DR. MARTIN LUTHER KING, JR. DAY BASTROP COUNTY HOLIDAY COMMISSION VIRTUAL CELEBRATION

WHEREAS, Dr. Martin Luther King, Jr. dedicated his life to bringing about social, political, and economic equality for all Americans by non-violent means, devoted his life to the struggle for justice and equality, sowing seeds of hope for a day when all people might claim “the riches of freedom and the security of justice,” and challenged our Nation to recognize that our individual liberty relies upon our common equality; and

WHEREAS, at a time when our Nation was sharply divided, Dr. King called on a generation of Americans to be “voices of reason, sanity, and understanding amid the voices of violence, hatred, and emotion,” and we must face today’s challenges with the strength, persistence and determination that he personified; and

WHEREAS, the impact of Dr. King’s contributions to civil rights are witnessed daily in the United States of America and throughout the world; and

WHEREAS, downplaying the honors bestowed upon him, including the Nobel Peace Prize, Dr. King wanted most to be remembered as a servant to others; and

WHEREAS, because of his accomplishments in civil rights, Dr. Martin Luther King, Jr. was killed by an assassin on April 4, 1968, at the age of thirty-nine years; and

WHEREAS, the Bastrop County MLK Jr. Holiday Commission was established in 1988 to revere, promote, and celebrate the legacy, actions, and memory of this great American leader; and

WHEREAS, the President and Congress of the United States of America have declared the birthday of Dr. Martin Luther King, Jr. as a National, State, and Local Holiday; and

WHEREAS, the theme for the Holiday is to Celebrate, Remember and Act on “A Day On, Not a Day Off!” and we are called to engage in public service and promote nonviolent social change so that Dr. King’s unfinished movement toward equality can be achieved by our united, enduring efforts; and

MEETING DATE: January 12, 2021

AGENDA ITEM: 6A

TITLE:

Receive presentation on the unaudited Monthly Financial Report for the period ending November 30, 2020.

STAFF REPRESENTATIVE:

Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:

The Chief Financial Officer provides the City Council a monthly financial report overview for all funds to include detailed analysis for General Fund, Water-Wastewater Fund, Bastrop Power & Light and the HOT Tax Fund.

REVENUE

General Fund is exceeding the budget by almost 33.5%. This is attributed substantially to development fees. This category of revenue is already at 43% of budget two months into the fiscal year.

HOT funds revenue is short of forecast due to COVID-19 impacting the hospitality industry. This trend will be closely monitored.

Cemetery is running short of forecast. We have had only one non-resident plot sale since the price increase effective Oct. 1st.

The Park Land Dedication fund and Capital Bond funds are short of forecast due to interest returns being lower than forecast.

EXPENDITURES

All funds are positive variance to forecasted expenditures year to date.

POLICY EXPLANATION:

This reporting requirement is set forth by the City of Bastrop Financial Management Policies, Chapter IV. Operating Budget, Section D. Reporting, as adopted by Resolution R-2020-77 on September 8, 2020.

Sales Tax is 42% of the total budgeted revenue for General Fund. The actual amounts for Oct. and Nov. are estimated due to the State Comptroller's two month lag in payment of these earned taxes. The actual is almost 15% greater than forecasted.

Property tax represents 31% of the total General Fund revenue budget. As you can see from the forecast, they are generally collected from December to February. The actual is exceeding the forecast by 74%. The timing of when these payments are received does not stay consistent from year to year which increases the difficulty of forecasting the monthly receipts.

STAFF REPRESENTATIVE:

BACKGROUND/HISTORY:

The FY2021 budget was approved by City Council on September 22, 2020. Since that approval, the City has closed the FY2020 fiscal year. There are additional expenditures that have some up since the FY2021 budget was approved and carry-over amounts relating to ongoing projects.

Below is a summary of the General Fund's projected to actual comparison for FY2020. The revenue variance was due to sales tax, planning fees and CARES funding all being higher than projected. The expense side included a transfer from General Fund to Innovation Fund which did not occur. This transfer is being included in this budget amendment. As you can see, we ended FY2020 very strong leaving a healthy reserve.

	Projected FY2020	Actual FY2020	Variance
Total Revenue	\$12,140,263	\$12,975,864	\$835,601
Total Expense	\$11,758,344	\$11,329,254	\$429,090
Ending Fund Balance	\$3,364,281	\$4,628,972	\$1,264,691
Fund Balance %	30%	41%	11%

The Exhibit A to the ordinance explains in detail the nature of each of the budget amendments being requested.

This item was approved on first reading December 8, 2020.

POLICY EXPLANATION:

The Financial Management Policy states that the level of budgetary control is at the department level in all Funds. If transfers are required between departments, this must be approved by City Council.

The proceeds need to be applied to the following accounts:

This amendment is the final request for reimbursement through the Coronavirus Relief Funds (CARES). The EDC funding agreement and additional supplies for reopening are included. This amendment appropriates the additional revenue and the associated expenses making this a net neutral amendment (no fund balance adjustment).

Budget Amendment #2: General Fund-Organizational Expenditures

FY 2021 Budget Book (Page 46)

Original Budget* (after BA#1)	\$295,105*
Equipment (101-02-00-5202)	<u>\$ 13,085</u>
New Total Expense	\$308,190

The purchase of police laptops was initiated during FY2020. This was being funded out of available contingency funds. Some of the order was received prior to 9/30/2020. This is to appropriate the balance of the order from available fund balance in General Fund.

Budget Amendment #3: Parks Dedicated Fund

FY 2021 Budget Book (Page 152)

Original Budget	\$ 56,000
Capital Outlay (520-00-00-6000)	<u>\$ 44,000</u>
New Total Revenue	\$100,000

EXHIBIT A

The contract with Artisan Concrete to construct all alternate options for Phase I of the Skate Park totaled \$395,375. It was the consensus of council that city staff try and find the funds to complete this contract in total. The FY2021 budget included \$266,000 (\$55,000 in parks designated and \$210,000 in innovation). There is an additional \$9,900 in consultants' fees for the construction phase. These two budget amendments, using available fund balance in each fund, will provide enough funding for the full contract amount.

Budget Amendment #4: Innovation Fund

FY 2020 Budget Book (Page 145)

Original Budget	\$ 150,000
Trans In-General Fund (105-00-00-4701)	\$ 645,894

The proceeds need to be applied to the following accounts:

FY 2021 Budget Book (Page 145)

Original Budget	\$ 503,668
Loan Pmt-BP&L (105-00-00-7000)	\$ 309,399
Capital Outlay (105-00-00-6000)-Gills Br	\$ 49,788
Capital Outlay (105-00-00-6000)-Skate Pk	\$ 95,275
New Total Expenditure	\$ 958,130

The FY2020 ending fund balance in the Innovation fund is \$162,236. The proposed transfer of \$500,000 in FY2020 from General Fund did not occur. This amendment is to transfer excess fund balance from General Fund to be used for one-time expenditures. The amount being transferred along with the ending fund balance will zero out this fund. A portion of this transfer is being appropriated for the additional funds needed to complete all alternate options for the Skate Park (See Budget Amendment #3). There is additional engineering required for the Gills Branch Drainage Improvement project of \$49,788. These additional services are being required by the USA Core of Engineers and Texas Historical Commission. The final amount is to pay off all loans owed to BP&L.

Budget Amendment #5: 2019 Revenue Bond Expenditures

FY 2021 Budget Book (Page 138)

Original Budget	\$ -0-
WWTP#3 – Westside Coll lines (261-35-00-6176)	\$ 195,000

projects. This amendment is a carryover of the available fund balance from FY2020. This amendment will allow the city to spend the balance of this bond fund in FY2021 for the ongoing WWTP#3.

Budget Amendment #6: Water/Wastewater Capital Improvement Fund Expenditures

FY 2021 Budget Book (Page 114)

Original Budget	\$ 200,000

New Total Expenditure	\$ 583,900

This capital fund did not expense as much as previously estimated for capital outlay for water CIP projects in FY2020. This amendment is a carryover of the available fund balance from FY2020 to complete the elevated and ground storage water tanks at HWY 20, cover the public relations balance of the WWTP#3, and set aside contingency funds for possible maintenance issues that may arise.

Budget Amendment #7: 2018 CO Bond Expenditures

FY 2021 Budget Book (Page 137)

Original Budget	\$ 1,858,388
Main St. Sidewalk/Street (726-00-00-6154)	\$ 342,688

III. SPECIAL PROVISIONS RELATING TO ELECTION WORKERS

A. Compensation. The parties agree that presiding judges and alternate judges will be compensated at a rate of \$12.00/hr., and election clerks will be compensated at a rate of \$10.00/hr. They will be compensated for all hours actually worked, including the time to set up the polling location and the time to complete the counting and to wrap up the paper work, but not to exceed one hour before and two hours after the polling location is open for voting. The presiding judge, or the election worker at the polling location that he or she designates, who picks up the election supplies on May 1, 2021 from the Contracting Officer and who returns the remaining supplies, ballot boxes, and all other election records from the polling location to the Contracting Officer will be compensated with a delivery fee of \$25 at the same time that payment is made for the hours worked. The Contracting Officer will pay the election workers directly and be reimbursed for such by the CITY.

B. Number of Election Workers. The parties agree that at all polling locations there will be a minimum of three election workers, consisting of the presiding judge, alternate judge, and one clerk.

IV. JOINT EXPENSES AND PAYMENT

A. *Expenses Incurred and Billing.* The participating authorities agree to share actual costs incurred to the extent that the costs and expenses are incurred in connection with a polling location used by more than one local political subdivision, such as (without limitation) the cost of renting polling locations and voting equipment, programming the voting equipment, supplies needed for the polling place, wages and salaries of election workers. Election expenses shall be pro-rated equally among the participants.

The parties agree, for those polling locations used solely by the CITY and not shared by any other participating authority, that the CITY will pay the wages, salaries, and other applicable election costs and expenses directly related to such polling location.

It is understood that to the extent space is available, other districts and political subdivisions may wish to participate in the use of Bastrop County's election equipment and voting places, and it is agreed that the Elections Administrator may contract with such other districts or political subdivisions for such purposes and that in such event there may be an adjustment of the pro-rata share to be paid to Bastrop County by the participating authorities.

B. *Billing.* As soon as reasonably possible after Election Day, the Contracting Officer will submit an itemized invoice to the CITY for (1) actual expenses directly attributable to the coordination, supervision, and running of the election and incurred on behalf of the CITY by the Contracting Officer, including expenses for supplies in connection with the election school(s), publication and printing of election notices, election supplies, wages paid to the Contracting Officer's employees for services under this contract performed outside of normal business hours, election workers, and any other expenses reasonably and directly related to the election, including, without limitation, rental and programming of DREs and audio ballots, and (2) the Contracting Officer's fee under Section 31.100(d) of the Texas Election Code and as provided in Section IV.E below. Expenses related to wages shall be supported by compensation sheets. Other expenses shall be supported by invoices or receipts, except that the price of items coming out of the Contracting Officer's stock of election supplies shall be supported by the Contracting Officer's certificate about the number of items used and the unit cost therefore according to the vendor's standard price list.

C. *Payment.* The CITY shall pay the Contracting Officer's invoice within 30 days from the date of receipt to: **Bastrop County, Attn: Kristin Miles, Elections Administrator, 804 Pecan Street, Bastrop, TX 78602.** If the CITY disputes any portion of the invoice, the CITY shall pay the undisputed portion of the invoice, and the parties will discuss in good faith a resolution of the disputed portion. All payments shall be made from current revenues available to the CITY.

D. *Expense Item Larger than \$500.* If a single election expense exceeds \$500, the Contracting Officer reserves the right to invoice the CITY for such expense at the time it is incurred, supported by an invoice or receipt, rather than waiting until after Election Day. The CITY shall pay such invoice within 30 days from the date of receipt.

E. *Estimated Cost of Services.* A cost estimate for election expenses is attached hereto and made a part of this contract as Exhibit “C” or Exhibit “C-1”, whichever is applicable. The parties agree that these are an estimate only and that the CITY is obligated to pay their respective portion of the actual expenses of the election as set forth herein. The Contracting Officer agrees to advise the CITY if it appears that the actual expenses incurred by the Contracting Officer will exceed by 20% or more the estimated expenses to be paid initially by the Contracting Officer and reimbursed jointly by the CITY.

F. *Administrative Fee.* The CITY shall pay the Contracting Officer a 10% administrative fee, pursuant to the Texas Election Code, Section 31.100.

V. GENERAL PROVISIONS

A. *Nontransferable Functions.* In accordance with Section 31.096 of the Texas Election Code, nothing in this contract shall be construed as changing

1. the authority with whom applications of candidates for a place on the ballot are filed;
2. the authority with whom documents relating to political funds and campaigns under Title 15 of the Texas Election Code are filed; or

B. *Joint Election.* The parties acknowledge that the Contracting Officer may contract with other entities holding elections at the same time as the CITY on May 1, 2021. If another election occurs in territory of the CITY, Bastrop County will notify the CITY of the existence of the situation and provide a joint election agreement.

C. *Cancellation of Election.* If the CITY cancels its election pursuant to Section 2.053 of the Texas Election Code, the Contracting Officer shall only be entitled to receive the actual expenses incurred before the date of cancellation in connection with the election and an administrative fee of \$75. The Contracting Officer shall submit an invoice for such expenses (properly supported as described in **IV. PAYMENT** above) as soon as reasonably possible after the cancellation and the CITY shall make payment therefore in a manner similar to that set forth in **IV. PAYMENT** above. The Contracting Officer agrees to use reasonable diligence not to incur major costs in connection with election preparations until it is known that the election will be held, unless the CITY authorizes such major costs in writing. An entity canceling an election will not be liable for any further costs incurred by the Contracting Officer in conducting the May 1, 2021 Joint Election.

For the near future, the department intends to keep the Building Official position filled with a city employee that will review plans, assist citizens and developers through the building review and permitting process, and provide oversight to a third-party service for inspections.

Arch Technical Services, LLC is able to provide commercial and residential inspectors that are able to respond to a fluctuating level of inspections. This will enable the City to scale the number of inspections relative to the current demand, rather than having one dedicated inspector. The money budgeted for the inspector position (salary, benefits, certification, and equipment cost) will be moved to the Building Inspection Professional Services budget line item the contracted cost. Additionally, the review and inspection fees have been calculated to cover cost recovery for the Building Inspection Division.

ATS is also able to provide commercial and residential plan review as a backup when the Building Official unavailable or the position is temporarily vacant.

POLICY EXPLANATION:

The City has adopted the 2018 International Code Council Commercial and Residential Codes in order to ensure that commercial and residential buildings are safe and will be sustainable through proper construction methods and practices.

FUNDING SOURCE:

Building Official and Building Inspector positions are budgeted on page 88 of the adopted FY20-FY21 Annual Budget. The Building Official position has been filled in an interim capacity and the Building Inspector position has been vacant to date. The salary saving from these positions will be moved to the Professional Services budget to cover the cost. Additionally, the Code of

Ordinance, Appendix A has established residential and commercial permitting and inspection fees to ensure for cost recovery of the service provided.

STAFF REPORT

MEETING DATE: January 12, 2021

AGENDA ITEM: 9F

TITLE:

Consider action to approve Resolution No. R-2021-05 of the City Council of the City of Bastrop, Texas awarding a contract with Smith Contracting Co. of Austin, Texas, in the amount of Three Million Nine hundred and thirty thousand Nine hundred and ninety-seven dollars and zero cents. (\$3,930,997.00) for the construction of the Westside Collection system phase 1, authorizing the City Manager to execute all necessary documents; providing for a repealing clause; and establishing an effective date.

STAFF REPRESENTATIVE:

Trey Job, Assistant City Manager of Community Development

BACKGROUND/HISTORY:

On August 28, 2018, City Council approved multiple task orders with KSA Engineering for the design of Wastewater Treatment Plant #3 and all ancillary components needed to continue serving our customers with wastewater service.

The wastewater collection system, a necessity to the construction of the new wastewater treatment plant, includes transferring wastewater from the existing plants to the new plant location along with reducing lift stations at Hunters Crossing and allowing for gravity flow to the new plant. Because land acquisition has taken longer than expected the Westside collection system was broken into two parts phase 1 (acquired land) and phase 2 will be the remaining lines.

The bid specifications included two types of pipe material, fiberglass reinforced, polymer mortar (FRPM) & Ductile Iron (DI), so that the City could choose the most economical option. The bids for phase 1 were received by 11:00 AM, Thursday, December 10, 2020, at City Hall and were publicly read aloud the same day and location. KSA Engineers has reviewed the bids and prepared a Bid Tabulation indicating the bid results. From KSA's review of all the required documents a reference calls Smith Contracting Co. is recommended for the project. The FRPM pipe is the best value and is also the recommended material.

POLICY EXPLANATION:

The City is required to maintain its infrastructure and is given authority to do so in the Local Government Code.

FUNDING SOURCE:

This project will be funded by bond issuance and fund balance from impact fees and to construct waste water treatment plant # 3 and the Westside collection system.

RECOMMENDATION:

RE: City of Bastrop Westside Collection System Improvements – Phase 1
Bid Tabulation Results

Dear Mr. Job,

Bids for the above referenced project were received at 11:00 AM, Thursday, December 10, 2020, at City Hall and were publicly read aloud the same day and location. KSA Engineers has reviewed the bids and prepared a Bid Tabulation indicating the bid results. This Bid Tabulation is enclosed for your review. A total of fourteen (14) bids were received, and all bidders submitted the required bid security.

As shown in the bid tabulation, the low bidder is Smith Contracting Co. of Austin, Texas, in the following amount:

Total Schedule 1.0 – FRPM & PVC Pipeline Materials Bid.....	\$3,930,997.00
Total Schedule 2.0 – Ductile Iron & PVC Pipeline Materials.....	\$5,359,089.75

Based upon our review of the information submitted by the low bidder, the list of similar project experience provided, and references contacted, Smith Contracting Co. appears to be qualified to perform the work required.

If the City of Bastrop awards this contract, our office will issue a notice of award to the low bidder and prepare Construction Contract Documents for execution by the Contractor and the City of Bastrop. KSA looks forward to working with the City during the construction phase on this important project to ensure a quality job.

If you have any questions about the Bid Tabulation or this award recommendation, please do not hesitate to contact us.

Sincerely,
KSA

STAFF REPORT

MEETING DATE: January 12, 2021

AGENDA ITEM: 9G

TITLE:

Consider action to approve Resolution No. R-2021-06 of the City Council of the City of Bastrop, Texas awarding a contract with BAR Contracting, Inc. of Lancaster, Texas, in the amount of Twenty-six Million, Three hundred sixty-nine thousand dollars and zero cents (\$26,369,000.00) for the construction of the Wastewater Treatment Plant # 3, authorizing the City Manager to execute all necessary documents; providing for a repealing clause; and establishing an effective date.

STAFF REPRESENTATIVE:

Trey Job, Assistant City Manager of Community Development

BACKGROUND/HISTORY:

On August 28, 2018, City Council approved multiple task orders with KSA Engineering for the design of Wastewater Treatment Plant #3 and all ancillary components needed to continue serving our customers with wastewater service.

The existing Wastewater Treatment plants are well past their useful life and need to be decommissioned. The construction of this two million gallon a day plant, along with phase 1 of the Westside collection system will allow the city's existing customers to have wastewater service while we slowly decommission plants 1 and 2. The remaining capacity in the newly constructed plant will allow future growth. To recover the cost of this additional capacity new impact fees were adopted in 2019 and in 2020.

The bids for Wastewater Treatment Plant #3 were received by 10:00 AM, Thursday, December 10, 2020, at City Hall and were publicly read aloud the same day and location. KSA Engineers has reviewed the bids and prepared a Bid Tabulation indicating the bid results. From KSA's review of all the required documents a reference calls, BAR Contracting, Inc. is recommended for the project.

POLICY EXPLANATION:

The City is required to maintain its infrastructure and is given authority to do so in the Local Government Code.

FUNDING SOURCE:

This project will be funded by bond issuance and fund balance from impact fees and to construct waste water treatment plant # 3 and the Westside collection system.

RECOMMENDATION:

ACM Job recommends approval of resolution No. R-2021-06 of the City Council of the City of Bastrop, Texas awarding a contract with BAR Contracting, Inc. of Lancaster, Texas, in the amount

of Twenty-six Million, Three hundred sixty-nine thousand dollars and zero cents. (\$26,369,000.00) for the construction of the Wastewater Treatment Plant # 3.

RE: City of Bastrop WWTP No. 3
Bid Tabulation Results

Dear Mr. Job,

Bids for the above referenced project were received at 10:00 AM, Thursday, December 10, 2020, at City Hall and were publicly read aloud the same day and location. KSA Engineers has reviewed the bids and prepared a Bid Tabulation indicating the bid results. This Bid Tabulation is enclosed for your review. A total of seven (7) bids were received, and all bidders submitted the required bid security.

As shown in the bid tabulation, the low bidder is BAR Contracting of Lancaster, Texas, in the following amount:

Total Lump Sum Base Bid – WWTP No. 3.....\$26,369,000.00

Based upon our review of the information submitted by the low bidder, the list of similar project experience provided, and references contacted, BAR Contracting appears to be qualified to perform the work required.

If the City of Bastrop awards this contract, our office will issue a notice of award to the low bidder and prepare Construction Contract Documents for execution by the Contractor and the City of Bastrop. KSA looks forward to working with the City during the construction phase on this important project to ensure a quality job.

If you have any questions about the Bid Tabulation or this award recommendation, please do not hesitate to contact us.

Sincerely,
KSA

STAFF REPORT

MEETING DATE: January 12, 2021

AGENDA ITEM: 9H

TITLE:

Consider action to approve Resolution No. R-2021-07 of the City Council of the City of Bastrop, Texas determining a public need and necessity for a micro-mobility hub at the corner of Spring and Main Street and authorizing the city's attorney to make the necessary changes to Chapter 12 (Traffic and Vehicles) needed to provide designated parking for micro-mobility hub vehicles during the standard operational hours, providing for a repealing clause; and establishing an effective date.

STAFF REPRESENTATIVE:

Trey Job, Assistant City Manager of Community Development

BACKGROUND/HISTORY:

On November 10, 2020 the City of Bastrop City Council received a presentation from David Marsh, General Manager at CARTS. At that time Mr. Marsh wanted to simply update and inform the City Council of the new CARTS Now (Ride on Demand) program. He also took the opportunity to provide an update on multiple CARTS projects. The Bastrop specific projects included a remodel of the existing CARTS station located on Hospital Dr. and proposed future Micro - Mobility Hub that will be located at the corner of Spring and Main Street.

The Presentation was well received by City Council and the unanimity that resulted from the discussion was that the CARTS team would work with City Staff to move this project forward. City Staff has held subsequent meetings with CARTS and their consultants, the request at the last meeting was to add approximately 100 feet of 8-10 foot ADA compliant sidewalk along the southern edge of the City's parking lot located at Spring and Main Street. In addition to the sidewalk improvements a request to reserve parking for the new CARTS Now vans and Electric cabs was made too. This action will require a change of Chapter 12 of the City of Bastrop Code of Ordinances. However, before making such a change I felt it was important to bring the subject back before City Council for additional direction. If approved, resolution # R-2021- XX will authorize the City attorney to make the necessary changes to Chapter 12 (TRAFFIC AND VEHICLES) needed to provide designated parking for CARTS vehicles during the standard operational hours.

The Hours of Operation for the electric cab service and Carts Now (Ride on - Demand) is Monday through Friday 7 A.M. to 7 P.M. Parking spots will be available for the general public on weekends and between the hours of 7 P.M. – 7 A.M.

POLICY EXPLANATION:

This project meets the previous policy direction provided by City Council and meets the multi-modal focus area.

FUNDING SOURCES:

Sidewalk funds are available in the Red Light Camera Fund that has been designated for sidewalk improvements that enhance pedestrian safety. This is on Page 106 of the adopted FY20-21 budget.
