.7. Policy Period, Coverage Territory, is amended by the addition of the following:

f. For "autos" hired 30 days or less, the coverage territory is anywhere in the world, provided that the "insured's" responsibility to pay for damages is determined in a "suit", on the merits, in the United States, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

   This extension of coverage does not apply to an "auto" hired, leased, rented or borrowed with a driver.

24. PRIMARY AND NON-CONTRIBUTING IF REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT

The following is added to SECTION IV - BUSINESS AUTO CONDITIONS, General Conditions, B.5. Other Insurance and supersedes any provision to the contrary:

1. Such "insured" is a Named Insured under such other insurance; and

2. You have agreed in a written contract or written agreement that this insurance would be primary and would not seek contribution from any other insurance available to such "insured".

- Connections to City Utilities.
- Compatible zoning.
- Protection of the health and safety of the public.
- Site elements: temporary structures, restrooms, and seating.
- Competition with brick & mortar buildings

From that discussion, the attached ordinance contains the following changes from the adopted Mobile Food Vendor Pilot Program, adopted in 2019:

- Removing hours of operation. Any issues with operating in early or late hours will be address through the enforcement of nuisance regulations.
- Clarification of three categories for Mobile Food Vendor Location
- Organizing the ordinance to be codified into Chapter 4 – Business Regulations, Article 4.04 – Peddlers, Solicitors and Vendor

At the April 28, 2020 City of Bastrop City Council Meeting the first reading of Ordinance No. 2020-02 was approved as proposed. However, there was a considerable amount of discussion surrounding the proposed fees and the proposed site improvements.

Prior to the final reading of ordinance # 2020-02 I suggest additional discussion on the fee schedule.

RECOMMENDATION:
Consider action to approve the second reading of Ordinance No. 2020-02 of the City Council of the City of Bastrop, Texas (“City”) to amend Article 4.04 - Peddlers, Solicitors and Vendor and adopt Division 4 – Requirements Applicable for Mobile Food Vendors in the Bastrop, Texas Code of Ordinances; providing for findings of fact, purpose, adoption and amendment, repealer, severability, enforcement, effective date.
