

City of Bastrop, Texas

Residential Addition Checklist (Single-Family and Two-Family Dwellings)

Planning Department • 1311 Chestnut Street • 512-322-8840

All applications must be submitted through MyGov (<https://web.mygov.us>). Red fields are required.

PROJECT NAME:

APPLICANT(S):

Process Overview:

1. Pre-Application Meeting (as needed or directed by Staff)
 - a. Discuss your project with staff prior to submitting an application. Staff can help identify opportunities and constraints on the proposed project, as well as provide more information on the process and procedures.
2. Complete Application and upload required documentation at <https://web.mygov.us>
3. Application review, with comments issued as needed
 - a. If there are items required, we cannot accept the application for review until all items have been addressed
 - b. After application has been accepted, review can take approximately 14 working days. This process can take longer depending on the complexity of the project and Staff workload.
 - c. Applicant resubmits plans with corrections/changes based on review comments.
4. Staff Approval or Denial of plan
5. Applicant pays any/all utility fees and ensures a Certificate of Liability Insurance is on file with the Planning Department
6. Permit issued through MyGov portal
 - a. Inspections are scheduled by the applicant via MyGov by 3pm for the next business day. If inspection fails, a reinspect fee must be paid prior to the next requested inspection.

General Information:

- All trade attachment permits are separate permits and will only be issued after the building permit is released.
 - Plumbing, Electric, Mechanical, Irrigation. Trade permits must be accepted and paid prior to the first inspection.
- All residential construction plans must be from a design professional, such as an engineer or architect.
- The contractor performing the work must pull the permit.
 - Exception to above: If the property owner is doing the work themselves and the property is classified as their homestead, the permit may be pulled by the property owner after they apply for a Homestead Credential in MyGov.
- If there is a Planning Application (plat, site plan, public improvement plan, warrant, floodplains, Certificate of Appropriateness, zone change, etc.) under review, the building permit will not be

accepted for review until the Planning Application is approved.

All plans must meet all City of Bastrop Codes and Standards, such as the Bastrop Building Block (B³) Code, Pattern Book, Construction Standards, 2018 Building and Fire Codes, etc
