BACKGROUND/HISTORY:

Opened in the Spring of 2011, this full-service facility has changed course over the last 24 months. During the 4th Quarter of FY 19/20, the Bastrop Convention & Exhibit Center was closed the majority of the quarter due to COVID 19. The following is an illustration of the Bastrop Convention & Exhibit Center's 100% loss of business during that time:

- Occupancy Total # of booked days lost 36
- Bookings Total # of Bookings lost 29
- Revenue Total amount of Revenue Lost \$40,685

Due to Covid-19 the center was closed as of March 16th and remained closed until September 22nd when the first paid booking occurred. The Director is working with Meeting and Event planners and local clients to reschedule postponed events.

AGENDA MEMORANDUM

Meeting Date: October 27, 2020

Agenda Item: Bastrop Economic Development Corporation Quarterly Report to City Council

Prepared by: Cameron Cox, BEDC CEO

In the last quarter, the BEDC has made some remarkable accomplishments.

- 1) BEDC's CEO Cameron Cox was asked to participate in a panel discussion entitled *Tales from the Front Lines – Local Economic Development Programs to Assist Businesses During COVID-19* at the 2020 Texas Economic Development Council's Annual Conference. He spoke about the BEDC's response to the COVID-19 pandemic and how they managed helping local businesses.
- 2) The BEDC's COVID-19 Relief Grant Program distributed \$576,000, assisting 126 Bastrop businesses through the pandemic. There is no apparent need for a fourth round.
- 3) The BEDC has already seen an increased activity from site selectors interested in locating near the Tesla Gigafactory. Garner Economics has performed a study about the effect their location could have on Bastrop County.
- 4) Project Gummy Bears was the code name given to a Project recently approved by City Council. The BEDC and Deep in the Heart Art Foundry have entered into an agreement for business development and workforce training centers. The project includes classroom space and shared training equipment, along with workforce certifications in welding and HVAC from Austin Community College. The BEDC is partnering with the Art Foundry to expand two businesses in Bastrop at three locations and includes more than \$2 million in capital improvements. ACC, in partnership with BEDC and Texas Workforce Solutions, plans to begin their first phase of mobile training classes in the building located at 402 Technology Drive in the Bastrop Business & Industrial Park by November 2020.
- 5) After the initial decrease in sales tax allocations as a result of COVID-19, the City of Bastrop has seen a strong recovery.

The BEDC's plans for FY 2020/2021 include:

- 1) Develop career and technology training.
- 2) Continue to develop the Bastrop Business & Industrial Park.
- 3) Continue to market Bastrop for business, with emphasis on proximity to Tesla project.
- 4) The Next Frontier of Development for Central Texas!

Recommendation – None; item is for informational purposes only.

*The Bastrop Economic Development
Corporation welcomes you to the next frontier

Consider action to approve the first reading of Ordinance No. 2020-30, of the City Council of the City of Bastrop, Texas repealing and replacing Chapter 12 – Traffic and Vehicles, Article 12.12 – Golf Carts; and providing for findings of fact, adoption, repealer, severability, and enforcement; establishing an effective date; proper notice and meeting, and move to include on the November 10, 2020 consent agenda for a second reading.

STAFF REPRESENTATIVE:

Clint Nagy, Chief of Police

BACKGROUND/HISTORY:

The City of Bastrop and the City of Bastrop's Attorney's office was asked to review Article 12.12-Golf Carts to determine its current practicality. The purpose of replacing this article is to provide a convenient and safe means of travel within the city by golf carts. Golf carts, if used properly, can be an effective way to travel for short distances within the city, especially during times of increased congestion. POLICY EXPLANATION:

Texas Transportation Code Section 551.4031 authorizes the governing body of a municipality to regulate and control the operation of golf carts within the city's legal boundaries and on its public streets to ensure the public safety of the community and Texas Local Government Code section 51.001 provides the City general authority to adopt an Ordinance or police regulations that is for the good of the government, peace or order of the City and is necessary or proper for carrying out a power granted by law to the City.
