

AFFIDAVIT FOR HOMESTEAD TRADE PERMITS – MECHANICAL CONTRACTOR

I hereby swear or affirm that the Mechanical Contractor work I propose to do is on a property owned, used as my primary residence, and claimed as my homestead. All work will be performed by my own hands. I will not contract or subcontract the work. All work I propose to do will be in conformance with the City of Bastrop Code of Ordinances and other applicable city ordinances.

For more information about homeowner exemptions, see Occupations Code Title 8, Air Conditioning and Refrigeration Contractors, Chapter 1302, Subchapter B Exemptions, Section 1302.053. This chapter does not apply to a person who engages in air conditioning and refrigeration contracting in a building owned solely by the person as the person's home.

In the event I decide to sell this property, thereby changing my homestead status, I swear or affirm to make the purchaser aware in writing that work performed was done by me at the following address

Per the Texas State Comptroller Office, to qualify for a homestead exemption, a home must meet the definition of a residence homestead: the home's owner must be an individual (for example: not a corporation or other business entity) and use the home as his or her principal residence on January 1st of the tax year.

I have read and fully understand the above and swear or affirm that I qualify for this Homestead Trade Permit.
