Skateboarding Clinic

An introductory class designed to teach participants on the proper techniques of skateboarding and to enhance their overall experience at the skatepark. Learning objectives include balance, pushing, rolling in, dropping in, park etiquette, safety, how to fall, and flexibility.

The clinic is open to ages 6 and up. Great family activity.

October 16th – November 20th

Saturdays, 10am

6 weeks

Elbow and Knee Pads with helmets are required.

Fisherman's Park

For more information on registration contact 512-332-8805.
