AGENDA ITEM SUBMITTED BY:
Tracy Waldron, Chief Financial Officer

BACKGROUND/HISTORY:
The Chief Financial Officer provides the City Council a monthly financial report overview for all funds to include detailed analysis for General Fund, Water-Wastewater Fund, Bastrop Power & Light and the HOT Tax Fund.

REVENUE
General Fund exceeded the forecast by 6%
- Sales tax is 12% above forecast and 17% over same period prior year
- Development fees are 20% above forecast
- There are other categories that are below forecast – specifically court fines and interest

Debt Service shows a slight negative and this is due to timing of property tax receipts

Impact Fee Fund is in negative status – the revenue projections were based on the timing of specific developments paying into this fund – these developments are behind the projected schedule causing the fund to be short of forecast.

All other funds are performing positive to forecast.

EXPENDITURES
All funds are positive to forecast amounts.

This reporting requirement is set forth by the City of Bastrop Financial Management Policies, Chapter IV. Operating Budget, Section D. Reporting, as adopted by Resolution R-2021-80 on August 24, 2021.
