DESCRIPTION

Band Signs limited to 90% of the width of the Building Facade shall be permitted for each Building with a Commercial Use. Information shall consist only of the name and/or Logo of the Business.

SIGN DETAILS

- i. All businesses are permitted Band Signs on each street facing facade. Businesses with no street frontage are allowed Band Signs on the façade with the primary entrance.
- ii. Band Signs shall include only letters, background, Lighting, and an optional Logo. Information shall consist only of the name and/or Logo of the Business. Band Signs shall not list products, sales, or other promotional messages, or contact information.
- iii. The following Band Sign Construction types are permitted:
 - (1) Flat Panel. Letters shall be printed or etched on same surface as the background, that is then affixed to the wall and externally illuminated.
 - iv. Channel Letters. Each letter shall have either 1.) its own internal Lighting element, individually attached to the wall or onto a separate background panel; or 2.) The raceway must be mounted to not be visible. For band signs that exceed 4 feet, sites cannot have a pylon or pole sign and monument signs are limited to 8 feet in height.
