DISCOVERY DATES & PROJECTS

Discovery is a program that gives youth, ages 7 to 12, an opportunity to seem, explore, and DISCOVER!!

JANUARY 9TH – THERMOCHROMICS: COLOR CHANGING PIGMENTS AND SECRET MESSAGES

We'll look at the science behind colors that change due to temperature and use them to create secret codes and messages.

JANUARY 23RD – POP-UP CARDS

Kids will make simple pop-up cards for Valentine's Days or any occasion! Easy and fun! Choose between a heart, butterfly, or rainbow card.

FEBRUARY 13TH –

FEBRUARY 27TH – PAPER MOSAIC

Kids will make a mosaic by cutting paper and creating a design using the first letter of their name or a simple drawing.

MARCH 13TH –

MARCH 27TH – TISSUE PAPER ART

Using regular or bleeding tissue paper, kids will make beautiful abstract art. Either apply regular tissue paper in squares and rectangles to get interesting effects when colors overlap, or apply

bleeding tissue paper to wet art paper, let dry, then remove to get unique patterns of color underneath.

APRIL 10TH –

APRIL 24TH – OPTICAL ART

Using lines, colors, and scissors, we will be creating an optical illusion of movement on a page.
